Here's my idea for an assignment based on *The Soloist*:

*Notes:*

1. *Sketches and rough drafts are fine here! You can always revise later.*
2. *Include ideas for any additional reading or research you might require if possible.*
3. *In what course, department, or discipline would you use this assignment?*
4. *Feel free to send me your idea if you prefer: [cheryl.spector@csun.edu](mailto:cheryl.spector@csun.edu) or AFYE, mail drop 8370.*

Thanks for thinking about teaching with *The Soloist*!
