## **Basic Skills Policy**

(Approved April 11, 2012)

All four sections of GE Basic Skills coursework must be completed by students within their first 60 units. All first-time freshmen will have mandatory advisement starting with their initial enrollment at the University and continuing each semester until the completion of Basic Skills.

Coursework must be completed as follows:

Students will enroll in the appropriate writing and math courses as advised until they complete GE writing and math within the first four semesters or 60 units, whichever comes first. Students will enroll either simultaneously or within two consecutive semesters in GE oral communication and GE writing. Students will enroll in GE critical thinking after completing GE math (within their first 60 units).

1. Students will take the appropriate course in the GE Analytical Reading and Expository Writing (AREW) sequence during their first semester at CSUN. Students will continue to enroll in the appropriate GE AREW course until they have satisfied the GE AREW requirement.
2. Students will take either a GE math course or a developmental math course during their first semester at CSUN. Students will continue to enroll in a developmental or GE math course each semester until they have satisfied the GE math requirement.
3. Students will complete coursework in GE critical thinking after they complete GE math but still within their first 60 units.
4. Students will complete coursework in GE oral communication within their first 60 units.

# **Undergraduate Academic Internship Policy**

## **(Approved April 11, 2012)**

Internships that allow students to earn academic credit must meet credit hour and faculty workload standards (<http://www.csun.edu/epc/documents/Course%20Classification.pdf>) related to required hours and additional pedagogical and risk management standards required by the California State University and Cal State Northridge. Each College is responsible for maintaining data that will assure compliance with current academic standards, risk management and audit policies (<http://blogs.csun.edu/ugs/>).

### **I. Definitions**

- A. For the purposes of this policy Academic Internship refers to undergraduate academic internships.
- B. Academic Internships are one category of classes in which experience is the predominant teaching-learning mode and include applied and practical experiences that are linked to students' academic study and professional preparation. This faculty-approved and -facilitated experience shall normally be in organizations other than the academic departments offering the courses. These courses shall include significant involvement of students and faculty in planning, processing, and evaluating the learning resulting from these experiences. Normally, Academic Internship courses shall be at the upper division level.
- C. For the purpose of hours and unit requirement related to this policy, Academic Internships shall not include supervised student teaching, required work in credential pathways, or clinical experiences (the specific nomenclature of which is determined by the accrediting or licensing agency which regulates the profession). Programs excluded through this provision must comply with credit hour standards, risk management and audit policy.

### **II. Course Elements**

- A. Academic Internships shall include the following elements:
  - 1. Identified relationship to the academic discipline(s) offering the course.
  - 2. Screening or selection procedures for students seeking to enroll in these courses, which shall be designated as restricted.
  - 3. An orientation to experiential learning concepts.
  - 4. In addition to a syllabus, a written learning agreement or contract accepted by the student, faculty member and on-site supervisor describing the rules and regulations, activities, learning processes, and evaluation methods used in the course.
  - 5. At minimum, student performance shall be evaluated by the instructor at the middle and end of the semester. Input from the on-site supervisor is advisable.
  - 6. Students will be required to evaluate the quality of the field experiences.
  - 7. Facilitation of student learning by the CSUN instructor during the on-going experience.

8. Compliance with all risk management requirements.

III. Credit and Grading

- A. Academic credit shall be granted upon the faculty member's determination of student learning. This process for final determination of academic credit shall be defined in the learning agreement and may include contributions by the student and on-site supervisor.
- B. Normally, students' performances in Academic Internships shall be evaluated on a Credit/No Credit basis. For new courses, upon justification by the academic department and approval by Educational Policies Committee (EPC), a different basis of grading may be added.
- C. Academic Internship credit shall not be granted after the fact or for prior life experience.

IV. Internship Hours and Units (See I C for exemptions)

- A. 12 hours minimum of contact with CSUN faculty is required per course.
- B. 45 student hours per unit per semester is expected and may not be exceeded without approval of EPC.
- C. A maximum of three units of internship credit is normally permitted per semester.
- D. Normally, a student may count no more than 6 units of Academic Internship course credit toward an undergraduate major. However, upon justification by the department, EPC may allow up to a total of 12 units. A student may count no more than 12 units of Academic Internship course credit toward a baccalaureate degree.

V. Course Designation

Departments may not offer Academic Internships under a 499 designation as Independent Study. Departments seeking new internship courses for the first time should use the 494 designation, if available.

VI. Non-Discrimination

The University and the participating organizations shall adhere to all current CSUN and CSU non-discrimination policies.

VII. Date of Implementation

This policy will be included in the next edition of the CSUN University Catalog. However, this policy is effective immediately.

## **Online and Hybrid Courses Policy**

(Approved May 6, 2011, Revised October 4, 2011)

This policy defines and identifies online and hybrid courses. In recognition of the rapid pace of technological development and the increased interest across the CSU and state as it relates to online learning, the Academic Technology Committee shall review these definitions at three-year intervals for as long as the Senate Executive Committee deems that such reviews are needed. Descriptions of online and hybrid courses should be inserted in the university catalog as part of the course numbering systems and types of courses. Courses listed in the Schedule of Classes should carry appropriate tagging to identify the presentation format being utilized. Details of online and/or CSUN campus meetings should be available in the course notes for a class and in the syllabus.

### **Definitions:**

1. A Fully Online Class is an online course offering in which **all** class sessions and exams are presented in an online environment. If a course meets at a specified time online, the course should list the day of the week and time in the Schedule of Classes. Fully online courses have no on campus meetings.
2. A Campus Online Class is an online course offering in which **most** class sessions are presented in an online environment. Any face-to-face meetings are usually for activities such as orientation, special in-class presentations, exams, or other in-class proofs of competency.
3. A Hybrid Class is a course offering in which students attend class sessions on campus and in an online environment. The class typically meets **approximately** half online and half on campus.
4. A Traditional Class is a course offering in which **all or most** of the class sessions take place on the CSUN campus. Most CSUN courses make use of some web-based tools to supplement or enhance a course, so even a traditional class may include online components and activities (e.g., view a syllabus, take quizzes/exams, participate in discussions).

## **Upper Division Writing Proficiency Exam Policy**

(Approved December 15, 2010)

The University has implemented the CSU Trustee Policy for the Writing Skills Graduation Requirement for all Upper-Division students. All students must pass the Upper Division Writing Proficiency Examination (UDWPE) as a requirement for graduation.

1. Undergraduate students are encouraged to attempt the UDWPE as early as possible after completing 56 units and meeting the Lower Division writing requirement. Students must take the UDWPE no later than the semester in which 75 units are completed. Students who have not taken the UDWPE by the completion of 75 units will have a registration hold placed on their subsequent registration.
2. The UDWPE shall consist of an essay on an assigned topic evaluated by the faculty.
3. The evaluation criteria shall include: 1) a demonstration of analytic skills, (2) use of relevant evidence to support an argument, (3) effective organization, (4) use of standard English grammar, diction and mechanics.
4. Transfer students are encouraged to take the UDWPE as early as possible after being admitted for transfer. Transfer students must attempt the examination no later than the semester in which 75 units are completed. Transfer students coming into the university with 75 units already completed must attempt the examination during their first semester at CSUN.
5. Students who fail the exam shall be permitted to repeat the examination. However, before repeating the exam, it is recommended that students take further steps to improve their writing skills by contacting the Learning Resource Center or completing an appropriate writing course.
6. Administrations of the examination will be announced on CSUN's UDWPE and Testing Center websites.
7. The examination will be scheduled at least five times within an academic year.
8. Students may register for the exam at University Cash Services.

According to CSU policy, certification of graduation writing competence shall be transferable from one CSU campus to another.

## **Major and Minor Policy** (Approved May 25, 2010)

### **Maximum Number of Majors and Minors:**

A maximum of up to two majors and up to two minors is permitted, provided all work can be completed within 140 units. A major and an honors major in the same program are considered to be a single major. Exceptions to the 140-unit completion rule can be made for CSUN bachelor's degrees that require more than 120 units to complete. Students who receive an exception must be able to complete the second major and any additional minors within 20 units beyond the number of units required for the bachelor's degree in their first major.

### **Declaring a Major:**

Students who start at CSUN must declare a major by the completion of 60 units. Students who are currently Undecided or Undeclared and wish to declare a major must have the major approved by the department chair of the new major. Transfer students must declare a major in their transfer application. Students who have earned 60 units and have not declared a major will have a registration hold placed on their ability to register for the following semester's courses. These students will not be able to register for courses until they declare a major. Note: Courses numbered below the 100 level do not count toward the 60 units. Advanced Placement (high school) units do count toward the 60 units.

### **Adding a Second Major:**

Students can add a second major (double major) only if they can complete both majors within 140 units. Students may not add a second major after completing the requirements for their first major. Student requests to add a second major must be approved by the Department chairs of the existing major and the second major. If the student seeking to add a major has 90 or more earned units, the request also must be approved by the associate dean of the new major. All requests to add a second major must be accompanied by a plan demonstrating that the additional major can be completed within 140 units. When a student completes two majors, both majors will be recorded on the diploma. Courses taken to satisfy the requirements for one major may be double counted if they satisfy requirements in the second major.

### **Changing Major or Option:**

Students seeking to change majors /options must be able to complete the new major/option within 140 units. Student requests to change a major/option must be approved by the Department chair of the new major/option. If the student has 90 or more earned units, the request also must be approved by the associate dean of the new major/option. Requests to change majors or options must be accompanied by a plan demonstrating that the new major/option can be completed within 140 units.

### **Adding a Minor:**

Students can add a minor only if they can complete both their major and the minor within 140 units. Student requests to add a minor must be approved by the Department chair of the new minor. If the student has 90 or more earned units, the request also must be approved by the associate dean of the new minor. Requests to add a minor must be accompanied by a plan demonstrating that the minor can be completed within 140 units.

### **Changing a Minor:**

Students may drop their current minor at any time. They may add a new minor as long as they satisfy the policies and procedures for adding a new minor.

### **Earning a Major and Minor or More than One Minor from the Same Department:**

Students may earn a major and a minor from the same department, or more than one minor if the major and minor(s) are associated with different academic degree programs. Note that different options in the same degree program are not considered different academic degree programs for this policy.

**Transfer Units:**

When computing the earned unit limits on adding majors and minors, a maximum of 70 community college transfer earned units or a maximum of 90 four-year college/community college combination transfer earned units will be counted.

**Appeals Process:**

Students who wish to appeal this policy or a related decision can apply to a Majors/Minors Appeals Board composed of an associate dean, a representative of Undergraduate Studies, the AS President or designee, and two faculty members selected by the Faculty President. For example, students who cannot complete their current major because of an inability to complete/pass a requirement may file a request with the Majors/Minors Appeals Board to change majors even though they may need to exceed the 140-unit limit to complete their new major.

**Summary of approvals needed for adding or changing majors, minors and options.**

	<b>Student has &lt; 90 earned units</b>	<b>Student has <math>\geq</math> 90 earned units</b>

<b>Dropping a minor</b>	<b>No approval required.</b>	<b>No approval required.</b>

**Implementation:**

EPC shall report to the Faculty Senate twice per semester during the 2010-2011 academic year on the impacts of this policy.

## **Administrative Graduation Policy**

(Approved May 25, 2010)

Upon review by the Office of Undergraduate Studies, students who accumulate over 140 earned units may be graduated administratively if they have completed all of the degree requirements in any major, whether or not they have declared that major. Enrollment beyond the 140 units will be restricted to courses required to graduate in the major for which the student has accomplished the highest percentage of requirements. The decision on administrative graduation will be made in consultation with the Associate Dean, Department Chair or designee, and the student.

### **Implementation:**

The policy would affect all students, current and new, beginning in Fall 2010.

# Undergraduate Programs, Policies, and Procedures

## Academic Advisement

Academic advising assists students in forming intentional partnerships that connect their needs, values, abilities and goals to CSUN's educational program. Academic advising is an on-going relationship and a collaborative process that will help students identify and reach their academic objectives through investigation and use of a wide variety of campus resources. Academic advising is the shared responsibility of faculty, staff and students. It incorporates the continuum of teaching and learning moments that both stimulate and support students in their quest for an enriched quality of life. These interactions assist students in realizing their academic and professional goals and facilitate timely graduation.

## Academic Standing

Academic standing is defined by the student's GPA. The GPA is calculated by dividing the number of grade points earned in courses that assign letter grades by the number of units attempted. Courses in which grades of CR, NC, I and W are assigned are not used in GPA calculation. A student's academic status takes into account both the cumulative total GPA, which includes course work transferred from other institutions as well as course work taken at CSUN, and the CSUN GPA, which includes only course work taken at CSUN.

The four categories of undergraduate academic status and the regulations pertaining to each are listed below:

- 1. Good Standing:** Students are in good standing at the conclusion of any matriculated term in which they have both a cumulative total GPA and a CSUN GPA of 2.0 or higher. Students in good standing are eligible to enroll in the University through the regular enrollment process. Students can enroll in the maximum number of units determined by the University for the coming semester. To request enrollment in more than the maximum units, students must complete the Extra Unit Authorization form and obtain the appropriate approvals according to the timeline published at [www.csun.edu/anr/soc/academicpolicies.html](http://www.csun.edu/anr/soc/academicpolicies.html).
- 2. Probation:** Students are placed on probation if either their cumulative total GPA or CSUN GPA falls below 2.0 at the conclusion of any term. Students remain on probation until they either regain good standing or are placed in disqualified status. Students on probation are eligible to enroll in the University through the regular enrollment process. However, they receive registration holds and are not able to register for classes until they have received advisement to review progress toward improving academic status. Declared majors on probation will typically receive advisement from the Student Services Center/EOP (SSC/EOP) Satellite in their College. Undecided students will receive advisement in the Advising Resource Center/EOP (ARC/EOP). Students on probation can enroll in a maximum of 13 units in a semester or summer term. To request more than 13 units, students must complete the Extra Unit Authorization form and obtain the signatures of the Director of their College SSC/EOP Satellite and the Director of Undergraduate Studies. Students on probation will be disqualified if either their cumulative total GPA or CSUN GPA falls below the GPA listed for each class level in the chart below under "disqualified status."

- 3. Disqualified Status:** Students who were on probation the previous semester are placed in disqualified status if, at the end of the next semester, either their cumulative total GPA or CSUN GPA falls below the floor listed for each class level in the table below:

Class Level	GPA at the Time of Disqualification
Freshman (1-29 units)	1.50

Sophomore (30-59 units) 1.70

Junior (60-89 units) 1.85

Senior (90-plus units) 1.95

Units of developmental course work are included in determining class level. Students in disqualified status are not eligible to enroll in the University through the regular enrollment process. They can enroll in CSUN courses only through Open University in the Tseng College. Students seeking to enroll in courses should refer to the Tseng College website at <http://tsengcollege.csun.edu/>. Only 24 units of course credit earned in the Tseng College can be counted toward a CSUN Degree. The 24-unit limit includes courses completed in Fall, Winter, Spring and Summer sessions through Tseng College.

