

CENTER FOR RISK AND INSURANCE

SPRING 2013 AWARDS AND SCHOLARSHIPS

The purpose of these awards and scholarships is to recognize a number of worthy students who have either:

- (1) achieved scholastic success in courses or programs offered by the Department of Finance, Real Estate, and Insurance, **or**
- (2) demonstrated an interest in insurance through an internship with an insurance company or financial services firm or by successfully completing one or more courses of the following:

Courses: FIN 336 Principles of Insurance; FIN 431 Property and Casualty Insurance; FIN 434 Life and Health Insurance.

Requirements and Criteria for Selection for Scholastic Success:

1. Junior or senior who has achieved scholastic success in courses or programs offered by the Department of Finance, Real Estate, and Insurance with a cumulative grade point average of 3.25 or above.
2. Leadership and community service will be considered.

Requirements and Criteria for Selection for Demonstrated Interest in Insurance:

1. Junior or senior majoring in business or economics with a cumulative grade point average of 2.5 or above.
2. Successful completion of an internship with an insurance company, or satisfactory completion of an insurance course such as FIN 336 Principles of Insurance; FIN 431 Property and Casualty Insurance; FIN 434 Life and Health Insurance, or current enrollment in one of these insurance classes.
3. Other characteristics or activities that demonstrate an interest in the Insurance Industry.

Deadline: Friday, March 22, 2013

Selection Process:

- The winners will be chosen by a Committee selected by the Director of the Center for Risk and Insurance.
- The Committee will give preference to applicants who possess a demonstration of interest in insurance.
- Depending on the number and merit of applicants, it is anticipated that several awards of \$500 or more will be provided.
