ACT-R MAY BE FOR YOU!

Offered collaboratively by California State University Northridge (CSUN) and the Los Angeles Unified School District (LAUSD)

ACT-R is a combined 2-year Credential/Master's Degree Program offered collaboratively by CSUN and LAUSD. The program prepares teachers to serve students with disabilities in high need schools. Candidates obtain a credential in one year through full-time study as a teacher in residence. In the second year of the program, graduates are employed in LAUSD and obtain a Master's Degree while on-the-job. With an additional semester, candidates may obtain an Education Specialist Clear Credential. Candidates in ACT-R are eligible for a stipend of up to $35,000 through a Teacher Quality Partnership Grant, funded by the American Recovery and Reinvestment Act.

AWARDS RECEIVED

Orfalea Initiative
awarded by the Orfalea Foundation to incorporate neurodevelopmental methodology into the program.

Teacher Quality Partnership Grant
awarded by the U.S. Department of Education to develop and implement a teaching residency program in special education to improve the achievement of students with disabilities in high-need schools.

Urban Impact Award
given by the Council of the Great City Schools for outstanding school-based project.

Quality of Education Award
given by the California Council on Teacher Credentialing for exemplary school/university collaboration.
