CPR CERTIFICATION FOR THE PRELIMINARY LEVEL I CREDENTIAL
FOR MULTIPLE SUBJECT AND SINGLE SUBJECT CREDENTIAL PROGRAMS STARTING FALL
2002

Verification of training in cardiopulmonary resuscitation that meets the standards set by the American Heart Association or the American Red Cross is needed prior to the issuance of the preliminary level I credential. Please complete one of the acceptable types of CPR Certification listed below before the end of your final semester. Submit verification to the Credential Office in person, mail or by fax (818) 677-5722 . You will not be able to receive verification of completion of your program (C-19) without this.

Acceptable Types of CPR Certification

<u>American Red Cross:</u>	Community CPR OR Infant/Child <u>and</u> Adult
<u>American Heart Association:</u>	B-Level or Heartsaver

Inquiries about the availability of the American Heart Association B-Level or Heartsaver course can be made at (877)242-4277. For information about American Red Cross Community CPR or Infant/Child and Adult CPR in the Los Angeles area please call (800)627-7000.

The CSUN Student Health Center offers American Red Cross Community CPR courses to CSUN students each month. Students must pre-register at the cashier window on the first floor of the Student Health Center. Register early in the semester as classes are limited in size and fill up quickly. For questions call (818) 677-3690.