Before students in disqualified status can be readmitted under an Academic Performance Agreement (APA), they must demonstrate acquired skills or achievements that support a successful return to the University. Such evidence may include successful completion of courses in the student's Degree Program at another institution or through the Tseng College with grades that demonstrate the student can achieve good standing in a reasonable time frame if readmitted to CSUN. Students are strongly urged to meet with their CSUN academic advisor to discuss the requirements that must be completed in order to be readmitted to the University. When all requirements have been met, students may apply to the University for readmission.

### 4. Readmitted Under Academic Performance Agreement (APA):

Students who have been academically disqualified, but who are readmitted to the University under terms of probation, are classified as readmitted under an APA. Students who are readmitted under an APA have registration holds and are not able to register for classes until they have received advisement. During advisement, the student and advisor examine the student's progress toward improving academic status and set goals for the next semester. Declared majors typically receive advisement from the SSC/EOP Satellite in their College. Undecided students receive advisement in the ARC/EOP. Students who are readmitted under APA can enroll in a maximum of 13 units in a semester or Summer term. To request additional units, students must complete the Extra Unit Authorization form and obtain the signatures of the Director of their College SSC/EOP Satellite or ARC/EOP for Undecided or Undeclared majors and the Director of Undergraduate Studies.

Students in this status, whether they have 1 or 2 disqualifications, must fulfill all of the following requirements until they reach good standing: 1) earn a minimum 2.0 semester GPA; 2) enroll in classes each semester; and 3) have in place a signed APA that details the academic progress that must be achieved to move the student toward completion of the Baccalaureate Degree within a designated time period.

Students who are readmitted under an APA, but who fail to maintain continuous enrollment in classes each semester or who fail to achieve a 2.0 semester GPA, revert back to disqualified status. They must reapply and be readmitted to the University as a previously disqualified student in order to be eligible to enroll in classes through the regular enrollment process. See section below titled Readmission of Previously Disqualified Students.

Academic disqualification is a permanent notation in a student's academic record and has serious consequences that can impact attainment of a Baccalaureate Degree. The consequences of academic disqualification depend upon whether it is the first, second or third disqualification that the student receives.

## Categories of Disqualification

**First Disqualification:** Any student whose cumulative GPA is below a 1.0 will be disqualified immediately without first being placed on probation. In addition, students who were on probation the previous semester are placed in disqualified status if at the end of the next semester either their cumulative total or CSUN GPA falls below the GPA listed for each class level (See Table under Academic Standing item 3. "Disqualified Status"). Students who receive a first disqualification will not be eligible to enroll at CSUN through the regular enrollment process for at least 1 semester. They will need to apply for readmission as a previously disqualified student by posted deadlines. Disqualified students can enroll in Open University through CSUN's Tseng College for up to 24 units (including Fall, Winter, Spring and Summer courses), or can take transferable courses at other institutions. In order to gain readmission, students will be expected to demonstrate ability to succeed in university-level classes. For admission deadlines, see [www.csun.edu/anr/AdmissionStatus.html](http://www.csun.edu/anr/AdmissionStatus.html).

**Second Disqualification:** Students who receive a second disqualification are not permitted to continue to enroll in CSUN courses through the regular enrollment process for at least 1 semester. An application for readmission as a previously disqualified student by posted deadlines is required. Students disqualified for a second time can enroll in Open University through CSUN's Tseng College for up to 24 units (including Fall, Winter, Spring and Summer courses) or can take transferable courses at other institutions. In order to gain readmission, students will be expected to demonstrate ability to succeed in university-level classes. Readmitted students are subject to all of the regulations described above in the section titled "Readmitted Under APA." Students who fail to earn a minimum 2.0 semester GPA will receive a third disqualification. For admission deadlines, see [www.csun.edu/anr/AdmissionStatus.html](http://www.csun.edu/anr/AdmissionStatus.html).

**Third Disqualification:** Students who receive a third disqualification are not eligible to seek readmission to the University for a minimum of 5 years after the final day of the semester during which they received the third disqualification. Students who have been disqualified 3 times may not retake classes or finish an Incomplete contract for the purpose of raising grades to avoid a third disqualification.

## Readmission of Previously Disqualified Students

Students in disqualified status who are interested in returning to the University for a subsequent semester must reapply to the University.

Students in disqualified status seeking readmission must submit: (1) a formal application for readmission through CSU Mentor ([www.csumentor.edu](http://www.csumentor.edu)); (2) official transcripts of course(s) completed at another college or university during the period in which the student has been in disqualified status; and (3) a Previously Disqualified Student Questionnaire. These documents must be filed in the Office of Admissions and Records by the published deadline before campus review can begin. For admission deadlines, see [www.csun.edu/anr/AdmissionStatus.html](http://www.csun.edu/anr/AdmissionStatus.html).

## Academic Reinstatement to the University after a Third Disqualification

Five years from the final day of the semester during which the student received a third disqualification, the student may reapply to the University during the appropriate application filing period. The student must provide evidence that demonstrates acquired skills or achievements that support a successful return to the University. Reinstated students are readmitted under an APA and are subject to all of the regulations that apply to students in this status. Students who fail to earn a minimum 2.0 semester GPA will receive a final disqualification and will be given no further opportunities for readmission. For admission deadlines, see [www.csun.edu/anr/AdmissionStatus.html](http://www.csun.edu/anr/AdmissionStatus.html).

## Schedule Adjustments

Students are permitted to change their initial enrollment by following the University's Adjustment of Schedule procedure. Ordinarily, during the first 3 weeks of a semester a student may add, drop or change the basis of grading online in myNorthridge and SOLAR, using permission numbers or later by filing a Late Change in Academic Schedule for Undergraduate Students form. For additional details concerning required approvals and forms, as well as deadlines, consult the current Schedule of Classes Registration Guide at [www.csun.edu/anr/soc/adjsched.html](http://www.csun.edu/anr/soc/adjsched.html) or contact Admissions and Records.

**Adding:** The last day to add a class is the end of the third week of instruction. During the first three weeks of instruction, students may add classes online with the approval of the course instructor using a permission number.

**Dropping:** Students are responsible for attending all courses in which they are registered. During the first 2 weeks of instruction, students may drop courses online without academic penalty and without the course instructor's approval. Non-attendance does not constitute withdrawal and will result in a failing grade.

**Changing the Basis of Grading:** Changing the basis of grading from regular letter grading to Credit/No Credit or conversely may be accomplished through myNorthridge and SOLAR only during the first 3 weeks of instruction.

**Late Requests for Change in Academic Schedule:** To add or drop classes after the third week of instruction, students must complete the 4th Week Change of Schedule Request. After the fourth week of instruction, students must complete a Late Change in Academic Schedule for Undergraduate Students form to make any changes to their course enrollment. Students can obtain forms and procedural information at the Office of Admissions and Records online at [www.csun.edu/anr/soc/adjsched.html](http://www.csun.edu/anr/soc/adjsched.html).

All late requests for Changes in Academic Schedule must be filed during the semester in which classes are taken. Late changes in academic schedule that have been previously denied will not be reconsidered as retroactive requests after the semester is over.

## Simultaneous Enrollment in Classes

Students may not enroll simultaneously in 2 or more classes meeting during the same time period. Exceptions to this policy will be permitted only if one of the classes does not meet on a regular basis, such as an independent study or internship that permits independent lab work. Students who meet the acceptable criteria must submit a completed Time Conflict Petition form (see [www.csun.edu/anr/forms/](http://www.csun.edu/anr/forms/)) to Admissions and Records no later than Friday of the third week of classes. Petitions will not be considered after the deadline.

## Withdrawals

Students who find it necessary to cancel their registration or to withdraw from all classes after enrolling for any academic term are required to follow the University's official withdrawal procedures. Failure to follow formal University procedures may result in an obligation to pay fees as well as the assignment of failing grades in all courses. Information on canceling registration and withdrawal procedures is available in the Schedule of Classes Registration Guide at [www.csun.edu/anr/soc/academicpolicies.html](http://www.csun.edu/anr/soc/academicpolicies.html) or from Admissions and Records.

Undergraduate students may withdraw from no more than 18 semester units of CSUN courses. This 18 semester unit limit does not apply to the first 20 days of each semester when withdrawals from courses are permitted without academic restriction or penalty. Medical withdrawals, whether partial or complete, do not count toward the maximum 18 units. The maximum of 18 semester units applies only to units completed at CSUN and includes all Baccalaureate-level CSUN

courses, whether the student is matriculated or enrolled through self-support, such as Tseng College Extended Learning.

Students who receive financial aid funds must consult with the Financial Aid and Scholarships Department prior to withdrawing from the University regarding any required return or repayment of grant or loan assistance received for that academic term or payment period. If a recipient of student financial aid funds withdraws from the institution during an academic term or a payment period, the amount of grant or loan assistance received may be subject to return and/or repayment provisions.

Reducing the number of enrolled units also may affect your eligibility for campus housing, international student status, financial aid and more. Before adjusting your schedule, consult the appropriate offices as described in Information Regarding Change in Program or Schedule at <http://blogs.csun.edu/ugs/academic-program-changes/>.

**Withdrawals During the First 20 Days of Instruction:** Students wishing to completely withdraw from the University prior to or during the first 20 days of instruction may do so without academic penalty. Students who officially withdraw after classes begin will owe a prorated tuition-fee amount. Any charges or refund amounts will display in student SOLAR accounts approximately 4 to 6 weeks after classes begin. For more information, see <http://www-admn.csun.edu/ucs/> or contact University Cash Services. New and returning students who completely withdraw from the University prior to the 20th day of instruction are not considered continuing students and must reapply to attend any subsequent semester. Those students who are continuing from the previous semester will automatically be placed on a Leave of Absence if they meet the criteria. (See Leave of Absence under Categories of Enrollment for more information.)

**Withdrawals After the 20th day of Instruction:** Students who must withdraw after the 20th day of instruction and prior to the last 3 weeks of instruction for reasons clearly beyond their control, and who can justify serious and compelling circumstances, may withdraw without academic penalty by securing the approval of the instructor and the appropriate campus officials. For further information, see [www.csun.edu/anr/soc/adsched.html](http://www.csun.edu/anr/soc/adsched.html). If approved, the grade of "W" will be assigned for withdrawals after the 20th day of instruction. Students completely withdrawing after the 20th day of instruction will be considered continuing students for the next semester. Under no circumstances does nonattendance nor the stopping of payment of a check constitute a withdrawal from the University.

**Withdrawals During and After the Last 3 Weeks of the Semester:** Withdrawals are not permitted during the final 3 weeks of instruction or thereafter except in cases such as accident or serious illness where the cause of the withdrawal is clearly beyond the student's control and the assignment of an Incomplete grade is not practical. Ordinarily, it is expected that withdrawals during this period will be complete withdrawals from the University except in circumstances where sufficient work has been completed in 1 or more of the courses to permit an evaluation of course work and an assignment of a grade.

Students may obtain forms and procedural information at [www.csun.edu/anr/soc/adsched.html](http://www.csun.edu/anr/soc/adsched.html) or the Office of Admissions and Records.

Medical withdrawals will not be granted if the student has taken final exams. Petitions requesting retroactive withdrawals beyond 1 year after the conclusion of the semester for which the withdrawal is requested will not be considered.

In cases where medical evidence and the physical demands of a class overwhelmingly support withdrawal from only a portion of a student's program of study, partial medical withdrawals will be permitted when there is a clear link between the class and the medical condition. Requests solely seeking a reduced course load without specific and focused medical justification do not demonstrate the required link.

In cases of severe illness, students are advised to provide written permission for a representative or, if mentally incapacitated, a student's legal representative to request a withdrawal on their behalf. Petitions requesting retroactive withdrawals beyond 1 year of the conclusion of the semester for which the withdrawal is requested will not be considered.

#### Academic Leave (Leave of Absence)

Undergraduate students in good standing may take a 2-semester leave of absence. Though no formal approval is required, it is suggested that students seek academic advisement. For more information, see section A-3 in Appendices.

#### Enrolling in Courses with Prerequisites

Students must fulfill a course's prerequisite(s) prior to enrollment in the course. For further information, see "Course Requisites" in the Catalog or go to the Schedule of Class Registration Guide at [www.csun.edu/anr/soc/gethelp.html](http://www.csun.edu/anr/soc/gethelp.html).

#### Administrative Action on Prerequisites

Although it is the student's responsibility to drop classes, the University may withdraw a student within the first 3 weeks from a course if he or she fails to meet the prerequisite(s) or other requirements as indicated in the Catalog. These prerequisites may include:

1. Completion of prior course work.
2. Passing of qualifying examinations.
3. Class year standing.
4. Admission to or special requirements of special programs, such as Honors or Credential.
5. Completion of prior course work with a required minimum credit.
6. Consent of instructor.

Such an Administrative Withdrawal may be initiated only by the Associate Dean of the College, upon recommendation from the instructor or the Department Chair.

#### Syllabi for all Undergraduate Courses

To better inform students about the requirements, content and methodology of the University's undergraduate curricula, all faculty teaching undergraduate courses will distribute a written syllabus to each student in the course and/or post it online no later than the second week of classes. The syllabus should contain the following information:

1. Course objective(s).
2. A brief list or summary of topics or projects covered.
3. Course requirements and methods of evaluation.
4. Grading criteria, including whether or not the plus/minus system will be used.
5. Contact information (instructor's name, office hours, office location and campus phone number).
6. For a General Education course, the syllabus should describe how it meets the currently approved goals of the General Education section in which it resides.
7. For an Upper Division General Education course, the syllabus should include a statement that informs students that the course is an Upper Division General Education course and that it requires completion of writing assignments totaling a minimum of 2,500 words.

### Attendance (Class Attendance)

Students are expected to attend all class meetings. Students who are absent from the first 2 meetings of a class that meets more than once a week or from the first meeting of a class that meets once a week lose the right to remain on the class roll and must formally withdraw from the class, following University procedures and deadlines. Failure to formally withdraw from a class will result in the instructor assigning to the student a grade of "WU" (Unauthorized Withdrawal), which, in computing a student's GPA, counts as a grade of "F."

