ADDITIONAL INFORMATION ABOUT THE SPECIALIZED EXPERIENCE REQUIREMENTS FOR THIS POSITION

Specialized experience should be documented in the Work History section of the online application. Applicants are encouraged to provide a narrative in the Work History section that describes the duties performed relative to the specialized experience defined for this position. Show percentage of time performing these duties if work performed involved mixed duties, i.e., where only a portion of your work experience would be creditable for this position. Specialized experience for this position is defined as one or more of the following:

GS-9

- Reviewed inspection reports for technical violations and tracked the organization's enforcement responses to ensure that timely and appropriate enforcement actions were taken.
- Conducted safety meetings to give or reinforce training in safe work methods and standard accident prevention techniques such as use of protective clothing, defensive driving, or handling of hazardous materials.
- Investigated accidents and reviewed accident reports for such items as specific causes and the nature of injuries or damage to property.

GS-11

- Designed, implemented, and/or evaluated well-precedented safety/health programs or policies, such as developing program plans for a small safety project or implementing a limited program with well-established safety activities.
- Performed on-site workplace safety inspections such as conducting initial and annual fire protection and/or safety inspections or assisting with workplace inspections to locate or prevent hazards.
- Assisted in preparing and/or revising well-precedented safety instructions and guides pertaining to contractor and/or facility employees regarding such safety issues as equipment use and safety policy decisions.

OTHER SIGNIFICANT FACTS:

Please check Job Posting Information, Summary, for the area of consideration (i.e., Who May Apply), and time limit information.

Bargaining Unit Status: Eligible.

BASIS OF RATING: The category rating procedure is used to rank and select eligible candidates. Under category rating, applicants who meet basic minimum qualification requirements established for the position and whose job related competencies have been assessed are ranked by being placed in one of the following categories: Quality, Well Qualified, and
Eligible. Candidates placed in the Quality category will be assessed based on Education, High Ability, or Experience. Well Qualified candidates are those who clearly exceed the minimum qualification requirements but do not necessarily meet the criteria for the Quality category. Candidates in the eligible category meet basic minimum qualification requirements but do not meet the criteria for the Well Qualified category. Preference eligibles are listed ahead of non-preference eligibles within each category. Drug testing is a requirement for certain positions. See “Other Significant Facts” portion of this announcement for information specific to position being filled.

To receive consideration for this position, you must meet all qualification requirements as of the closing date of the announcement or on the date a referral list is generated. Applicants are strongly encouraged to ensure the work history portion thoroughly documents the duties, responsibilities, and accomplishments that are directly related to this position in order to verify specialized experience.

If selection is made at a lower grade level, promotion to the target grade will be non-competitive upon completion of training, performance, and specialized experience requirements.

To ensure that you receive consideration, the scannable application package must be postmarked on or before the closing date stated in the announcement and must be received at the correct address within 7 days. Applications submitted in postage-paid Government envelopes will not be accepted. Applications received become the property of the USDA Forest Service and will not be returned.
