Tony Tran, M.D., has joined the Family Medical Center in Valley Springs. Specializing in Family Medicine, Dr. Tran will be treating the adolescent through geriatric population for the full spectrum of primary care concerns. His special medical interests include diabetes, hypertension and community health. "My interests are a perfect fit for the rural community of Valley Springs" said Dr. Tran. "The lifestyle of the area and the medical needs of the population are inter-related. I am looking forward to managing these health care issues for our residents"

Dr. Tony Tran

Dr. Tran recently completed his family medicine residencies in St. Paul, Minnesota, and Hanford, California after receiving his Medical Degree from Ross University of Medicine. He earned his Bachelor

of Arts degree from California State University, Northridge. “We are very proud to have Dr. Tran on our medical staff” said Dr. Rodger Orman, Vice Chief of Staff. “He brings to the Valley Springs area new energy and specialties that will improve access for all West-Calaveras residents”.

Mark Twain St. Joseph’s Hospital is a not-for-profit, 48-bed general acute care hospital serving all of Calaveras County. Established in 1951 as Mark Twain District Hospital and centrally located in San Andreas, the hospital is partnered with Catholic Healthcare West to further strengthen this rural hospital to meet future community needs. The hospital is supported by 45 active physicians practicing in 24 specialties.
