

Been Hookin' 4 Your Record

To Rap Artist Who Call Themselves Pimps -From the Fans Who've been Their Whores

Alexandria Barabin

Hey Big Pimpin'
This has got to end
I can't be your ho anymore
Your bitch nor your homie-lova-friend
I tried to make things work between us
With all the potential that you are
Activist
Artist
Entrepreneur
But you say life has not yet taken you that far
In the mean time, Pimpin'
You're out here pimping me
And I spend my time asking "How may I serve thee?"

But that's over cause I'm through
No longer will I spread my legs to produce revenue for you
I realize that without those like me turning your tricks
A pimp's street philosophy becomes useless

I remember at one time I was your girlfriend
You sent me so many affirming messages
And I thought it would never end
But that was like 15 or 20 years ago
Now it seems the only words you got for me is gold digger, bitch and ho

And after all this time you still won't make a commitment
You've been a gansta, a stunna,
A political drug dealer
And meant it
You even said you had a serious change of heart
And you were going to New Orleans to do your part
What you fail to realize is
I have a problem with your finish
But never your start
And somewhere along the lines of time
You lost your love for me
You traded capitalism for heart
So Big Pimpin', our relationship has diminished
And before the dj spends the next record, we w
ill be finished.
