### Biology Colloquium

Friday March. 20, 2 PM in EH2132

### Dr. Raquel Martinez

Department of Biology, Dartmouth University

**"Proteins that influence *Vibrio cholerae* motility"**

- **Biology Alumnus Wins Prestigious Award** - Annette A. Angus, a former MARC and MBRS student has been awarded a University of California Presidential Postdoctoral Fellowship. Annette previously worked with Dr. Aida Metzenberg for three years and with Dr. Michael Summers for one summer. The scholarship is a national competition designed to encourage outstanding women and minority Ph.D. recipients to establish research careers in academia in California and become our next generation of UC professors. Congratulations Annette!
- **New Faculty Publication** - Dr. Steve Dudgeon and colleagues now have a publication in press in the ecology journal *Oecologia* on "*Experimental confirmation of multiple community states in a marine ecosystem*"
- **Undergraduate Field Study and Camping Weekend (Spring Break April 3-5)** - Graduate students in Ecology and Marine Biology are inviting undergraduate students interested in ecology, evolution and field studies to participate in a weekend learning about the diversity and ecology of California's terrestrial and intertidal ecosystems. A \$5 cost covers food. For more information contact Chris ([cmb24722@csun.edu](mailto:cmb24722@csun.edu)) or Josh ([joshua.shipp.90@csun.edu](mailto:joshua.shipp.90@csun.edu)).
