Dear Fee Payer,

As you may know, Chapter 312: Northridge of the CSU Employees Union (CSUEU) is currently conducting a Membership Drive. In addition to the Benefits of Membership, the first 75 individuals who join during our Drive will receive a metal and wood Paper Clip Holder as a "Thank You" gift. Also, new members and their recruiters will be entered into a Drawing for \$50!

Under California law, union fees are deducted from every CSUEU-represented employee's monthly check – including yours. Although these fees are deducted from paychecks, these individuals are **not** automatically a Dues Member of the Union. Instead, these individuals are considered to be "Fee Payers." **This email is only being sent to Fee Payers. Since you have received it, you are not obtaining the full benefits of Membership which you are eligible for. I invite you to JOIN NOW and become a full member!**

One of the first questions that you, as a Fee Payer, ask is "How much more will I pay per month to join and become a Dues Member?." The **difference** between what you are now paying as a Fee Payer and what you would pay as a Dues Member of CSUEU is **0.008%** of your monthly salary. This difference is **an average of only 26 cents more** per month! To find out how much more you would actually pay, you can go to the CSUEU Online Dues Calculator (<http://www.csueu.org/portals/0/csueuduescalculator.html>) and enter your monthly salary. The Calculator will automatically tell you what **YOUR** difference would be.

How do you JOIN? Just go to our website (<http://www.csun.edu/csueu/index.html>), and fill out the application available at (http://www.csun.edu/csueu/pdf/forms/CSUEU_Application_Fill.pdf). Make sure to follow the instructions at the bottom of the application and to include the name of your recruiter (if any) so that you can BOTH be entered into the Drawing.

Once I receive your application, it may take up to 2-3 months to process and for you to see the changes in your deductions. However, we consider you a Dues Member as soon as we receive your application. You are then eligible for all of the Benefits of Membership.

Still have questions? Read our "Frequently Asked Questions" at <http://www.csun.edu/csueu/faq.html> and the "Benefits of Being a Member" section at <http://www.csun.edu/csueu/benefits.html>. Also, feel free to email me directly (claudia@csun.edu) or to contact a Steward (<http://www.csun.edu/csueu/stewards.html>) with your questions.

We are here to aid in your continuing success at CSUN! Your comments are important to us, so feel free to submit your new and creative ideas (<http://www.csun.edu/csueu/feedback.html>) which will help make this Union better and stronger! This, in turn, allows the chapter to serve you better.

Your joining allows us to work together as a team. It also increases our Membership Rate which in

turn gives CSUEU a stronger voice at the bargaining table!

Please take advantage of all of these benefits and JOIN NOW!

Sincerely,

Claudia Garcia, President
