

## **Excellence in Science Funds Scholarship**

Starting in Spring 2005, the Mathematics Department will give up to two awards of \$2,000 per semester to outstanding Graduate Students in Mathematics. The applicants must be full-time graduate students who satisfy all Mathematics Department requirements for classification at the time of application, have a minimum GPA of 3.8 in all graduate level work, and be within a year of finishing their degree. The award can be given in addition to any other existing financial support (TA/GA ships).

In order to apply students must submit an application form and two recent letters of recommendation addressing the students academic progress in the graduate program at CSUN. The selection of the awards will be made by the graduate committee and will be based on academic merit as indicated by the students record and the faculty recommendations.

The deadline for application is December 17, 2004.  
Applications shall be turned in to the Mathematics Department Office (FOB 114).

### **Application**

Name:.....

Student ID#.....

Address:.....

Email:.....

Anticipated date of completion of the degree (month/year).....

Current GPA for Math classes at the 500/600 level:.....

Please arrange for two faculty members in mathematics to write letters of recommendation on your behalf.
