

DEPARTMENT OF URBAN STUDIES AND PLANNING

3-Year Graduation Plan for Transfer Students

Sample Schedule of Courses

The following schedule is based on the assumption that all lower division GE courses have been taken along with course equivalent to URBS 150¹ at another college/university. This schedule would allow satisfaction of all degree requirements in six semesters or three academic years.

Fall Semester 1

URBS 250 (3 units)
URBS 300 (3 units)
URBS 310 (3 units)
URBS 340AL (3 units)
Total 12 units

Spring Semester 2

URBS 340BL (3 units)
URBS 400 or 430 (3 units)
URBS 420 or 430 (3 units)
Total 9 units

Fall Semester 3

URBS 440 (3 units)
URBS 490 (3 units)
Upper division GE (3 units)
Total 9 units

Spring Semester 4

URBS 450 (4 units)
URBS (3 units)
Specialized Program (3 units)
Total 9 units

Fall Semester 5

Upper division GE (3 units)
Specialized Program (3 units)
Specialized Program (3 units)
Total 9 units

Spring Semester 6

URBS 494 (3 units)
Specialized Program (3 units)
Upper division GE (3 units)
Total 9 units

The student should be advised that enrolling in less than 12 units has substantial effects on financial aid awards.

Please note that the following courses can be used as substitutions or electives:

URBS 405 Advanced Research Methods for Planning

URBS 495 A-Z Selected Topics in Urban Planning

URBS 496 A-Z Experimental Courses

URBS 499 Independent Study

¹ If not taken at a community college it can easily be taken in any of these semesters, as it is offered every term.