In a compressed term or session of fewer than 15 weeks, the rule applies if the first class meeting is missed. An instructor may allow a student to continue in the class if the student notified the instructor that the absence would be temporary. If no instructor was assigned to the course in advance, students must notify the Department Chair that their absence from the class will be temporary.

### Missed Classes While Representing the University in Official Curriculum-Related, University-Approved Activities

When representing the University in official curriculum-related, University-approved activities requires a student to miss classes, faculty are expected to provide, within reason, opportunity to make up any work or exams that are missed.

To be eligible for such accommodation, the student is obligated to provide the instructor of the class with written documentation signed by the faculty, staff member or administrator supervising the activity, giving specific information concerning the activity, its location and the dates and times when class attendance is not possible. This documentation must be submitted to the instructor during the first week of the semester or as soon as the information becomes known. Instructors may set limits on the number of classes that may be missed for which special accommodation to make up missed work will be allowed. The process for making up missed class work is the prerogative of the instructor and shall be communicated to the affected students during the first week of classes or as soon as the need for accommodation becomes known.

For the purposes of this policy, if a question arises as to which events meet the definition of official curriculum-related, University-approved activities, the determination shall be made by the Associate Vice President for Undergraduate Studies.

Absence from class for official curriculum-related, University-approved activities does not relieve students from responsibility for any part of the course work required during the period of absence.

University sponsors of these activities have an obligation to respect the importance of regular class attendance for successful academic performance and to minimize the number of such absences. Instructional faculty have an obligation to respect the importance of such student participation and to assist student participants in meeting their academic obligations.

### Grading Systems and Policies

The University uses a combination of the following grading options: A-F letter grading; A, A-, B+, B, B-, C+, C, C-, D+, D, D- and F. Grades A, A-, B+, B, B-, C+, C, C-, D+, D, D- indicate passing grades; F indicates failure. Faculty define the grading criteria for all courses. Any changes in grading policies should be provided in writing to students before such changes are implemented.

### Credit/No Credit Grading

A grade of CR, indicating passed with credit, is given for work equivalent to C or better for undergraduate students and for work equivalent to B or better for post-Baccalaureate and graduate students. NC, indicating no credit, is given for work equivalent to C-, D+, D, D- or F for undergraduate students and for work equivalent to B-, C+, C, C-, D+, D, D- or F for post-Baccalaureate and graduate students.

Restrictions concerning the nontraditional grading option given undergraduate students can be found under the Credit/No Credit Policy that follows. Post-baccalaureate and graduate students should refer to the Grading System discussion under the Graduate Programs section for further information regarding grading options.

**Credit/No Credit Policy:** Undergraduate students who are not on probation may elect the Credit/No Credit (CR/NC) option for 1 or more courses each term, up to a maximum of 18 units applicable to the Bachelor's Degree. If 18 or more semester credit-graded units are accepted on transfer from other institutions, no additional credit-graded CSUN courses may be used to satisfy Degree requirements. The CR or NC grade will not be considered in the computation of the student's GPA. Courses taken on a CR/NC basis cannot be applied toward the satisfaction of any of the following Degree requirements:

- General Education.
- Title 5.
- The Major, except those courses offered on a CR/NC basis only, subject to Departmental approval. (Note: Additional courses in the discipline of the major beyond those used to satisfy major requirements may not be taken for CR/NC).
- The Minor, except those courses offered on a CR/NC basis only, subject to Departmental approval.

## Grading Symbols, Policies and Assistance

### Administrative Grading Symbols

**Incomplete (I):** The symbol "I" indicates that a portion of required course work has not been completed and evaluated in the prescribed time period due to unforeseen but fully justified reasons, and that a substantial portion of the course requirement has been completed with a passing grade and that there is still a possibility of earning credit. The work that is incomplete normally should be of such a nature that can be completed independently by the student for later evaluation by the instructor. An Incomplete shall not be assigned when a student would be required to attend a major portion of the class when it is next offered.

It is the responsibility of the student to bring pertinent information to the attention of the instructor and to determine from the instructor the remaining course requirements that must be satisfied to remove the Incomplete. A final grade is assigned when the agreed-upon work has been completed and evaluated. An "I" must normally be made up within 1 calendar year immediately following the end of the term during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment.

Students who believe they meet the necessary conditions to be assigned an Incomplete should secure a Request for a Grade of Incomplete form at [www.csun.edu/anr/forms](http://www.csun.edu/anr/forms).

Students should complete the form and submit it in person to the course instructor on or before the day of the final exam. The instructor should check all appropriate boxes in the Instructor Information section of the form and complete the information that describes the assignment(s) to be completed and the due date. If students fail to submit the request by this deadline, they should receive the grade that they have earned for the entire course, including work completed and penalties for work not completed. No retroactive Incomplete grades are permitted. If the request for an Incomplete is granted, the instructor will assign a grade of Incomplete on the SOLAR class grade roster and add an Incomplete contract.

When the required work is completed, the instructor will fill out a Correction of Grade or Removal of Incomplete form and submit it to the Department office.

**Incomplete Charged (IC):** If the Correction of Grade or Removal of Incomplete form is not submitted by the due date, Admissions and Records will automatically change the Incomplete (I) to an Incomplete Charged (IC), which is equivalent to an F. The IC replaces the I and is counted as a failing grade for GPA and progress point computation.

**Report in Progress (RP):** This grade replaces the SP. The RP symbol shall be used in connection with thesis, project and similar courses in which assigned work frequently extends beyond a single academic term and may include enrollment in more than 1 term. The RP symbol shall be replaced with the appropriate final grade within 1 year of its assignment, except for Master's Thesis enrollment, in which case the time limit will be established by the appropriate campus authority. The President or designee may authorize extension of established time limits.

**Satisfactory Progress (SP):** The symbol SP is used in connection with thesis, project, developmental and similar courses where assigned work frequently extends beyond a single academic term. It indicates that work is in progress and has been evaluated and found to be satisfactory to date, but that the assignment of a precise grade must await completion of additional work. Enrollment for more units of credit than the total number of units that can be applied to the fulfillment of the student's educational objective is expressly prohibited. Work is to be completed within a stipulated time period.

**Withdrawal (W):** The symbol W indicates that the student was permitted to drop the course after the 20<sup>th</sup> day of instruction with the

approval of the instructor and appropriate campus officials. It carries no connotation of quality of student performance and is not used in the calculation of GPA. (See Change of Program under the Schedule Adjustments section for more information.) Change of Schedule Request Forms are available at [www.csun.edu/anr/forms](http://www.csun.edu/anr/forms).

**Withdrawal Unauthorized (WU):** For purposes of GPA computation, the WU grade is equivalent to an F. The symbol WU indicates that an enrolled student did not officially withdraw from the course and failed to complete course requirements. If a student has stopped attending class without formally withdrawing, an F or WU should be given. For a Credit/No Credit class, the appropriate grade is NC.

**Credit (CR)** is assigned for work equivalent to A, A-, B+, B, B-, C+ or C for undergraduate courses, and to A, A-, B+ or B for post-Baccalaureate and graduate courses. CR grades are not included in the calculation of GPA. (GE and Title 5 courses may not be taken for CR/NC. They must be taken for a grade.)

**No Credit (NC)** is assigned for work equivalent to C-, D+, D, D- or F for undergraduate courses, and to B-, C+, C, C-, D+, D, D- or F for post-Baccalaureate and graduate courses. NC grades are not included in the calculation of GPA. (GE and Title 5 courses may not be taken for CR/NC. They must be taken for a grade.)

### Repeating Courses (Grade Forgiveness)

The University recognizes that undergraduate students may need to repeat 1 or more courses in order to fulfill Degree requirements and/or enhance previously acquired skills. However, students should seek academic advisement before deciding to repeat any course. Students should be aware that other institutions (e.g., medical schools, graduate programs, law schools) might not recognize this repeat policy and will use the forgiven grades in recalculating GPAs. The following rules apply:

1. A maximum of 16 semester units of CSUN course work in which a student earned less than a C grade may be repeated for the purpose of excluding grades (grade forgiveness) from the computation of the student's overall GPA. Only the first 16 semester units are eligible for grade forgiveness.
2. An additional 12 semester units of course work may be repeated for grade averaging—both the original grade and the repeat(s) will be calculated into the student's total GPA.
3. Students cannot improve grades of courses taken at CSUN by repeating them at another institution. Students cannot improve grades of courses taken at another institution by repeating them at CSUN.
4. The stated limits (16 units for grade forgiveness and 12 units for grade averaging) apply only to units completed at CSUN. The limits apply to all courses taken at CSUN, whether a student is matriculated or enrolled through self-support, such as Extended Learning.
5. Registration in repeated courses may be limited to certain registration periods. Check the Schedule of Classes Registration Guide website for the allowed dates at [www.csun.edu/anr/soc/academicpolicies.html](http://www.csun.edu/anr/soc/academicpolicies.html).
6. Undergraduate students may take an individual course no more than 3 times. Only 1 repeat per course is permitted for improving the grade, with the higher of the 2 grades counted in the student's GPA. If a student enrolls in a course for a third time, the units attempted and any grade points earned will be averaged with all other grades earned for the course (except ones that were awarded grade forgiveness). On the third enrollment in a course, permission of the Associate Dean of the College of the student's major (or the Director of Undergraduate Studies if the student is Undecided) is necessary.
7. Subsequent enrollment must be on the same basis of grading as the first.
8. Grade forgiveness is not permitted for courses for which the original grade was the result of a finding of academic dishonesty.

9. This policy does not pertain to repeats in such courses as music ensembles and independent study where the curriculum allows, permits or requires repeats.
10. This policy applies only to Baccalaureate units, i.e., those that count toward the Degree.

## Majors and Minors

### Maximum Number of Majors and Minors

A maximum of up to 2 majors and up to 2 minors is permitted, provided all work can be completed within 140 units. A major and an honors major in the same program are considered to be a single major. Exceptions to the 140-unit completion rule can be made for CSUN Bachelor's Degrees that require more than 120 units to complete. Students who receive an exception must be able to complete the second major and any additional minors within 20 units beyond the number of units required for the Bachelor's Degree in their first major. See table below for procedures related to majors, minors and options.

### Declaring a Major

Students who start at CSUN must declare a major by the completion of 60 units. Students who are currently Undecided or Undeclared and wish to declare a major must have the major approved by the Department Chair of the new major. Transfer students must declare a major in their transfer application. Students who have earned 60 units and have not declared a major will have a registration hold placed on their ability to register for the following semester's courses. These students will not be able to register for courses until they declare a major.

*Note: Courses numbered below the 100-level do not count toward the 60 units. Advanced Placement (high school) units do count toward the 60 units.*

### Adding a Second Major

Students can add a second major (double major) only if they can complete both majors within 140 units. Students may not add a second major after completing the requirements for their first major. Student requests to add a second major must be approved by the Department Chairs of the existing major and the second major. If the student seeking to add a major has 90 or more earned units, the request also must be approved by the Associate Dean of the new major. All requests to add a second major must be accompanied by a plan demonstrating that the additional major can be completed within 140 units. When a student completes 2 majors, both majors will be recorded on the diploma. Courses taken to satisfy the requirements for 1 major may be double counted if they satisfy requirements in the second major.

## Changing Major or Option

Students seeking to change majors/options must be able to complete the new major/option within 140 units. Student requests to change a major/option must be approved by the Department Chair of the new major/option. If the student has 90 or more earned units, the request also must be approved by the Associate Dean of the new major/option. Requests to change majors or options must be accompanied by a plan demonstrating that the new major/option can be completed within 140 units.

### Adding a Minor

Students can add a minor only if they can complete both their major and the minor within 140 units. Student requests to add a minor must be approved by the Department Chair of the new minor. If the student has 90 or more earned units, the request also must be approved by the Associate Dean of the new minor. Requests to add a minor must be accompanied by a plan demonstrating that the minor can be completed within 140 units. When a student completes a minor, the major and minor will be recorded on the diploma.

### Changing a Minor

Students may drop their current minor at any time. They may add a new minor as long as they satisfy the policies and procedures for adding a new minor.

### Transfer Units

When computing the earned unit limits on adding majors and minors, a maximum of 70 community college transfer earned units or a maximum of 90 four-year college/community college combination transfer earned units will be counted.

### Appeals Process

Students who wish to appeal this policy or a related decision can apply to a Majors/Minors Appeals Board composed of an Associate Dean, a representative of Undergraduate Studies, the AS President or designee and 2 faculty members selected by the Faculty President. For example, students who cannot complete their current major because of an inability to complete/pass a requirement may file a request with the Majors/Minors Appeals Board to change majors even though they may need to exceed the 140-unit limit to complete their new major.

### Earning a Major and Minor or More than One Minor from the Same Department

Students may earn a major and a minor from the same Department, or more than one minor if the major and minor(s) are associated with different academic Degree Programs. Note that different options in

Procedures for Adding or Changing Majors, Minors and Options		
	Student has < 90 earned units	Student has ≥ 90 earned units

the same Degree Program are not considered different academic degree programs for this policy.

### Final Examination Policy

In lecture courses, no final examination may be scheduled by an instructor prior to the regularly scheduled time. Any student who finds it impossible to take a final examination on the date scheduled must make arrangements in advance with the instructor either to take the examination at another time prior to the deadline for reporting grades, or request that a grade of Incomplete be assigned and then follow the regulations concerning the removal of the Incomplete. No exceptions will be made to these regulations without the written approval of the instructor, the Department Chair and the Dean of the College in which the course is offered.

### Dean's List

Students who carry a minimum of 12 graded semester units (CR/NC courses do not apply) and who achieve a GPA of 3.5 or better are awarded Dean's List standing for that semester.

Students whose minimum unit load includes courses from the Tseng College may apply for Dean's List standing if the Extension courses are required for the student's major and if the Tseng College courses are taught by members of CSUN's faculty. If a grade change brings a student's GPA up to 3.5, the student may apply at Admissions and Records to have the honor awarded retroactively.

Students working on second undergraduate degrees or graduate degrees are not eligible for Dean's List awards.

### Honors at Graduation

To receive honors at graduation, a student must:

1. Complete a minimum of 45 units of work in letter-graded courses at CSUN;
2. Earn a GPA of 3.50 or above in all work taken at CSUN;
3. Earn the following GPA in all undergraduate courses, including transfer work:

Summa Cum Laude	GPA of 3.90 or above
Magna Cum Laude	GPA of 3.75 to 3.89
Cum Laude	GPA of 3.50 to 3.74

For questions about Honors at Graduation, visit the Office of Admissions and Records Graduation Evaluations in BH 150 or call (818) 677-3781.

