The CSU Northridge, Clear School Nurse Services Credential Program is open to registered nurses who hold a baccalaureate degree from a regionally accredited institution and hold a Preliminary School Nurse Credential. The School Nurse Services Credential is designed to meet the guidelines established by the Teacher Preparation and Licensing Law of 1970 (Ryan).

ADMISSION

To be considered for admission to the CSU Northridge, Clear School Nurse Services Credential Program, submit a **complete** application package to the Credential Office in Education Building 103. **ONLY** complete applications will be accepted by the Credential Office and consist of the following items:

1. Application form (attached)
2. Transcript(s) showing your baccalaureate degree and all post-baccalaureate work must be submitted and must be official transcripts. Arrange for the transcripts to be sent directly to you by the colleges and universities attended so that you can submit them as part of the application package. Transcripts from CSU Northridge may be unofficial. Other applicable transcripts should be ordered directly from the other institution(s). All foreign transcripts must be accompanied by a foreign transcript evaluation completed by a Commission approved agency (see Credential Office for list of agencies). Applicants must have a minimum overall grade point average of 2.75 in their last 60 units of coursework at the time of admission. It is advised to keep a set of transcripts for yourself. You will need to submit a set of your official transcripts to the nursing advisor when you meet for your evaluation.
3. Letters of Recommendation. Submit two recommendations. Request that these recommendations be sent to you so that they can be submitted as part of your complete application package.
4. A copy of your valid active Registered Nurse license from the State of California.
5. A copy of the Preliminary School Nurse Services credential
6. Submit an application fee of \$25 in the form of a **MONEY ORDER**. The money order should be made payable to California State University, Northridge. **CASH WILL NOT BE ACCEPTED.**

Applications for the CSU Northridge School Nurse Services credential program are accepted at any time; however, it is recommended that you submit your complete application package by April 1st for Fall enrollment and October 1st for Spring enrollment.

PLEASE NOTE: Application to this credential program does not constitute application to the university. You must also apply to the university. A separate application for admission to the university must be submitted to the office of admissions and records according to its admission schedule if an applicant is not currently enrolled. On-line applications are available at <http://www.csumentor.edu/>

Once your complete application is submitted, the applicant's package will be reviewed by the Selection, Admission, and Retention Committee selected by the Michael D. Eisner College of Education. You will be notified of its decision by mail. Applicants are advised that CONVICTION RECORDS may prevent an applicant from obtaining a credential. Certain conviction records will mandate the denial of a teaching or service document.

STATUTORY REQUIREMENTS

Clear Credential

A Clear credential may be recommended by the Credential Office to the CTC when the candidate has met these additional requirements:

1. Possession of a preliminary School Nurse Services credential
2. Two years or the equivalent of successful service as a school nurse
3. Valid active RN License
4. Successful completion of the CSU Northridge School Nurse Services program requirements
5. An overall GPA of 2.75 in coursework taken after enrollment and a 3.0 in Professional Education coursework is required. A grade of "C" or better is required in all program courses.

To qualify for the Clear credential, the candidate must have met all the required competencies and completed a minimum of 24 semester units of post baccalaureate work. If the candidate has met all of the required competencies but does not have 24 postgraduate units, then additional courses must be selected from the approved elective list and with prior approval of the school nurse credential advisor.

EVALUATION, COUNSELING, AND ADVISEMENT

1. An official evaluation of the applicant's transcripts will be conducted for those admitted to the credential program by the School Nurse advisor in the Health Science Department. Once you are notified of your admission, follow the procedures for advisement and course substitutions per your School Nurse advisor. (See Health Sciences Department for advisement procedures and course substitutions.)
2. Formal counseling for each candidate may be done by making an appointment with the advisor in the Health Sciences Department. (See information below for contact information).
3. Evaluation is a continuous process throughout the candidate's progress in the School Nurse Services credential program. The candidate is evaluated during preparatory courses and the School Nurse Field Experience.
4. Successful completion of requirements for this credential is based on competencies attained by the candidate. The burden of proof that the candidate has met specific required competencies rests entirely with the candidate.
