

## **Effective July 1, 2004**

The California Commission on Teacher Credentialing has just determined that verification of having completed an appropriate Commission-approved subject matter preparation program (100%) or having passed the appropriate subject matter examination(s) is required by candidates prior to student teaching. Candidates in Blended/Integrated programs must check with the Credential Office.

For more details, please call the Credential Office at (818) 677-2586.