### Bachelor's Degree Requirements

To graduate from CSUN, students must complete all of the following requirements:

1. The applicable General Education program, which includes Title 5 requirements in American History and U.S. State and Local Government.
2. The requirements for a major.
3. Writing Skills Requirements as listed below:

**Lower Division Requirement:** The University requires of all students a 3-unit Lower Division course in composition. Students must complete the Lower Division writing requirement no later than the semester in which 45 units are completed. Transfer students with more than 35 units who have not completed the Lower Division writing requirement must do so within the first semester of residence. Students may meet this requirement by:

- a. Completing one course from AAS 115, AAS 155, CAS 115, CAS 155, CHS 115, CHS 155, ENGL 115, ENGL 155, PAS 115 or PAS 155; or an equivalent course at an accredited community or 4-year college; or completing 1 of the following 2-semester course sequences: AAS 113A/113B or 114A/114B, CAS 113A/113B or 114A/114B, CHS 113A/113B or 114A/114B, ENGL 113A/113B or 114A/114B, PAS 113A/113B or 114A/114B.

- b. Receiving a satisfactory score on the English Equivalency Examination, the Advanced Placement Test in English Language or the Advanced Placement Test in English Literature.

Completion of this requirement fulfills a portion of the Basic Skills Section of the General Education Program. *Note: Completion of the Lower Division writing requirement is a prerequisite for all Upper Division General Education courses.*

**Upper Division Requirement:** The University has implemented the Trustee Policy for the Writing Skills Graduation Requirement for all Upper Division students who will graduate in Spring 1982 or thereafter in the following manner:

- a. Students who have completed 56 units and have met the Lower Division writing requirement will be required to take an essay examination.
  - b. Undergraduate students are encouraged to take the Upper Division Writing Proficiency Examination (UDWPE) as early as possible after condition "a" above has been met, but must take the UDWPE no later than the semester in which 75 units are completed. Students who have not taken the UDWPE by the completion of 75 units will have an advisement hold placed on their subsequent registration(s).
  - c. Students who fail the exam will be permitted to repeat the examination. Students are strongly urged to make an appointment with a writing consultant at the Learning Resource Center by calling (818) 677-2033. This service is offered at no cost to students. Consultations may be available during the Summer (from June to August) on a limited basis.
  - d. The examination will consist of an essay on an assigned topic evaluated by s faculty.
  - e. The criteria of evaluation will include: (1) a demonstration of analytic skills; (2) use of relevant evidence to support an argument; (3) effective organization; and (4) use of standard English grammar, diction and mechanics.
  - f. Administrations of the examination will be announced on the Testing Center website ([www.csun.edu/testing/upper/](http://www.csun.edu/testing/upper/)), as well as in other official University publications.
  - g. The examination will be scheduled at least 5 times within an academic year.
  - h. Registration may be completed at University Cash Services, Bayramian Hall, first floor. Online registration and payment also is available. See [www.csun.edu/testing/upper/](http://www.csun.edu/testing/upper/) for registration information.
  - i. Certification of graduation writing competence will be transferable from one CSU campus to another. However, students must pass the UDWPE at the campus at which they are enrolled.
4. Grade Point Average Requirement. Each student will complete with a GPA of 2.0 (grade "C" on a 4-point scale) or better:
    - a. All units attempted, including those accepted by transfer from other institutions;
    - b. All Upper Division units required in the major;
    - c. All Upper Division units required in the minor (if student chooses to declare a minor); and
    - d. All units attempted at CSUN.
  5. Residency Requirement. Completion of 30 units in residence at CSUN in the following distributions:
    - a. 24 of the 30 units must be completed in Upper Division;
    - b. 12 of the 30 units must be in the major; and

c. 9 of the 30 units must be in General Education.

*Note: CSUN course work taken in Open University is considered in residence, with a maximum of 24 special session units.*

6. Total Unit Minimums and Distribution:

a. B.A. Degree: 120 units, 40 of which must be Upper Division units

b. B.S. Degree: 120 units, 36-47 of which must be Upper Division units

c. B.M. Degree: 132 units, 40 of which must be Upper Division units

d. All Bachelor's Degrees: At least 9 units must be Upper Division General Education units

7. Formal approval by the faculty of the University. Application for Graduation, Graduation Evaluation and Diploma: Undergraduate students must file an Application for Bachelor's Degree and Diploma (approved by the major Department) with the Office of Admissions and Records before they can be officially evaluated for graduation.

### Applying for Your Bachelor's Degree

Your application for the Bachelor's Degree and Diploma initiates the graduation process, participation in Commencement and receipt of your diploma.

You may apply for graduation once you have completed 90 units (including work-in-progress). There are three official graduation dates each calendar year—the final day of the Fall semester, the final day of the Spring semester and the final day of the Summer term.

Follow these steps:

1. Once you have completed 90 units of course work, print and complete the Application for Bachelor's Degree and Diploma form located at [www.csun.edu/anr/forms/applba.pdf](http://www.csun.edu/anr/forms/applba.pdf).

2. Access My Academic Planner (MAP) through the myNorthridge Portal. Use your MAP to plan your remaining course work in future terms. Print a copy of your completed My Academic Planner (MAP). You may view the My Academic Planner guide located at [www.csun.edu/anr/soc/guides/map.html](http://www.csun.edu/anr/soc/guides/map.html).

3. Schedule an appointment with a major advisor. Bring your completed MAP and Application for Bachelor's Degree and Diploma to your advising session to discuss the major curriculum, major Catalog year and your anticipated graduation date (3 official graduation dates—Fall, Spring or Summer). If you plan to graduate with a second major and/or minor, include the additional major and/or minor and the Catalog year on the application. Secure the advisor's signatures for the major, second major and/or minor on the application.

4. Submit your completed Application for Bachelor's Degree and Diploma, a copy of your MAP, a Department evaluation (for Journalism majors only) and the appropriate fee to Admissions and Records at the Student Services Center in Bayramian Hall.

*Important Note: Applying after the filing period deadline may delay receipt of your graduation evaluation and your graduating senior status priority registration appointment time. Commencement participation could be affected.*

5. The Undergraduate Degree Services Office will notify you via email when your graduation evaluation is complete. A copy of your graduation evaluation will be available online through the myNorthridge Portal. The graduation evaluation reflects units applicable toward Degree requirements only. Therefore, the units listed on the graduation evaluation may be lower than the cumulative units reflected on other CSUN documents. If you have any questions about your

graduation evaluation, contact your major and/or minor advisor or the Undergraduate Degree Services Office at (818) 677-3781.

*Note: At least 1 semester of work must be completed in residence at CSUN before our office can complete a graduation evaluation.*

6. You will be invited to the commencement ceremony for the academic year in which you graduate. If you decide to participate in the annual commencement ceremony, follow the instructions in the Commencement Handbook. Information about the ceremony can be found at the Commencement website at [www.csun.edu/commencement/](http://www.csun.edu/commencement/).

*Note: Participation in the ceremony does not mean that you have officially graduated from CSUN. All Degree requirements must be completed before a Degree is awarded.*

If you do not complete your final requirements by the end of your anticipated graduation date, you will need to change your graduation date to the semester of actual completion and submit a Bachelor's Degree Date Change form to the Undergraduate Degree Services Office located in Bayramian Hall, room 150.

7. Your diploma and letter of congratulations will be mailed to you 3 to 6 weeks after your official graduation is posted. There are 3 official graduation dates each calendar year—the final day of the Fall semester, the final day of the Spring semester and the final day of the Summer term. These are the only dates on CSUN diplomas.

### Administrative Graduation Policy

Upon review by the Office of Undergraduate Studies, students who accumulate more than 140 earned units may be graduated administratively if they have completed any major, whether or not they have declared that major. Enrollment beyond the 140 units will be restricted to courses required to graduate in the major for which the student has accomplished the highest percentage of requirements.

### Grade Correction Procedures for the Semester of Graduation

See Grade Correction Procedure in Appendix E-5 for deadlines and procedures.

## NEW AND EXISTING FINANCIAL AID POLICIES

The Financial Aid and Scholarship Department looks forward to working with you to provide the support needed to enroll, retain and graduate students. Federal, State and Institutional aid exists to provide support to students who are matriculated in a degree or certificate program and who are making satisfactory academic progress towards their academic goal. Students should consider their enrollment decisions carefully. Students who enroll full-time will receive the maximum aid possible. However, full-time enrollment may not be appropriate or possible for a student, based on family, medical, employment or other conditions. Students who enroll full-time to get maximum aid, but then need to withdraw or reduce enrollment may have immediate and/or future negative consequences. To remain eligible for aid **students must complete the units they enroll in and must finish their academic program within a reasonable and defined time frame.**

**Enrollment:** Financial Aid is awarded based on projected full-time enrollment. Students who enroll in less than half-time will automatically have their awards adjusted prior to payment based on actual enrollment. Some awards can be adjusted for less than full-time enrollment, while others will be canceled. Students with financial aid awards can consult with the Financial Aid Department to check on the impact of their planned enrollment to the financial aid they have been awarded. **Students should not enroll in classes to qualify for maximum aid**, if the classes are not required to complete their educational program for graduation. Such action can result in the loss of financial aid in the future due to the Satisfactory Academic Progress requirements for financial aid. Students are only eligible to receive aid one time for retaking previously passed coursework. Wait listed courses do not count towards students enrollment status for financial aid.

**Withdrawals:** Medical and non-medical withdrawals can cause a student to lose current and/or future financial aid. Prior to withdrawing completely from a term, **a student receiving financial aid should consult with the financial aid department** on possible consequences. The Satisfactory Academic Progress policy takes into account all units attempted, even those from which the student withdrew (officially or unofficially).

**Satisfactory Academic Progress:** The complete policy and appeal procedures can be found at [http://www.csun.edu/financialaid/basics/affects\\_satisfactory.php](http://www.csun.edu/financialaid/basics/affects_satisfactory.php). Progress is measured in units completed versus units attempted (at CSUN only), total units attempted (including transfer institutions), and willingness to complete their academic program (as measured by enrollment appropriate to academic program, repeated withdrawals, etc.). Undergraduates who attempt more than 150 units without finishing their degree will not be eligible for further aid.

The pass rate has been raised to 80% for all students (including credential and graduate level) and the conditions for undergraduate appeals are limited. Undergraduates who have completed less than 50% of their units attempted at Northridge are not allowed to appeal. Students who complete between 50% and 79% of their units attempted may be allowed to appeal if they meet certain conditions. Students are allowed one successful appeal per academic career.

**Financial Distress:** If students report they are unable perform adequately in their academic work or want to withdraw because they now need to work more hours because of a change in financial circumstances, please refer them to the Financial Aid and Scholarship Department to meet with a financial aid counselor. We cannot help all students, but we may be able to reconsider their aid based on recent job loss or other extreme circumstances. Many times we may only be able to offer low-cost, federally-insured loans and students will need to be willing to accept them in order to reduce working hours or address other financial issues. However, many students have not yet applied for aid and may find themselves eligible for grants.

## Undergraduate Policy on Withdrawals

(Approved May 21, 2009)

**Withdrawal (W):** The symbol “W” indicates that the student was permitted to drop the course after the twentieth day of instruction with the approval of the instructor and appropriate campus officials. It carries no connotation of quality of student performance and is not used in the calculation of grade point average.

Withdrawals During the First 20 Days of Instruction: Students wishing to completely withdraw from the University prior to or during the first 20 days of instruction may do on SOLAR by accessing System Registration. University Cash Services will automatically process (and mail) checks based on withdrawal information. New and returning students who completely withdraw from the University prior to the 20th day of instruction are not considered continuing students and must reapply to attend any subsequent semester. Those students who are continuing from the previous semester will automatically be placed on a Leave of Absence if they meet the criteria. (See Leave of Absence under Categories of Enrollment for further information.)

Withdrawals After the 20<sup>th</sup> day of Instruction: Students who must withdraw after the twentieth day of instruction and prior to the last three weeks of instruction for reasons clearly beyond their control, and who can justify serious and compelling circumstances, may withdraw without academic penalty by securing the approval of the instructor and the appropriate campus officials, as designated in the current Schedule of Classes. If approved, the Grade of “W” will be assigned for withdrawals after the twentieth day of instruction. Students completely withdrawing after the 20<sup>th</sup> day of instruction will be considered continuing students for the next semester. Under no circumstances does nonattendance nor the stopping of payment of a check constitute a withdrawal from the University.

Withdrawals During the Last Three Weeks of the Semester: Withdrawals are not permitted during the final three weeks of instruction or thereafter except in cases such as accident or serious illness where the cause of the withdrawal is clearly beyond the student’s control and the assignment of an incomplete is not practical. Ordinarily it is expected that withdrawals during this period will be complete withdrawals from the University except in circumstances where sufficient work has been completed in one or more of the courses to permit an evaluation of coursework and an assignment of a grade. Students may obtain forms and procedural information at the Office of Admissions and Records.

Medical Withdrawal: Students seeking complete medical withdrawals may complete the necessary forms at the Student Health Center. Upon receipt of verifying information from a student’s personal physician, the Director of the Health Center will evaluate the case. A medical withdrawal usually constitutes complete withdrawal from the University for the academic period in question.

In cases where medical evidence and the specific physical demands and environment of the classes overwhelmingly support withdrawal from only a portion of a student’s program of study, partial withdrawals will be permitted prior to the final three weeks of the instruction, except in cases of accident or serious illness. A request for a partial medical withdrawal for undergraduate students and a partial medical withdrawal Health Provider Report must be completed and submitted to the office of Undergraduate Studies. These forms are available at

[www.csun.edu/forms](http://www.csun.edu/forms). Partial medical withdrawals will be granted solely for established medical purposes prior to a student taking final exams.

Withdrawals due to illness in the family will be granted only if the attending physician stipulates that the student is the primary caregiver for the family member. Withdrawals due to illness in the family should be requested on late change in academic schedule for undergraduate students at [www.csun.edu/anr/forms](http://www.csun.edu/anr/forms) and submitted according to directions on the form.

### **Additional Withdrawal Rules**

1. Undergraduate students may withdraw from no more than 18 semester units of CSU Northridge courses. This 18 semester unit limit does not apply to the first 20 days of each semester when withdrawals from courses are permitted without restriction or penalty.
2. Medical withdrawals, whether partial or complete, do not count toward the maximum 18.
3. The maximum of 18 semester units applies only to units completed at CSU Northridge. The limits apply to all courses taken at CSUN, whether a student is matriculated or enrolled through self-support such as Extended Learning.
4. This policy applies only to baccalaureate units, i.e., those that count toward the degree.
5. All other CSU Northridge current policies related to withdrawals remain the same, except as stated in items 1-4, above.

