## THE WORST KIND OF WAY: San Diego singer-songwriter Delaney Gibson to guest Monday on "Fill In The Blank" on SignOnRadio.com

San Diego alternative-folk-pop singer-songwriter [Delaney Gibson](#) will release her debut album in September, but you can get a mini-preview when she appears Monday at 11:30 a.m. on "[Fill In The Blank](#)," my weekly, one-hour live music interview show on [SignOnRadio.com](#).

A classically trained singer, Delaney has a Bachelor of Arts Degree from Cal State Northridge. Last year, she released her six-song EP, "[Cruel and Beautiful](#)" (the title of which may possibly have been inspired by one of my former girlfriends, but we won't go there). Delaney has toured with artists as varied as [Barbra Streisand](#) and [Andrea Bocelli](#), although her own music has a lot more bite than that of her past collaborators. Equally adept on piano and guitar, she was featured as -- surprise! -- a singer on an episode of TV's "[Boston Public](#)."

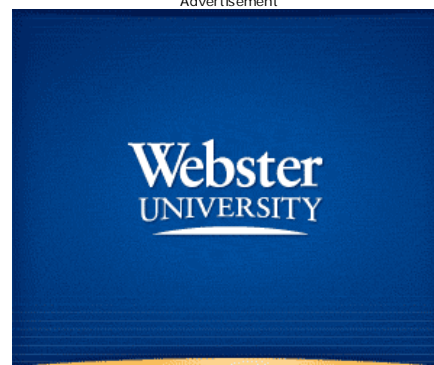

In addition to talking about her upcoming album, "[The Worst Kind of Way](#)," Delaney will [perform a song live](#). She'll also play and discuss some of her favorite recordings by everyone from

[Dolly Parton](#) and [Ryan Adams](#) to [Nina Simone](#) and [My Chemical Romance](#).

As always, you are welcome to phone in and comment or ask Delaney a question at our handy, toll-free phone number: **(866) 818-6384**.
