Students who are interested in advanced Mathematics are invited to participate in a Bridge Institute in Mathematics at California State University, Northridge. This institute will prepare you for advanced Mathematics classes, which you may take in your Junior and Senior years. Applicants must have completed all lower division Mathematics requirements (3 semesters of Calculus and 1 semester of Linear Algebra).

Financial Support

Participants will receive a stipend of $2,000 and may be eligible for

- Financial support in their Junior and Senior years as Mathematics majors at CSUN.

How To Apply?

Mail unofficial transcripts and the following information to:
Department of Mathematics, ATTN: PUMP, CSUN, Northridge, CA 91330-8313.

Name:
Address:
Telephone Number:
Email:
Major:
College/University:

You must be a US citizen or permanent resident in order to receive the stipend. Applications must be received by May 31. An orientation meeting will be held on June 19, 2006 at 9.30 am.

For more information send emails to: rabia.djellouli@csun.edu or werner.horn@csun.edu

*PUMP is a new program at the Department of Mathematics at CSUN supported by the National Science Foundation under the MCTP program. It is designed to help students interested in Mathematics to pursue a successful career in this field.