## Undergraduate Policy on Repeating Courses

(Approved May 21, 2009)

The University recognizes that undergraduate students may need to repeat one or more courses in order to fulfill degree requirements and/or enhance previously acquired skills. However, students should seek academic advisement before deciding to repeat any course. Students should be aware that other institutions (e.g., medical schools, graduate programs, law schools) might not recognize this repeat policy and may use “forgiven” grades in recalculating grade point averages. The following rules apply:

1. A maximum of 16 semester units of CSU Northridge coursework in which a student earned less than a C grade may be repeated for the purpose of excluding grades (grade forgiveness) from the computation of the student’s overall GPA. Only the first 16 semester units are eligible for grade forgiveness.
2. An additional 12 semester units of coursework may be repeated for grade averaging, i.e. both the original grade and the repeat shall be calculated into the student’s total GPA.
3. Students cannot improve grades of courses taken at CSUN by repeating them at another institution. Students cannot improve grades of courses taken at another institution by repeating them at CSUN.
4. The stated limits (16 units for grade forgiveness and 12 units for grade averaging) apply only to units completed at CSU Northridge. The limits apply to all courses taken at CSUN, whether a student is matriculated or enrolled through self-support such as Extended Learning.
5. Registration in repeated courses is limited to the Nonrestrictive and Late Registration periods and is prohibited during the Registration-by-Appointment period.\* (see note below)
6. Undergraduate students may take an individual course no more than three times. Only one repeat per course is permitted for improving the grade, with the higher of the two grades counted in the student’s GPA. If a student enrolls in a course for a third time, the units attempted and any grade points earned will be averaged with all other grades earned for the course (except ones that were awarded grade forgiveness). On the third enrollment in a course, permission of the associate dean of the college of the student’s major (or the Director of Undergraduate Studies if the student is Undecided) is necessary.
7. Subsequent enrollment must be on the same basis of grading as the first.
8. Grade forgiveness is not applicable in courses for which the original grade was the result of a finding of academic dishonesty.
9. This policy does not pertain to repeats in courses such as Music Ensembles and Independent Study where the curriculum allows, permits or requires repeats.
10. This policy applies only to baccalaureate units, i.e., those that count toward the degree.

\*In Fall 09, no student may enroll in any course *for the purpose of repeating* until the first day of classes. Such repeating students will need to get permission of the instructor to enroll. SOLAR will block a student’s ability to repeat enrollment in a course until the first day of classes.

**Petition/Appeal Process for Honors at Graduation Policy**  
(Approved November 5, 2008)

All petitions for waiver of any of the established requirements for graduation with honors shall be sent to the department of the student's major for recommendation, and then forwarded to the Associate Vice President of Undergraduate Studies for final approval. No action will be taken by Undergraduate Studies without a positive recommendation from the chair of the student's major department in keeping with departmental policies and procedures, as appropriate.

**Repeating Course for Third or Subsequent Time Policy**  
(Approved November 5, 2008)

On the third or subsequent enrollment in a course, permission of the associate dean of the college of the student's major (or the Director of Undergraduate Studies if the student is Undecided) is necessary.

## **Timely Adoption of Textbooks/Instructional Materials for Accessibility (Approved February 28, 2008)**

It is the policy of the CSU to make information technology resources and services accessible to all CSU students, faculty, staff and the general public regardless of disability. As part of that policy all CSUN faculty shall, whenever possible, submit their textbooks and/or instructional materials requests by a University deadline established by Academic Affairs that is to be included in the University calendar and that is not less than (8) weeks prior to the beginning of the semester.\*

\*Academic Affairs interprets the recommended Senate Policy as follows:

Faculty members must submit book orders and other instructional materials orders no later than eight weeks before the beginning of the semester; and departments must submit orders for sections that do not yet have instructors assigned to them no later than eight weeks before the beginning of the semester.

This policy does not apply, however, to instructional web sites, links from those web sites, and supplementary materials that are attached to them. See the other policy at <http://www.csun.edu/accessibility> for details. In brief, all new instructional web sites must be compliant by fall 2008, with older sites updated for accessibility as they are used publicly. The appropriate administrator can allow alternative ways of meeting this requirement if indeed compliance is excessively challenging or burdensome.

“Whenever possible” cannot be invoked willy-nilly to get around compliance with applicable law, or with the practical requirement to submit textbook and other instructional materials orders at least 8 weeks prior to the beginning of the semester for all instructors and for all scheduled sections not yet staffed.

“Whenever possible” is not to be interpreted or implemented as a matter of convenience, department or faculty preference, or department or faculty past practice. For instance, one cannot invoke travel, work schedule, or academic freedom to support a claim that it is not possible to comply. A sudden cancellation of a preferred textbook, an unanticipated illness, and/or other circumstances completely outside the control of an individual faculty member or department may constitute such grounds, subject to review and agreement by the dean based on the specific circumstances. In the case of disagreement, the dean will submit that judgment and relevant explanation to the department chair.

**Reinstatement after Third Disqualification**  
(Approved February 25, 2008)

Students who receive a third disqualification may reapply to the University after a minimum waiting period of five years. Students must provide evidence that demonstrates acquired skills or achievements that support a successful return to the University. Students reinstated to the University must meet each semester all criteria established by the University for continued enrollment of readmitted previously disqualified students until both their cumulative total GPA and CSUN GPA return to 2.0. Those who fail to do so will receive a *final disqualification* and will be given no further opportunities for readmission.

**Criterion for Continued Enrollment of Readmitted  
Previously Disqualified Students**  
(Approved February 25, 2008)

Students who have been academically disqualified, but who are readmitted to the University under terms of probation with an Academic Performance Agreement are allowed to continue to enroll in subsequent semesters only if they earn a GPA of 2.00 or higher each semester until both their cumulative total GPA and CSUN GPA return to 2.0.

**Policy on Graduating-Senior Registration Priority**  
(Approved June 30, 2005)

A student who receives graduating-senior registration priority twice and who does not graduate will not receive graduating-senior registration priority a third time and will return to senior registration priority status. This policy will take effect one year after approval by the Senate and the President.

**Policy on Missed Classes Due to Participation in University-Approved Activities**  
(Approved February 25, 2005)

When representing the university in official curriculum-related, university-approved activities requires a student to miss classes, faculty are expected to provide, within reason, opportunity to make up any work or exams that are missed.

To be eligible for such accommodation, the student is obligated to provide the instructor of the class with written documentation signed by the faculty, staff member or administrator supervising the activity, giving specific information concerning the activity, its location, and the dates and times when class attendance is not possible. This documentation must be submitted to the instructor during the first week of the semester or as soon as the information becomes known.

Instructors may set limits on the number of classes that may be missed for which special accommodation to make up missed work will be allowed. The process for making up missed class work is the prerogative of the instructor and shall be communicated to the affected students during the first week of classes or as soon as the need for accommodation becomes known.

For the purposes of this policy, if a question arises as to which events meet the definition of “*official curriculum-related, university-approved activities*” the determination shall be made by the Associate Vice President for Undergraduate Studies.

Absence from class for official curriculum-related, university-approved activities does not relieve students from responsibility for any part of the course work required during the period of absence.

University sponsors of these activities have an obligation to respect the importance of regular class attendance for successful academic performance and to minimize the number of such absences. Instructional faculty have an obligation to respect the importance of such student participation, and to assist student participants in meeting their academic obligations.

**Revised Policy on Retention of Student Work**  
(Approved February 25, 2005)

A. Document Retention Timeframes:

Faculty shall retain the final examination and other materials, including materials in an electronic form, which contribute to the student's final grade, and which are not returned to the student or otherwise not made available in class to the student, in accordance with the following timeframes:

1. *Spring Semester*: Materials from the spring semester will be retained until the end of the first week of the following spring semester.
2. *Summer Term*: Materials from the summer term will be retained until the end of the first week of the following spring semester.
3. *Fall Semester*: Materials from the fall semester will be retained until the end of the first week of the following fall semester.
4. *Winter Intersession*: Materials from the winter intersession will be retained until the end of the first week of the following fall semester.

When a faculty member has received notice as to the filing of an academic grievance or grade appeal from the Office of the Vice President for Student Affairs, all related course materials, including materials in an electronic form, shall be retained until the case is resolved.

B. Student's Responsibility: It is the student's responsibility to pick up from the faculty materials that have been made available to students in class.

C. Departing Faculty: Departments are encouraged to collect from departing faculty all materials as specified above, including materials in an electronic form, which contribute to the student's final grade and retain such materials for a period consistent with the time frames provided above.

## **WRITTEN SYLLABI FOR ALL UNDERGRADUATE COURSES**

(Approved 5/8/01; modified 3/25/03)

To better inform students about the requirements, content and methodology of the university's undergraduate curricula, all faculty teaching undergraduate courses will distribute a written syllabus to each student in the course and/or post it on-line no later than the second week of classes.

The syllabus should contain the following information:

- Course objective(s).
- A brief list or summary of topics or projects covered.
- Course requirements and methods of evaluation.
- Grading criteria including whether or not the plus/minus system will be used.
- Contact information (instructor's name, office hours, office location, and campus phone number).
- For a General Education course, the syllabus should describe how it meets the currently approved goals of the General Education section in which it resides.
- For an upper-division General Education course, the syllabus should include a statement that informs students that the course is an upper-division General Education course and that it requires completion of writing assignments totaling a minimum of 2,500 words.

**Policy on Written Syllabi for All Graduate Courses**  
**(Approved 2/2/06)**

To better inform students about the requirements, content and methodology of the university's graduate curricula, all faculty teaching graduate courses will distribute a written syllabus to each student in the course and or/post it online no later than the second week of classes. The syllabus should contain at least the following information.

- Course objective(s)
- A brief list or summary of topics or projects covered
- Course requirements and methods of evaluation
- Grading criteria including whether or not the plus/minus system will be used
- Contact information (instructor's name, office hours, office location, and campus phone number)

## Students With Disabilities in the Classroom

**The Rehabilitation Act of 1973, Section 504** as amended, and the regulations adopted thereafter, as well as the **1990 Americans with Disabilities Act** provide that:

...no qualified handicapped person shall, on the basis of handicap, be excluded from participation, be denied the benefits of, or otherwise be subject to discrimination under any academic, research, occupational training, housing, health insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular or other postsecondary education program or activity ...

A qualified handicapped person is defined as:

...a handicapped person who meets the academic and technical standards requisite to admission or participation in the ... education program or activity...

The University is strongly committed to maintaining an environment that guarantees students with disabilities full access to its educational programs, activities and facilities.

Under the regulations, we are required to make modifications to our academic requirements and practices as necessary in order to ensure that they do not discriminate against a qualified student. Such accommodation is commonly referred to as a "reasonable accommodation." Some examples are, but are not limited to:

- Use of interpreters in class
- Identifying notetakers
- Relocating classes to accessible rooms
- Providing extended time on tests
- Providing alternative testing arrangements
- Allowing the use of service animals
- Allowing the use of assistive devices and or auxiliary aids, including audio recording devices and portable technology devices
- Providing alternative media (Braille, large print, electronic text, audio text)
- Selecting captioned media (films, videos, web pages, electronically generated presentations)
- Developing and utilizing accessible websites and electronic files

### Determination of Accommodation

Faculty responsibilities are encompassed in the University's obligations to federal mandates. **Faculty are not responsible for determining what is and is not a reasonable accommodation for the student.** The National Center on Deafness (NCOD) and the Disability Resources and Educational Services (DRES) office have been designated by the Chancellor to determine reasonable accommodation(s) for all students who have been verified as having disabilities in the areas served by their office. NCOD serves students that are deaf or are hard of hearing and DRES serves students with any other type of disability including students with learning disabilities and chronic illnesses. These offices have sole responsibility for verifying documentation and determining reasonable accommodations.

### Responsibility for Providing the Accommodation

Faculty are not solely responsible for the full provision of an accommodation. NCOD or DRES offices serve as resources for students and faculty alike and will coordinate most of the more common accommodations needed, including providing interpreters or alternate media for print material.

## Confidentiality

The University is in compliance with the Federal Educational Right to Privacy Act (FERPA) ensuring the confidentiality of all student records, as well as similar provisions in both the Americans with Disabilities Act and Section 504 of the Rehabilitation Act requiring that confidentiality be maintained. With written permission from the student, counselors at either the Disability Resources and Educational Services or the National Center on Deafness may discuss accommodations that have been approved for the student, but may not discuss the specifics of the diagnosis. Faculty discussions with a student about accommodations must respect the student's right to privacy. This means such discussions must not be held in the hearing range of other students.

## Institutional Standards

The University is not required to change the fundamental nature of programs to meet the needs of persons with disabilities. Students with disabilities must meet the institution's academic standards, and the stipulated accommodations are designed to help students meet such standards. While reasonable accommodations may include alterations in classroom pedagogy that do not impact the fundamental nature of an academic program, faculty is not required to alter academic standards.

## Timely Adoption of Textbooks/Instructional Materials for Accessibility

It is the policy of the CSU to make information technology resources and services accessible to all CSU students, faculty, staff and the general public regardless of disability. As part of that policy all CSUN faculty shall, whenever possible, submit their textbooks and/or instructional materials requests by a University deadline established by Academic Affairs that is to be included in the University calendar and that is not less than (8) weeks prior to the beginning of the semester. DRES produces alternative format of course materials as a service to the student and the faculty member. In order to utilize this accommodation, students need to have access to course materials at least 8 week prior to the start of each semester.

## Examinations

Beginning with the summer 2012 term, students will be making accommodations and alternative testing requests through the Student Access and Accommodation System (SAAS). Once a DRES counselor has reviewed and approved, the request the student is eligible for the accommodation and the exam will be scheduled. DRES offers alternative testing in their office as a service to the student and the faculty member. It is not a requirement that the accommodations take place in DRES and you may choose to proctor the exam yourself. **As long as you are providing the listed accommodations, the decision to proctor the exam yourself or send the student to DRES is yours to make.** DRES administers exams in accordance with the directions contained in the course profile you enter in SAAS. Once you approve an exam schedule, it becomes an agreement between you and the listed student. You may choose to give additional accommodations as long as it does not change the academic standards. Any testing guidelines you give to all students must also be given to students taking alternative testing exams. For example, if you allow students to use a calculator in class, a student taking a proctored exam in the DRES testing area must be allowed to use a calculator.

\* For further information regarding SAAS, please visit the DRES website <http://www.csun.edu/dres/saas> to view the instruction manual and videos.

\* For further information about accommodating or supporting students with disabilities please contact the NCOD at 818-677-2054 or DRES at 818-677-2684.

