

# DEPARTMENT OF URBAN STUDIES AND PLANNING

## 5-Year Graduation Plan for Incoming Freshmen

The following schedule is based on the assumption that the given student will be able to enroll in classes full-time. This schedule illustrates one permutation among a myriad of possible schedules a student could construct for themselves. This merely serves as an example of a schedule which will allow a student to graduate in 5 academic years.

### Fall Semester 1

GE-A.1 Req. (3 units)  
GE-A.2 Req. (3-4 units)  
GE-A.3 Req. (3-5 units)  
GE-A.4 Req. (3 units)  
*Total 12-14 units*

### Spring Semester 2

GE-B.1 Req. (3-4 units)  
GE-B.2 Req. (3-4 units)  
GE- B Req. (3 units)  
GE- C.1 Req. (3 units)  
*Total 12-15 units*

### Fall Semester 3

GE-C.3 Req. (3 units)  
GE-D Req. (3 units)  
GE-D Req. (3 units)  
GE-D Req. (3 units)  
*Total 12 units*

### Spring Semester 4

GE-F.1 Req. (3-5 units)  
GE-F.2 Req. (3-5 units)  
GE- F.3 Req. (3-5 units)  
Title V Govt. (3 units)  
*Total 12-16 units*

### Fall Semester 5

URBS 150 (3 units)  
URBS 250 (3 units)  
URBS 340AL (3 units)  
Upper division GE (3 units)  
*Total 12 units*

### Spring Semester 6

URBS 340BL (3 units)  
URBS 300 (3 units)  
URBS 310 (3 units)  
Title V Hist. (3 units)  
*Total 12 units*

### Fall Semester 7

URBS 400 or 430 (3 units)  
URBS 420 or 430 (3 units)  
URBS 440 (3 units)  
*Total 9 units*

### Spring Semester 8

URBS 490 (3 units)  
Upper division GE (3 units)  
Specialized Program (3 units)  
GE- C.2 Req. (3 units)  
*Total 12 units*

### Fall Semester 9

Specialized Program (3 units)  
Upper division GE (3 units)  
GE-E Req. (3 units)  
GE-E Req. (1 unit)  
*Total 10 units*

### Spring Semester 10

URBS 494 (3 units)  
URBS 450(4 units)  
Specialized Program (3 units)  
Specialized Program (3 units)  
*Total 13 units*

Total: 116-122 units

The student should be advised that enrolling in less than 12 units has substantial effects on financial aid awards. As a result, students may want to consider a minor which may not require them to take more than a few classes beyond what is illustrated in this diagram.

**Please note** that the following courses can be used as substitutions or electives:

URBS 405 Advanced Research Methods for Planning  
URBS 495 A-Z Selected Topics in Urban Planning  
URBS 496 A-Z Experimental Courses  
URBS 499 Independent Study
