

Read & Write for Windows Installation Instructions

Downloading

Log into myCSUNBox using your CSUN user ID and password

Look for Read & Write Gold and click on each item (a zip file and a PDF file)

Click on each file and download to your computer

The screenshot shows the CSUN myCSUNBox interface. At the top left is the CSUN logo. To its right is a search bar labeled "Search Files" with a magnifying glass icon. In the top right corner is a folder icon. Below the search bar is a breadcrumb trail: "Download > Read & Write Gold Take Home for ...". A row of action icons is visible: a download arrow, an envelope, a folder, a document, and a trash can. To the right of these are icons for a folder, a refresh/undo icon, and a checkmark. Below this are two file entries:

	Read & Write for Windows Install Instructions.pdf Updated Apr 22, 2016 by Patrice Wheeler 412.4 KB 📈 4	Share ... ✓
	Read & Write Take Home Windows.zip Updated Mar 8, 2016 by Patrice Wheeler 60.8 KB 📈 11	Share ... ✓

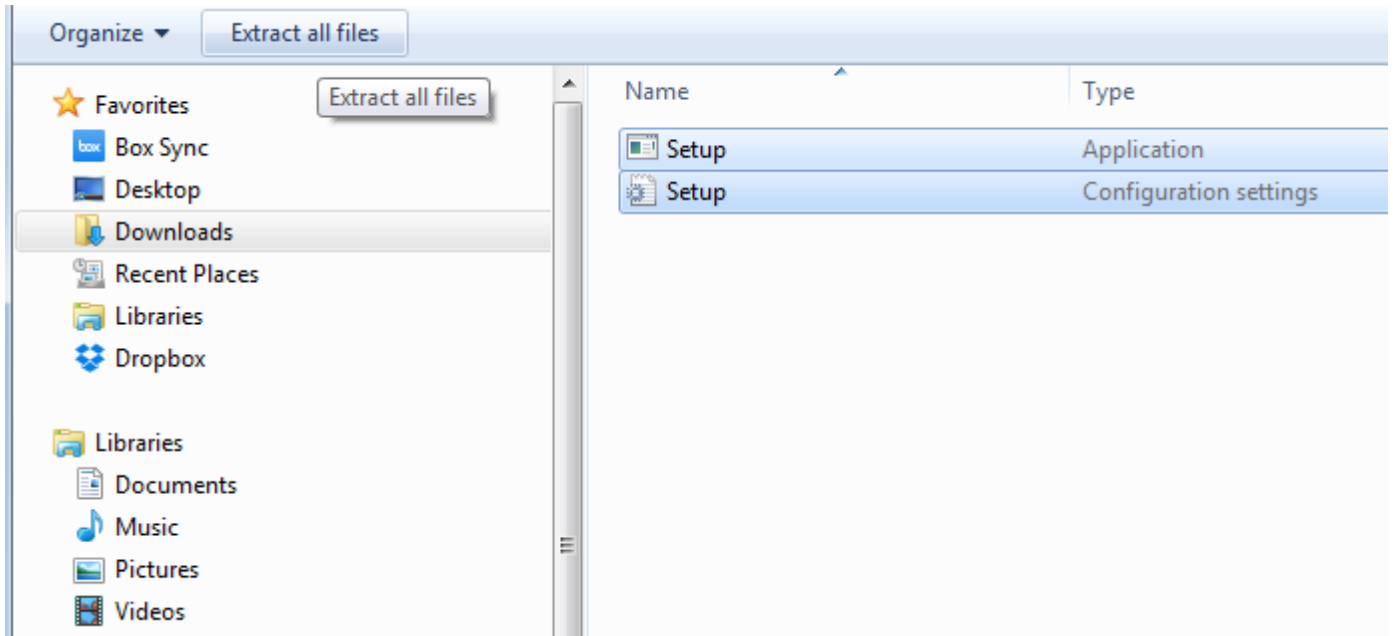

You will see a brief message letting you know the download has begun.

Extracting Files

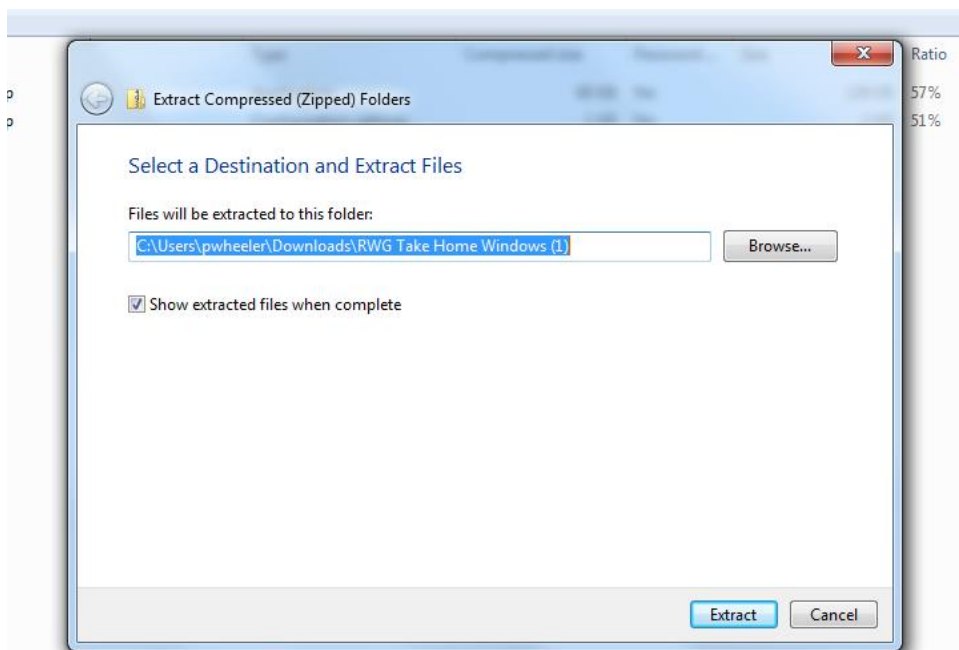

Go to your **Downloads** file folder

Select **Read & Write Take Home**

Select **Extract all files**

Make sure **"Show extracted files"** is checked

Installing Read & Write

The folder will open, click on the **Setup.exe** (purple puzzle piece)

Installation may take several minutes

Activating Read & Write

When you use Read & Write for the first time, you'll see this message

Do not enter an Activation Code

Click Activate & begin using your new software!