**Section 641.1 of the Administrative Manual:  
Policy on Reappointment  
(Approved May 22, 2012)**

641.1 Policy on Reappointment

1. In order to be retained during the probationary period, a faculty member must show evidence, as demonstrated in the Professional Information File, of making progress toward meeting the requirements for tenure and promotion.
  - a. A probationary faculty member who shows little indication of success at this University shall not be retained for a third year. One who shows weakness but promise of improvement, may be retained for the third year; if, however, during the third year, marked improvement is not clearly in evidence, the faculty member shall not be reappointed for an additional probationary year.
  - b. In subsequent years, the eventual tenurability and promotability of a faculty member becomes a consideration of increasing importance when the candidate is being considered for retention.
2. Faculty who have not demonstrated that they are potentially promotable shall not be approved for tenure.

**Sections 612.4.2.b. and 612.5.2. of the Administrative Manual:  
Effective Date of New or Revised Personnel Procedures  
(Approved May 19, 2011)**

**612.4.2.b. College Level Responsibilities**

- (6). If a College elects to change the criteria in its personnel procedures, those criteria will become effective three (3) years after they have been approved at the University level.

During this three-year period, all candidates appointed before the approval at the University level of the new College Personnel Procedures shall be evaluated under the old criteria unless a candidate specifically elects to be evaluated under the new criteria. A candidate who elects the new criteria must notify, in writing, the Department Chair and the Dean no later than the date when the Professional Information File is submitted for review. The Dean will place a copy of the request in the candidate's Personnel Action File. If a candidate elects the new criteria, the candidate cannot subsequently elect to be evaluated under older criteria.

All faculty members appointed after the approval at the University level of the new College Personnel Procedures shall be evaluated under these new criteria.

**612.5.2. Department Level Responsibilities**

- g. If a Department elects to change the criteria in its personnel procedures, those criteria will become effective three (3) years after they have been approved at the University level.

During this three-year period, all candidates appointed before the approval at the University level of the new Department Personnel Procedures shall be evaluated under the old criteria unless a candidate specifically elects to be evaluated under the new criteria. A candidate who elects the new criteria must notify, in writing, the Department Chair and the Dean no later than the date when the Professional Information File is submitted for review. The Dean will place a copy of the request in the candidate's Personnel Action File. If a candidate elects the new criteria, the candidate cannot subsequently elect to be evaluated under older criteria.

All faculty members appointed after the approval at the University level of the new Department Personnel Procedures shall be evaluated under these new criteria.

**Section 604 of the Administrative Manual:  
Statement of Professional Responsibility  
(Approved December 15, 2009)**

**604 Professional Responsibility**

This statement shall serve as a guide for the professional conduct of the members of the faculty of this University. The responsibilities of a faculty member may be considered from four major perspectives: 1) as a member of an academic profession; 2) as a teacher; 3) as a colleague; 4) as a part of an academic institution.

604.1 As a member of an academic profession, the faculty member:

1. Devotes energies to developing and improving scholarly competence.
2. Accepts the obligation to exercise critical self-discipline and judgment in using, extending, and transmitting knowledge.
3. Practices, fosters, and defends intellectual honesty, freedom of inquiry and instruction, and free expression.
4. Respects the ethical and legal principles and guidelines of the faculty member's discipline(s).

604.2 As a teacher, the faculty member:

1. Encourages the free pursuit of students' learning and promotes the free and open exchange of ideas as related to the subject matter.
2. Exhibits and upholds the highest scholarly and ethical standards of the faculty member's relevant discipline(s); fosters honest academic conduct; and does not instruct, advise, or supervise students with whom the faculty member has personal or professional conflicts of interest.
3. Serves as an intellectual guide and mentor.
4. Does not participate in the formal evaluation of any student or in any institutional decisions involving a direct benefit to a student who is a member of the faculty member's immediate family, a blood relative, or with whom there is an economic, sexual, and/or romantic involvement which could reasonably be perceived as impairing objectivity.
5. Makes reasonable efforts to assure that evaluations of students are based on stated academic criteria.
6. Treats students with civility, understanding, and respect.
7. Makes reasonable efforts to assure that students treat each other with civility, understanding, and respect.

8. Respects the confidential nature of the relationship between faculty member and student except when obligated to disclose information based on University policy or law.
9. Does not refuse to enroll or teach students on the grounds of their beliefs or the possible uses to which they may put the knowledge to be gained in a course.

**Section 672 of the Administrative Manual:  
Sabbatical and Difference-in-Pay Leaves**  
(Approved May 21, 2009)

672.2. Sabbatical Procedures

672.2.6 The College Personnel Committee shall review all sabbatical applications. It should be the policy of the College Personnel Committee to recommend every applicant who is legally entitled to a leave and to rank these applicants by taking into consideration the evaluative criteria as specified in 672.2.7.b The probationary and tenured faculty members of the College may choose to elect a Professional Leave Committee to act in lieu of the College Personnel Committee for purposes of evaluating the sabbatical applications.

As a result of this review, the College Personnel Committee will place a proposal into one of four possible groups:

- a. Those that are judged by the College Personnel Committee to be outstanding;
- b. Those that are judged by the College Personnel Committee to be meritorious;
- c. Those that are judged by the College Personnel Committee to be outstanding or to be meritorious, but because of severe curriculum hardship created in the Departments – as indicated by the Department Chair's statement – granting of leave is inadvisable;
- d. Those that the College Personnel Committee judges cannot be recommended for funding at this time.

Of the four categories, it is the intention of this policy that the first category, those projects judged to be outstanding, be reserved for those proposals which, by virtue of some feature or features of extraordinary value or promise, warrant that the proposal be approved for funding regardless of equity, defined as accrued service since the establishment of initial eligibility for sabbatical leave. It is anticipated that, in any given year, not all proposals recommended for funding by the College Personnel Committee will be in the outstanding category.

The College Personnel Committee shall recommend to the President that all proposals for projects placed in the second category, those judged to be meritorious, be ranked in order of accrued service since their last sabbatical (no other ranking shall be produced, except that ties of length since last sabbatical shall be broken by length of full-time service at CSUN; if a tie still exists, the applicant to be recommended shall be determined by lot and forwarded to the President with a recommendation that sabbaticals be awarded in order of ranking until available funds are exhausted). All proposals placed

in the third category shall be forwarded to the President with the indication that they are outstanding or meritorious but because of hardship to the University granting of leave is inadvisable. All proposals placed in the fourth category shall be forwarded to the President without a recommendation for funding.

The College Personnel Committee shall provide the President with a written statement of the reasons for recommending or not recommending funding of each proposal, including a justification for recommending outstanding projects for funding irrespective of accrued service. A copy of the recommendation shall be provided to the applicant. In conveying its recommendations to the President, the College Personnel Committee shall include the Departmental statements and responses by applicants to the recommendations. The College Personnel Committee shall not submit more sabbatical leave applications ranked as outstanding than the total number of sabbatical leaves allocated to that College under Section 672.2.1.

645 **Periodic Review of Tenured Faculty**

- 645.1 The Collective Bargaining Agreement Between the CSU and CFA, Unit 3-Faculty (May 15, 2007 – June 30, 2010) mandates that there be periodic evaluation of tenured faculty. The purpose of Section 645 is to outline campus processes for implementation of the mandated periodic evaluation. Should the provisions related to periodic evaluation of tenured faculty be removed from this or future Faculty Contracts, these provisions shall become null and void.
- 645.2 The purpose of periodic evaluation of tenured faculty (“post tenure review”) is to facilitate continued faculty development and improvement.
- 645.3 Each tenured faculty unit employee shall be reviewed at least once every five years. A performance review for promotion shall be considered to be such review in calculating the five-year intervals. Tenured faculty unit employees shall not be reviewed while on sabbatical leave or leave of absence.
- 645.4 The Peer Review Committee of the Department or equivalent unit and the College Dean, separately and in writing, shall provide a review. The Peer Review Committee shall be comprised of tenured faculty unit employees at the rank of Professor or equivalent. Where there are insufficient department faculty to form a Peer Review Committee, tenured faculty at the rank of Professor from related academic disciplines may serve.
1. The Department Peer Review Committee shall provide a written report of the evaluation to the faculty member under review ten (10) calendar days before it is sent to the College Dean and placed in the faculty member’s Personnel Action File.
  2. The faculty member may request a meeting with the committee to discuss the report. The meeting shall be held within those ten (10) calendar days. The faculty member may also submit a written rebuttal statement or response within that period. This statement or response shall be placed in his or her Personnel Action File.
  3. The Chair of the Department Peer Review Committee, or designee, and the College Dean shall meet with the tenured faculty unit employee under review to discuss his or her strengths and weaknesses along with suggestions, if any, for improvement.

4. The College Dean shall provide a written report of his or her evaluation to the faculty member under review ten (10) days before it is placed in the faculty member's Personnel Action File and sent to the Department Chair and Chair of the Department Peer Review Committee.
  5. The faculty member may request a meeting with the College Dean to discuss the report. The meeting is to be held within those ten (10) calendar days. The faculty member may also submit a written rebuttal statement or response within that period. This statement or response shall be placed in his or her Personnel Action File.
- 645.5 Tenured faculty unit employees shall be reviewed based on their actual work assignments only. For those faculty members with teaching responsibilities, consideration shall include student evaluations of teaching performance.
- 645.6 Departments may establish additional policies and criteria consistent with The criteria described in this section.
1. Department criteria for review of tenured faculty shall be reviewed and approved by the tenured and probationary faculty in the Department. The criteria shall be submitted to the College Dean for review and approval and to the Personnel Planning and Review Committee for final review and approval for consistency with Section 645 and the Faculty Collective Bargaining Agreement. PP&R may designate the Chair of PP&R to review the criteria and approve on behalf of PP&R.
  2. Department criteria, policies and procedures, even if unchanged, shall be reviewed in their entirety every five years to assure consistency with College and University policies and procedures. Procedures not forwarded and approved by the Personnel Planning and Review Committee at the five-year limit will be considered obsolete, and Department criteria, policies, and procedures will revert to Section 600.

**Section 652 of the Administrative Manual:**  
**Grant-Related/Specially-Funded Instructional Faculty Appointments**  
(Approved May 6, 2008)

**652 Grant-Related/Specially-Funded Instructional Faculty Appointments**

652.1 Preamble

The purpose of the Grant-Related/Specially-Funded Instructional Faculty (GRIF) classification policy is to establish the means by which instructional faculty engaged in substantial grant activity can be granted a GRIF classification. GRIF appointments allow California State University, Northridge (CSUN) to recognize outstanding research contributions through the use of non-state resources to supplement or augment salary during the period of the GRIF appointment.

652.2 Definition

The Grant-Related/Specially-Funded Instructional Faculty (GRIF) member serves as a California State University Northridge instructional faculty member. GRIF members may be appointed to a non-permanent academic year or a 12-month GRIF classification. The classification can be used for grant-funded faculty assignments as well as faculty assignments funded by gifts and bequests or by Foundation allocations. The GRIF classifications provide for additional salary at a range specified by the Faculty Collective Bargaining Agreement.

652.3 Eligibility

1. In order to be considered for a GRIF appointment, the faculty member must meet the following criteria:
  - a. The faculty member must be primarily responsible for annual grant and contract awards exceeding \$500,000 in 2008 constant dollars (per faculty member in the case of co-Principal Investigators (“co-PIs”)) in volume, administer multiple awards, and supervise multiple staff.
  - b. The faculty member’s grant and contract funds must buy out a minimum of 40% of the faculty member’s 1.0 time base appointment during the academic year. In the case of co-PIs, the grant and contract funds must buy out a minimum of 40% of each faculty member’s 1.0 time base appointment during the academic year.
  - c. Non-state funds must be identified to cover the GRIF salary differential percentage (including related benefits) to be added to the General Fund portion of the GRIF position. The source of non-state funds cannot be a direct charge to the grant.

- d. The faculty member's grant and contract activity must clearly be related to the faculty member's regular University responsibilities and must make a substantial contribution to CSUN's mission and vision.
- e. The faculty member must be involved in the instructional program through classroom/laboratory teaching and/or mentoring students in training, research, or creative activities.
- f. The faculty member appointed to a GRIF classification shall demonstrate exceptional professional merit in scholarship and teaching as evidenced by regional or national stature in his or her discipline with a continuous record of recognized leadership and significant achievement in creative or scholarly work.
- g. Generally, an individual appointed to the GRIF classification shall have the responsibility as a Project Director and/or Principal Investigator.
- h. Faculty members who have been awarded a sabbatical or difference-in-pay leave are not eligible for GRIF appointments for the duration of the sabbatical or difference-in-pay leave.

## 2. Duration

- a. Appointment to a GRIF classification automatically expires at the end of the period stated and does not establish a right to a subsequent GRIF appointment. Faculty seeking an additional or renewed GRIF appointment must re-apply through the same process as first-time applicants.
- b. Since a GRIF appointment is contingent on the availability of adequate funding from grants, gifts, or other non-state funds, should the funding not be available, the GRIF appointment will terminate.

## 652.4 Application Process

- 1. No later than March 1 of the year before the GRIF appointment is requested, the faculty member submits a letter to the Dean, copied to the Department Chair, requesting a GRIF appointment. The eligible faculty member must specify in writing the GRIF additional salary differential percentage requested. The Dean is responsible for obtaining written confirmation from the Office of Graduate Studies, Research, and International Programs that the faculty member has sufficient external support to cover all costs. This includes identification of the source(s) of external funds from which the GRIF differential will be paid.

2. The application is reviewed by the Department Chair who submits a recommendation, no later than March 15, copied to the applicant, which includes a review of the criteria listed in Section 652.3.1.d. through g. and a recommendation for approval or denial of the GRIF appointment.
3. The application and recommendation from the Department Chair is reviewed by the College Dean. The Dean submits a letter of recommendation, no later than April 1, to the Provost and Vice President for Academic Affairs, copied to the applicant, that confirms the identified sources of funding and, if the College Dean supports the appointment, he or she specifies the recommended GRIF salary differential.
4. The Provost and Vice President for Academic Affairs reviews the application letter and recommendations from the Department and College-level reviewers and approves or denies the GRIF appointment and if approved, specifies the amount of the GRIF salary differential. The Provost's decision to approve or deny a GRIF appointment is final. The Provost communicates his or her decision to the applicant by letter, no later than April 15, with copies to the College Dean and Department Chair.

