

The program of a Master of Arts degree in Multicultural and Multilingual Education is designed to:

- Broaden your knowledge of ESL, bilingual, & multicultural education;
- Develop leadership skills in ESL, bilingual, & multicultural education;
- Acquire research skills in ESL, bilingual, & multicultural education;
- Develop skills and knowledge in effectively working with students and families of diverse cultural backgrounds.

The Michael D. Eisner College of Education, regionally focused, but nationally recognized, is committed to Excellence through its Program Innovation and Improvement. We believe excellence includes the responsiveness to demographic changes of student population in the state, acquisition of professional knowledge, skills, and dispositions, which are demonstrated by the growth and renewal of ethical and caring professionals and the school achievement of public school students they serve. Innovation and improvement occurs through the renewed knowledge of multicultural and bilingual/multilingual students, families, and communities they serve and through collaborative partnerships among communities of diverse learners who engage in creative and reflective thinking.
