

# Dr. Norman Finkelstein Public Talks at CSU Northridge

Finkelstein specializes in Jewish-related issues and the Israeli-Palestinian conflict. He received his Ph.D. from Princeton University. He has taught at Brooklyn College, Rutgers University, Hunter College, New York University, and DePaul University. Finkelstein has been the center of much controversy; archly critical of many Israeli policies, he has been embattled with scholars and polemicists who view matters differently, to say the least.
