

**Year-One Goals for the Individual Induction Plan (IIP)
Single Subject Credential Program Completer**

The following goals for professional growth have been written by the individual program completer in consultation with CSUN program faculty. The goals reflect the competency level demonstrated on evaluations conducted during clinical practice. The evaluation document is conceptualized around the six domains and the 13 Teaching Performance Expectations defined by the Commission on Teacher Credentialing. The purpose of establishing these goals and selecting one or more to work toward during the first year of an induction program is to continue to advance the professional growth begun in the CSUN single subject credential program.