#### 652.5 Terms of Appointment

1. Appointments to this classification are not permanent and shall be made only for one academic year (for academic year instructional faculty) or one 12-month period (for 12-month instructional faculty).
2. Appointees to these classifications shall receive compensation comprising the base salary of their normal faculty appointment plus a salary augmentation within the range specified for GRIF by the Faculty Collective Bargaining Agreement above such base salary. The letter of appointment from the Provost shall state the amount of the differential salary.
  - a. Changes in compensation during the course of a GRIF appointment shall be limited to any general salary increase, service salary increase, promotion as determined by the campus retention, tenure, and promotion process or any other contractual compensation adjustment granted to the faculty member during this time.
  - b. When the appointment to a GRIF position is concluded, the faculty member shall revert back to the salary classification of his or her prior faculty position with any intervening salary adjustments.
  - c. In addition to responsibilities as a GRIF faculty member, the GRIF faculty member shall also have normal Departmental, College, and University service responsibilities expected of all other faculty in their regular appointments.

- d. No tenure or salary rights attach to either GRIF classification separate from the tenure rights and salary normally accruing from regular full-time faculty appointment. Appointment to either classification does not constitute a promotion nor does termination of a GRIF appointment without renewal constitute a demotion.
- e. GRIF appointments shall begin on the first day of the Fall semester for both academic year and 12-month appointments. The end date for academic year appointments shall be the last day of the following Spring semester. The end date for 12-month appointments shall be the day prior to the first day of the following Fall semester.
- f. There is no automatic renewal of a GRIF appointment.
- g. The CSU and the California Faculty Association have agreed that the CSU will not employ systemwide more than one hundred (100) faculty members in the GRIF classifications at any one point in time.

#### 652.6 Review of Policy

This policy shall be assessed in five years from its effective date to determine its utility and effectiveness. The policy may be assessed before that time if changes in the Faculty Collective Bargaining Agreement mandate campus changes.

An alternative effective date may be proposed by the College for approval by the Personnel Planning and Review Committee based on the appropriateness of the date to the change in criteria. However, any candidate under review may elect to be considered under the new criteria at an earlier time or under the old criteria for three years from the date the new criteria were approved at the University level. Candidates who elect to be considered under either of these alternative effective dates must notify the Department Chair and the Dean in writing, with a copy to the Personnel Action File, no later than the end of the second week of the academic year during which they are being reviewed.

Section 612.5.2. is revised as follows:

See Section 612.5.2.g. for effective date for new or revised criteria.
  
- g. If a Department elects to change the criteria in its personnel procedures, those criteria will become effective three (3) years after they have been approved at the University level. An alternative effective date may be proposed by the Department for approval by the College Committee and the Personnel Planning and Review Committee based on the appropriateness of the date to the change in criteria. However, any candidate under review may elect to be considered under the new criteria at an earlier time or under the old criteria for three years from the date the new criteria were approved at the University level. Candidates who elect to be considered under either of these alternative effective dates must notify the Department Chair and the Dean in writing, with a copy to the Personnel Action File, no later than the end of the second week of the academic year during which they are being reviewed.

**Clarification of Policy on Lecturers' Role in Elections of Search and Screen  
Committees for Deans, Associate Deans, and Department Chairs**  
(Approved April 22, 2005)

Section 609 of the *Administrative Manual* is revised as follows:

609 Election Guidelines

609.1 General Considerations

These guidelines apply generally to department and college personnel committees, search and screen committees, and other relevant faculty committees. More explicit procedures may apply to committees described separately in this manual.

Faculty personnel elections mandated by Section 600 shall be conducted so as to assure confidentiality and to avoid conflict of interest or any possible improprieties.

609.2 Election Procedures

Departments and colleges shall observe the following guidelines when conducting faculty personnel elections or when establishing their own election procedures:

1. Setting reasonable timelines and clear deadlines.
2. Providing for faculty oversight in the preparation, distribution, and collection of ballots.
3. Clarifying voter eligibility and conditions for ballot validity.
4. Insuring voter confidentiality (e.g., use of double envelopes).
5. Specifying methods for counting votes, handling ties, and possible post-election storage and future use of ballots.
6. Where written college election procedures so specify, lecturers may vote for members of search and screen committees for deans and associate deans. In the absence of such specification, voting for committee members is restricted to full-time, tenure track faculty.
7. Where written department election procedures so specify, and subject to the limitations of Section 622.6.2.a.(2), lecturers may vote for members of search and screen committees for department chairs. In the absence of such specification, voting for committee members is restricted to full-time, tenure track faculty.

SANE PEOPLE--AND PEOPLE WITH JEWISH BICEPS-- HAVE INTERPRETED THIS TO LEAD TO THE FOLLOWING BEHAVIOR. ATTACH, SAY, AN ARTICLE OR A PYRAMID ONCE IN A REVIEW. INSCRIBE SAID OBJECT, BY TITLE, IN THE INDEX. HAVE THE OBJECT SCRUTINIZED BY REVIEWERS. THE NEXT YEAR, THAT OBJECT NEED NOT BE PHYSICALLY RE-INSERTED SINCE THE INDEX, PERMANENTLY IN THE PAF, STANDS FOR IT WHILE IT HAS BEEN REVIEWED IN A LETTER THAT NOW IS EVIDENCE IN THE PAF. **CALIFORNIA STATE UNIVERSITY, NORTHRIDGE**  
**POLICY ON CERTIFICATES**  
(Approved May 25, 2009)

The primary responsibility of the University is to provide educational experiences leading to a baccalaureate, master's or doctoral degree. It also provides education for professional licenses or credentials offered by off-campus authorities.

In addition, the University offers coursework which serves a more specialized purpose, but which is of significant value to individuals. To encourage the development of these programs, and to recognize the individuals who complete them, the University has approved the following policy governing the issuance of certificates. University and Advanced Professional Development certificates consist of formally constructed and approved areas of study designed to meet requirements for professional competence, expand access to specialized knowledge, and meet occupational needs for advanced interdisciplinary work. Certificates attest to the acquisition of specialized knowledge and skills in particular academic, professional or service areas.

**I. Types of Certificates**

The University authorizes the issuance of three types of certificates:

1. The University Certificate (Credit)
2. The Certificate in Advanced Professional Development (Non-credit)
3. The Certificate of Participation

All certificates bearing the name of the University shall be one of these three types. Furthermore, no member of the University faculty, administration, or staff other than those who are authorized, as outlined in this document, shall issue a certificate bearing the University name; or the name of any of the University's colleges, departments, units, or study centers; or the University seal; or the University logo.

Before considering the development of a certificate program, carefully review both this policy and the attached document, "Basic Principles for the Creation of Certificate Programs."

**II. The University Certificate**

Students may earn a University Certificate in recognition of satisfactory completion of a planned sequence of courses at the graduate or upper division undergraduate levels designed and approved in accordance with the following:

- A. University Certificate programs generally shall be designed for post-baccalaureate students.
- B. The program shall consist of at least 15 graduate or upper division semester units specified for the program.
- C. Any prerequisites for the courses in the program shall be clearly stated.
- D. No more than twenty-five percent of the units required for the program shall be transfer units. The program coordinator will evaluate all transfer units.

- E. Students may not earn more than four semester units (or the equivalent) in the program through internships or independent study.
- F. All credit courses in the program shall be graded in the traditional manner (e.g., A through F), except for those courses that are offered only on a Credit/No Credit basis.
- G. A University Certificate program shall not infringe upon existing degree or credential programs. A graduate degree program may have an embedded University Certificate(s).
- H. A student must complete the University Certificate program within five years after acceptance to the program or enrollment in courses credited to the program. Departments may make an exception to this rule if the student is pursuing a degree at Northridge in conjunction with the certificate program in question.
- I. Approval of the program's curriculum shall follow standard University curricular procedures. Approval by the graduate studies committee of the Faculty Senate and the provost and vice-president for academic affairs is required.
- J. The dean of the appropriate college will coordinate the approved program. In turn, the dean in consultation with the relevant chair(s) will designate a faculty member to take responsibility for implementing the program.
- K. As an additional step, the University Certificate programs that envision self-support funding should be planned by the relevant academic college and/or department in collaboration with The Tseng College of Extended Learning and must be approved for self-support financing by the dean of The Tseng College of Extended Learning.
- L. The provost and vice president for academic affairs or designee will review University Certificate programs every five years, or earlier, if necessary. The office of the provost will be responsible for tracking the creation of certificate programs, the review schedule for each, and the results of the program review so that the history of each certificate program and the outcome of reviews can be considered by subsequent review committees. The department chair or the dean of the college offering the program, the graduate studies committee, or the associate vice president of graduate studies, research and international programs, may identify a need for a University Certificate program review and/or recommend termination of a University Certificate program.
- If the graduate studies committee recommends termination of a University Certificate program, existing procedures for the termination of academic degree programs will be followed.
- M. All literature published and circulated in connection with the program shall have the prior approval of both the appropriate college dean, and the provost and vice president of academic affairs. Approved descriptions of programs may be included in the University catalog. When the certificate is issued, it may bear the seal of the University.

#### **Admission to University Certificate Programs**

University policies and requirements for admission to graduate study as established for graduate degree programs also apply to students pursuing a university certificate.

- New students applying for admission to University Certificate Programs must submit the Graduate/Postbaccalaureate Application for Admission to the university accompanied by prior degrees and scores on appropriate standardized tests.
- Continuing postbaccalaureate students must submit a request for a Change of Objective form to the Graduate Studies Office.
- Only students who meet Graduate Studies admission requirements for post-baccalaureate standing will be considered. This includes submission of acceptable TOEFL scores for international students.
- Upon recommendation of the certificate program faculty, successful applicants will be admitted to classified postbaccalaureate standing.

### **University Certificate Program Requirements**

- A Certificate Program form must be filed with the Office of Graduate Studies no later than the student's second semester of study.
- Traditional letter grades are required in all courses taken except as noted above.
- Course credit must be earned through regular or extended learning enrollment at California State University, Northridge.
- No more than 9 units of the certificate program may be transferred for the completion of any other degree/program.
- Additional graduate-level units may be double counted toward a graduate degree with prior permission of the graduate program.

### **Application and Eligibility for Certificates**

- An application for the award of a University Certificate must be filed no later than the first two weeks of the semester or term in which the program is to be completed.
- Candidates are eligible for the certificate when recommended by the faculty certificate coordinator and upon completion of the program within a 5-year period with a minimum grade point average of 3.0 (a "B" average) in the program coursework. Grades below a "C" and grades of "I", "RP/SP", or "RD" are not permitted toward the certificate.
- A completed University Certificate Program form must be filed with the Office of Graduate Studies after all coursework has been completed. Following review the form is returned to the certificate program coordinator for signature. The Graduate Studies office will update Solar so that the certificate appears on the student transcript.

### **Approval of New Certificate Programs**

All new University certificate programs are reviewed under the prevailing processes required for new degree programs. Review and approval by the Graduate Studies Committee is required.

### **III. The Certificate In Advanced Professional Development**

Students may earn The Tseng College of Extended Learning Program Certificate in Advanced Professional Development in recognition of satisfactory completion of a planned sequence of not-for-credit courses and workshops designed and approved in accordance with the following:

- A. The program shall consist of at least one hundred hours of instruction (or the equivalent) specified for the program.
- B. All requirements for the certificate program shall be clearly identified and announced.
- C. Courses in the program shall be graded in the traditional manner (e.g., A through F). Even though graded, these courses cannot be transferred to graduate and credential programs.
- D. A 2.5 minimum overall GPA is required in the certificate program for an Advanced Professional Development program. However, certificate programs may set higher standards.
- E. Criteria for assessment of satisfactory performance in the program must be stipulated at the time program approval is sought.
- F. A time limit not to exceed five years shall exist for completion of all certificate requirements. Programs may set shorter time limits for completion.

**What do I need in addition to my form and where do I take the completed request?**

1. Attach a **typed** statement that describes the serious and compelling reason for your request and the consequences to you if your request is not granted. Your statement is an important factor in the decision on your request.
2. Print out your class schedule and attach it. Log into myNorthridge at [www.csun.edu](http://www.csun.edu). Under My Path to Graduation, click Student Center (SOLAR) and then View Class Schedule. Include this even if it shows that you are not registered in any classes. **Extended Learning students** can go to the College of Extended Learning box, click on Student Center. Then click on View My Class Schedule to view and print the schedule.
3. Attach written documentation or evidence that supports the reason you have described in your statement. This might include a letter from an employer, medical information, court document (documents must be on letterhead), or information from relevant CSUN departments (e.g., Financial Aid, Admissions and Records print outs, emails, etc.). All must explain a direct connection between the requested action and the serious and compelling reason you cited in your statement.
4. Submit the form to the appropriate Associate Dean. If your request involves one course or courses within only one College, submit your request to the Associate Dean of the College that offers that course or courses. If your request involves courses from more than one academic college, submit your request to the Associate Dean of the College for your Major. A list of Associate Deans is at <http://www.csun.edu/~assocdeans>. Click "Find information by course or major" to identify **the correct Associate Dean** for your course or major. **Open University students** must contact the Associate Dean of the department offering the class, not the Dean of the college of your major.

## Late Change of Academic Schedule for Undergraduate Students and Second Bachelor's for use during Weeks 5-12 of Fall and Spring Semesters, and after the Late Registration/Schedule Adjustment deadlines of each Summer session and Winter Term

### Frequently Asked Questions

#### Will my request be approved?

**Changes in academic schedules after the Late Registration/Schedule Adjustment deadline for the current academic term and session are rarely approved and will be considered only in cases where the student can provide written proof of extraordinary circumstances that have arisen from events beyond his or her control.**

- Add classes late
- Drop classes late
- Change basis of grading from Credit/No Credit to a letter grade (A-F) or vice versa
- Completely withdraw from the University
- Late Registration (i.e., add classes in the current term for the first time)
- Partial and complete medical withdrawals

#### How do I request a withdrawal during weeks 5-12?

Students who must withdraw for reasons beyond their control, and who can justify serious and compelling circumstances, may withdraw without academic penalty by securing the approval of the instructor and the appropriate campus officials. Under no circumstances does nonattendance nor the stopping of payment of a check constitute a withdrawal from the University.

#### What documentation is required for medical withdrawal requests?

Students seeking a complete or partial medical withdrawal must provide relevant medical documentation by health provider. Letters from doctors must be on letterhead with license number. Partial medical withdrawals will be permitted when there is a clear link between the class and the medical condition. Requests solely seeking a reduced course load without specific and focused medical justification do not demonstrate the required link.

#### How will I be notified of the decision and what should I do while waiting?

Associate Deans of Colleges will normally make their decisions within one week of receiving the form and will inform students of their decision by e-mail to their CSUN email address. Students should continue to attend class while waiting for decisions.

