COMPANY INFO

Established and growing environmental rental Equipment Company has a career opportunity for an Environmental Technician.

Established in 1995, Field Environmental Instruments' basic business strategy and customer-centric philosophies continue to change the environmental equipment industry. FEI offers candidates a comprehensive compensation package, friendly atmosphere and a knowledgeable internal-support team to aid your career development.

Job Description:
We are looking to add a reliable, versatile multi-tasking individual with experience (or interest) in the environmental consulting/safety industry.

The Environmental Technician is part of the Field Environmental Instruments team and will be responsible for the overall maintenance, calibration of the equipment.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Maintaining and calibrating portable analytical equipment.
- Working in unison with other FEI branch locations in the United States.
- Provide customer service and support to existing and potential customers.
- Oversee the standard of equipment needed to meet and exceed customer expectations. Includes calibration, cleaning, functioning, parts replacement and proper storage.
- Thorough knowledge of our core equipment.
- Ensures compliance with corporate shipping and routing requirements.

THE SUCCESSFUL CANDIDATE WILL HAVE:

- Proven team-leadership abilities.
- Personal initiative capability.
- Superior customer service, quality and time management skills.
- Work in a fast paced team environment.
- Able to implement directives from corporate.
- Basic computer skills in Microsoft Office focusing on Word, Outlook, Excel and Power Point.
- Previous environmental consulting/ engineering/ safety experience a plus, but not necessary.
- Valid driver's license necessary

Knowledge of, or experience in, the environmental consulting/health & safety industry a plus but not required. Extensive on-the-job training will be provided.

Base Salary, benefits (medical, vision, dental) provided, profit sharing 401k & bonus opportunities available.
