Heaven

I think I'll go to Heaven.
There I will lay me down,
leave all the pain behind me;
Bury it in the ground.

Maybe they'll talk about me.
I pray it won't be lies.
Tell them I went to Heaven.
Heaven is in your eyes.

I think I'll go to Heaven.
I hear it's peaceful there.
They don't allow your troubles
'cause everyone's had their share.

When I can be someone who
never never need a disguise,
then I will be in Heaven.
Heaven is in your eyes.

People in Heaven never look back.
Higher and higher the past fades to black,
fades to black

I think I'll go to heaven,
sail on into the night,
watch as I set my soul free,
watch as my heart takes flight.

Maybe I am too simple,
maybe I am too wise.
Maybe I'll go to Heaven
Heaven is in your eyes.

Welcome

We are so glad you could join us to share
memories of our beloved advisor, mentor,
confidante, interpreter and friend Dale Dyal.
We can’t expect to do him justice in the short
time we have here tonight, but we hope the
sharing of our memories will bring a smile to
your face and a lasting memory of the man,
the legend, the incomparable.
Dale Dyal
