

TA Ships in Mathematics

The Department of Mathematics offers 5 TA ships for new and continuing graduate students;

Eligibility Requirements:

Graduate Student in good standing.

Duties:

1. Be a full-time graduate student, carrying a minimum load of three classes per semester which count toward the degree.
2. Maintain good standing and a minimum GPA of 3.4 during the tenure as a TA.
3. Teach two introductory math classes each semester.
4. Attend teaching training offered in August.

The pay for these positions is \$12,000 per year paid in 12 installments. In addition up to two TA's may qualify for a fee waiver each semester. The initial appointment is for one year.

Application:

To apply fill out the form below, and send it together with two letters of recommendation and unofficial transcripts to the address below. Students who applied unsuccessfully to the GK-12 program will be automatically included in the candidate pool. The letters of recommendation should address the candidate's academic performance. Applications must be received by **April 22, 2005**.
