

## Summer 2009

# PHYSICAL THERAPY Group Advisement Sessions

Group advisement sessions will cover all aspects of the Master's in Physical Therapy Program at CSUN: prerequisites, admission criteria and processes, nature and duration of the program, and everything else you need to know. *Group Advisement Sessions are required before individual advisement sessions can be held with faculty.* You need not sign up – just show up!

**Sessions begin promptly** and last about an hour and a half, beginning with an advisement presentation. *If time permits*, individual questions will be addressed and a tour of our facilities will be conducted.
