Moorpark College welcomes several new faculty members

Click ads below for larger version

Moorpark College welcomes the following new faculty members for the 2008-09 academic year.

- August Benassi, speech. Benassi has a master's degree in communications from Illinois State University. He has won numerous national awards in competition.
- Kahroline DiPassero, mathematics. DiPassero has a master's degree in pure mathematics and has been an adjunct faculty for the Ventura County Community College District.
- Jana Johnson, biology. Johnson has a PhD in biology and has been a contract biologist working on the endangered butterfly project at Moorpark College.
- Jeffrey Kreil, physical education. Kreil has a master's degree in exercise science from California University of Pennsylvania. He has been working in the fitness industry, developing curriculum for personal trainers.
- Erika Lizee, art. Lizee has a master's degree in art from Cal State Northridge and has been teaching at Moorpark College as an adjunct faculty member.
- Rachel Nuger, anthropology. Nuger has been teaching at Hunter College in New York. She has a PhD from City College of New York.
- Brendan Purdy, mathematics. Purdy has a PhD in mathematical behavioral science. He has been teaching in the School of Social Science at UCI and will run the