#### What will happen if my request is granted?

The Associate Dean will transmit approved decisions directly to Admissions and Records. Any courses for which withdrawals are approved will result in a W on student transcripts. Changes in the number of units might result in an increase in fees or a partial refund. You will need to check your portal if you owe additional fees or are due a partial refund. The refund policy for regularly enrolled CSUN students can be found at <http://www.admn.csun.edu/ucs/>. **Open University students** may visit: <http://tsengcollege.csun.edu/openuni-dates.html>

#### How is Financial Aid affected by changes in academic program?

Please contact Financial Aid before completing this petition to ensure you understand the financial impact of this withdrawal. Your Financial Aid may be reduced or canceled and/or you may be asked to repay Financial Aid dollars to CSUN. For more information contact Financial Aid at (818) 677-4085. **Open University students** are not eligible for Financial Aid.

#### Which form should I use?

This **Late Change of Academic Schedule Form** is to be used by undergraduate students and Second Bachelor's beginning with the first business day after the Late Registration/Schedule Adjustment deadline for the current academic term or session (see [www.csun.edu/amr/soc/adjisched.html](http://www.csun.edu/amr/soc/adjisched.html) for specific dates) to request approval for the following late actions:

The situations listed in the paragraph below DO NOT meet the criteria of extraordinary circumstances. Furthermore, there must be no viable alternative to the requested change, such as repeating the course or enrolling in the course in the following semester. Completion of this form is the first step in the review process and does not imply that the request will be approved. Any request received after the last day of the semester will be considered retroactive and must be submitted on the form entitled *Request for Retroactive Action for Undergraduate Students*.

The following situations **ARE NOT** considered extraordinary circumstances and **WILL NOT** be approved to justify a change in schedule after the Late Registration/Schedule Adjustment deadline for the current academic term/session:

- (a) failing the class or receiving less-than-desired grade;
- (b) waiting for the instructor to give a permission number;
- (c) failing to take action to add or drop a class prior to the end of the third week of instruction;
- (d) failing to make payment of registration and/or waiting for Financial Aid;
- (e) the need to work because of financial considerations or opportunities;
- (f) encountering a situation that should have been anticipated, such as the need to have transportation or child care, the need to pay for ordinary living expenses;
- (g) aspirations of either the student or his/her family in regard to GPA, the dean's list, graduate school, scholarships, etc.;
- (h) dissatisfaction with course material, instructor, instructional method, or class intensity;
- (i) lack of motivation, change in academic interests, or change of major;
- (j) participation in extracurricular activities; or
- (k) academic overload and inability to keep up in all classes.

The following situations are typically the only ones that **WOULD** meet the standard of extraordinary circumstances for which there is no viable alternative and would justify a change in schedule after the Late Registration/Schedule Adjustment deadline:

- (a) medical documentation that the academic schedule is detrimental to the student's physical or mental health (see the Change of Schedule Policy for Complete and Partial Medical Withdrawals at [www.csun.edu/amr/soc/adjisched.html](http://www.csun.edu/amr/soc/adjisched.html));
- (b) activation for compulsory military duty;
- (c) Relocation out of the immediate area.

**Maximum Number of Majors and Minors:**

A maximum of up to two majors and up to two minors is permitted, provided all work can be completed within 140 units. A major and an honors major in the same program are considered to be a single major. Exceptions to the 140unit completion rule can be made for CSUN bachelor's degrees that require more than 120 units to complete. Students who receive an exception must be able to complete the second major and any additional minors within 20 units beyond the number of units required for the bachelor's degree in their first major.

**Declaring a Major:**

Students who start at CSUN must declare a major by the completion of 60 units. Students who are currently Undecided or Undeclared and wish to declare a major must have the major approved by the department chair of the new major. Transfer students must declare a major in their transfer application. Students who have earned 60 units and have not declared a major will have a registration hold placed on their ability to register for the following semester's courses. These students will not be able to register for courses until they declare a major. Note: Courses numbered below the 100 level do not count toward the 60 units. Advanced Placement (high school) units do count toward the 60 units.

**Adding a Second Major:**

Students can add a second major (double major) only if they can complete both majors within 140 units. Students may not add a second major after completing the requirements for their first major. Student requests to add a second major must be approved by the Department chairs of the existing major and the second major. If the student seeking to add a major has 90 or more earned units, the request also must be approved by the associate dean of the new major. All requests to add a second major must be accompanied by a plan demonstrating that the additional major can be completed within 140 units. When a student completes two majors, both majors will be recorded on the diploma. Courses taken to satisfy the requirements for one major may be double counted if they satisfy requirements in the second major.

**Changing Major or Option:**

Students seeking to change majors /options must be able to complete the new major/option within 140 units. Student requests to change a major/option must be approved by the Department chair of the new major/option. If the student has 90 or more earned units, the request also must be approved by the associate dean of the new major/option. Requests to change majors or options must be accompanied by a plan demonstrating that the new major/option can be completed within 140 units.

**Adding a Minor:**

Students can add a minor only if they can complete both their major and the minor within 140 units. Student requests to add a minor must be approved by the Department chair of the new minor. If the student has 90 or more earned units, the request also must be approved by the associate dean of the new minor. Requests to add a minor must be accompanied by a plan demonstrating that the minor can be completed within 140 units.

**Changing a Minor:**

Students may drop their current minor at any time. They may add a new minor as long as they satisfy the policies and procedures for adding a new minor.

**Earning a Major and Minor or More than One Minor from the Same Department:**

Students may earn a major and a minor from the same department, or more than one minor if the major and minor(s) are associated with different academic degree programs. Note that different options in the same degree program are not considered different academic degree programs for this policy.

**Transfer Units:**

When computing the earned unit limits on adding majors and minors, a maximum of 70 community college transfer earned units or a maximum of 90 four-year college/community college combination transfer earned units will be counted.

**Appeals Process:**

Students for whom a request for Change of Major or Minor has been denied may appeal the decision by applying to the Majors/Minors Appeals Board composed of an associate dean, a representative of Undergraduate Studies, the AS President or designee, and two faculty members selected by the Faculty President. The appeal form may be obtained in UN 215.

## Change of Minor for Currently Enrolled Undergraduates

Currently enrolled students may change their minor (plan) with departmental approval. **Section A** - All students must complete Section A. Use your **Degree Progress Report (DPR)** and the CSUN catalog to determine the units requested.

**Section B** - Students with **75 units** or more completed must also complete Section B.

**Section C** - Students seeking only to remove a minor should complete Section C.

Students with **90 units** or more completed must also obtain the Associate Dean's approval.

**Maximum Number of Majors and Minors:**

A maximum of up to two majors and up to two minors is permitted, provided all work can be completed within 140 units. A major and an honors major in the same program are considered to be a single major. Exceptions to the 140unit completion rule can be made for CSUN bachelor's degrees that require more than 120 units to complete. Students who receive an exception must be able to complete the second major and any additional minors within 20 units beyond the number of units required for the bachelor's degree in their first major.

**Declaring a Major:**

Students who start at CSUN must declare a major by the completion of 60 units. Students who are currently Undecided or Undeclared and wish to declare a major must have the major approved by the department chair of the new major. Transfer students must declare a major in their transfer application. Students who have earned 60 units and have not declared a major will have a registration hold placed on their ability to register for the following semester's courses. These students will not be able to register for courses until they declare a major. Note: Courses numbered below the 100 level do not count toward the 60 units. Advanced Placement (high school) units do count toward the 60 units.

**Adding a Second Major:**

Students can add a second major (double major) only if they can complete both majors within 140 units. Students may not add a second major after completing the requirements for their first major. Student requests to add a second major must be approved by the Department chairs of the existing major and the second major. If the student seeking to add a major has 90 or more earned units, the request also must be approved by the associate dean of the new major. All requests to add a second major must be accompanied by a plan demonstrating that the additional major can be completed within 140 units. When a student completes two majors, both majors will be recorded on the diploma. Courses taken to satisfy the requirements for one major may be double counted if they satisfy requirements in the second major.

**Changing Major or Option:**

Students seeking to change majors /options must be able to complete the new major/option within 140 units. Student requests to change a major/option must be approved by the Department chair of the new major/option. If the student has 90 or more earned units, the request also must be approved by the associate dean of the new major/option. Requests to change majors or options must be accompanied by a plan demonstrating that the new major/option can be completed within 140 units.

**Adding a Minor:**

Students can add a minor only if they can complete both their major and the minor within 140 units. Student requests to add a minor must be approved by the Department chair of the new minor. If the student has 90 or more earned units, the request also must be approved by the associate dean of the new minor. Requests to add a minor must be accompanied by a plan demonstrating that the minor can be completed within 140 units.

**Changing a Minor:**

Students may drop their current minor at any time. They may add a new minor as long as they satisfy the policies and procedures for adding a new minor.

**Earning a Major and Minor or More than One Minor from the Same Department:**

Students may earn a major and a minor from the same department, or more than one minor if the major and minor(s) are associated with different academic degree programs. Note that different options in the same degree program are not considered different academic degree programs for this policy.

**Transfer Units:**

When computing the earned unit limits on adding majors and minors, a maximum of 70 community college transfer earned units or a maximum of 90 four-year college/community college combination transfer earned units will be counted.

**Appeals Process:**

Students for whom a request for Change of Major or Minor has been denied may appeal the decision by applying to the Majors/Minors Appeals Board composed of an associate dean, a representative of Undergraduate Studies, the AS President or designee, and two faculty members selected by the Faculty President. The appeal form may be obtained in UN 215.

# Request for a Grade of Incomplete

## *Important Information for Student and Instructor*

In order to be considered for a grade of Incomplete, the **student** must:

1. Initiate the request for an Incomplete by filling out the reverse side of this form and submitting it to the instructor of the class for which the Incomplete is being requested. **The instructor cannot initiate the Incomplete request.**
2. Have a passing grade in the work completed.
3. Have completed a substantial portion of the work in course for which an “Incomplete” is being requested (e.g. only one or two assignments need completion).
4. Be able to complete the remaining work independently **within one year**, with minimal assistance from the instructor.

### **Directions to the Student**

1. Complete the Student Information section and Part I on the opposite side of this form.
2. Submit the completed form in person to the course instructor **on or before the day of the Final Exam for this course**. If you fail to submit the Request by the deadline, you will receive the grade that you have earned for the entire course, including work completed and penalties for work not completed. No retroactive “Incomplete” grades are permitted.
3. Verify your Incomplete grade on the Portal after grades are posted.
4. If your request is granted, obtain a copy of the completed “Request for a Grade of Incomplete” form from the instructor or department office. Part II of the form, completed by the instructor, describes the assignments that must be completed in order to replace the Incomplete with a letter grade or CR/NC and specifies the date by which this work must be completed. Part II of this form serves as the official contract for completing the Incomplete.
5. If the work described by the Instructor is not completed by the designated date, the “Incomplete” will automatically be converted to an Incomplete Charged (IC), which is equivalent to an F. The instructor **CANNOT** allow more than one calendar year from the last official day of the semester in which the Incomplete is assigned.
6. **DO NOT** enroll in the same course before the time limit for completing the Incomplete has elapsed. If you do so, the “Incomplete” will automatically be converted to an F.

### **Directions to the Instructor and Department**

1. Check all appropriate boxes in the “Instructor Information” section.
2. Fill out the information that describes the assignments to be completed **AND** the date by which they are due. The maximum amount of time that you can allow for completion is one year from the last official day of the semester in which the Incomplete is assigned, but you can specify a shorter time frame. If you do so, it is your responsibility to enforce the earlier deadline.
3. If you grant the request, assign a grade of “Incomplete” on the SOLAR grade roster. If you deny the request, give the student a grade based on the work completed and penalties for the work not completed.
4. Submit the completed form to your department office *no later than ten business days after the last day of the Final Examination Period*.
5. When the required work is completed, the instructor will fill out a “Correction of Grade or Removal of Incomplete” form and turn it in to the Department office. If the form is not submitted, the grade of Incomplete will automatically be changed to an Incomplete Charged (IC), which is equivalent to an F, after a period of one year from the original assignment of the Incomplete grade.
6. The department will obtain all additional requested signatures and submit the form to Admissions and Records. The Department must retain the “Request for a Grade of Incomplete” form or a digital copy **AND** a copy of the “Correction of Grade or Removal of Incomplete” form or a digital copy for a minimum of three years from the last day of the semester in which it was originally filed.

## VIEW CONTRACT FOR A GRADE OF INCOMPLETE

This is a tutorial only. No log in is required.

### Introduction

Students can view and accept a contract to change a **grade of Incomplete (“I”)** to an earned grade by logging into the **Student Center (SOLAR)** and selecting **View My Grades**. You can only view an **Incomplete Contract** online when:

1. You’ve completed and received approval in paper form *—and—*
2. Your professor has entered the contract in SOLAR.

### Request an Incomplete

- Ask your professor for an “I” by completing the **Request for a Grade of Incomplete** in paper form and by taking it to him/her **in person *on or before*** the day of the final exam.

### Accept an Incomplete Contract

- You are not required to accept your Incomplete Contract online, but the electronic record is there for reference.

### Remove an Incomplete

- Complete the coursework no later than **one calendar year** from the last official day of the semester in which the Incomplete is assigned. Your professor may give you an earlier deadline.  
**IMPORTANT!** Failure to complete the assigned work before the deadline will result in a grade of **Incomplete Charged (“IC”)**, which is equivalent to an “F.”

### Grade of Incomplete Policy

- Go to [Undergraduate Policies and Procedures](#) and search for Grading Symbols, Policies and Assistance > Incomplete (I)

---

#### Step 1

Go to the **CSUN home page** at [www.csun.edu](http://www.csun.edu) and log in with your CSUN User ID and Password.

- The **work required** for removal of the “I” grade

If you have any questions, contact your professor.

To accept the contract online, check the “I acknowledge that I have read and agree to the above Terms and Conditions” box.

Click the **Return** button to go back to the **View My Grades** page.

---

### Step 9

On the **View My Grades** page, the **Official Grades** table shows that you have accepted the Incomplete Contract. Your grade of Incomplete (“I”) will display about one week after finals.

**Notes:**

- If you don’t see a grade, wait a few days until grades are posted in the system.
  - No grade points display for the “Incomplete” class because the work is not yet complete.
- 

### Step 10

When you complete the coursework and your instructor evaluates it, s/he will enter the date it was completed.

The **Completed** box on the contract page will be checked and the date you completed the work will display.

Click **Return** to go back to **View My Grades**.

---

### Step 11

You’ll be able to view your new grade and the grade points earned a few business days after your professor reports the grade change to Admissions and Records.
