Please Note:

- CADV Department Chair or Faculty Advisor must approve course substitutions.
- It is the student's responsibility to send official transcripts from other institutions to CSUN Admissions and Records.
- Students are responsible for reading and understanding the Academic Planner. See CADV advisor if you have questions about pre-requisites and/or university requirements for graduation.
- Apply for graduation at least one year prior to graduation. CADV faculty advisor signature is required on graduation application form. Make an appointment to obtain a signature on your application for graduation. Email nancy.petry@csun.edu for an appointment. Include your student ID#, days and times you are available, and phone where you may be reached.
