1. Name: **Diane Schwartz**

2. Education
   - Ph.D. Mathematics, UCLA, 1975
   - M.A. Mathematics, UCLA, 1971
   - B.A. Mathematics, UC Berkeley, 1966

3. Academic experience
   - CSUN Computer Science, Full Professor, 1983 – present, FERP
   - CSUN College of Engineering and Comp Science, Associate Dean, 2007-2009 and 1986-1989, full-time
   - CSUN College of Engineering and Comp Science, Interim Dean,2001-2002, and 1992-1994, full-time
   - CSUN Computer Science, Department Chair, 1981- 1983 and 1994-1999, full-time
   - CSUN, Lecturer/Associate Professor, 1979– 1983
   - USC, Lecturer, 1975-1977

4. Non-academic experience
   - Member of the Technical Staff, Jet Propulsion Laboratory, 1977 – 1979, full-time; 1979 – 1984, part-time

5. Certifications or professional registrations
   - None

6. Current membership in professional organizations
   - ACM; ACM SIGCSE; ACM SIGSOFT; Mathematical Association of America;

7. Honors and awards
   - San Fernando Valley Engineer's Council John Guarrera Distinguished Educator of the Year Award, 2007
   - CSUN, NSF Steps (Students Targeting Engineering and Physical Science) Grant, co-pi 2010-2011

8. Service activities last 6 years
   - Reviewer for SIGCSE Conferences (2008 – 2013)
   - WASC Accreditation Steering Committee at CSUN, 2008-2011
   - CSUN, Department Area Assessment Coordinator, 2009- present
   - CSUN, Department Assessment Coordinator 2011- present
   - CSUN Faculty Governance: Faculty Senate, Senate Executive Committee, Educational Policies Committee (chair) , General Education Task Forces, 2009-present
   - CECS College Committees: Academic Affairs
   - CSUN: Strategic Management Enrollment Committee; Learning Habits Seminar Group; Academic Assessment Liaison Council
   - Co-Pi of NSF Steps Grant (2010-2011)

9. Recent publications, reports and presentations
   - Wang, G., Schwartz, D, Lingard, R. "Assessing Student Learning in Software Engineering". The Journal of Computing Sciences in Colleges. Volume 23, Number 6, 2008
   - Presentation at WASC Academic Resource Conference 2010: "Using a Culture of Evidence to Advance Learning and Enhance Educational Effectiveness", Schwartz, Diane, Cummins-Prager, Mary Ann, 2010
   - Presentation at a CSUN Faculty Development Workshop on Assessment, February 25, 2013
   - WASC Self- Study Reports (Capacity and Preparedness Review and the Educational Effectiveness Review for Theme 3) , 2008-2011

10. Recent professional development activities
    - CSUN Faculty Development Workshop on Assessment(Feb 2013)
    - ACM SIGCSE Conference, March 2012
    - CAC ABET Accreditation Workshop in Raleigh, NC, March 2012
    - NSF STEPS Grantee Meeting in Washington ,DC (2011)
    - CSUN: Academic Assessment Liaison Committee Meetings(Monthly since Fall 2011)
    - CSUN: Learning Habits Seminar (Monthly since Fall 2011)
    - CSUN: Annual Assessment Retreats (2011, 2012, 2013)
