Dear participating students,

I am so pleased to know you have been selected to participate in our first firm tour to AIG. In order to make this tour successful and rewarding, we have to work as a team. Everyone is a CSUN ambassador to this global insurance company. Following are a few things to make sure all of us are on the same page.

Pre-tour preparation:

- Dr. Chang will send a group email to all participating students with this file attached.
- Each participating student is expected to prepare two questions about AIG. Please email them to Dr. Chang by “replying to all” using the above group email before Friday of Oct. 7, so all of us are informed and questions are not repeated.
- All participating students are invited to meet with Dr. Russell, Dr. Chang and Amy Feliciano at Noski Auditorium 101 on Wednesday of October 5 at 3:45 pm.

Date: Wednesday, Oct. 12, 2016, 10:30 am – 12:00 pm

- All participating students should arrive at the lobby of the following building at 10:10 am.
- Each student has to check in with the security guard at the counter and receive a sticker before 10:25 am. This may take some time because of security concerns.

AIG:

- Key hosting executives: [Troy Mette](#) (Managing Director of AIG) and [Bill Ortgiesen](#) (Executive Client Director of AIG Property Casualty)
- Its office is located in the Financial District of Downtown Los Angeles.
- Address: 777 S. Figueroa St., Los Angeles, CA 90017 ([View at Google Map](#))

Parking: The building is located on the corner of 8th and Figueroa. There is a parking structure behind the building that can be accessed from 8th or 7th St. (7th is a 2 way street, while 8th is a one way going west.) It is the parking structure used for this building, plus Target and other stores in the complex. You will see the Target name/logo on the outside of the parking structure.

Dress: Participating students must dress in professional attire.

Group picture:

- All participating students will take a group picture at the company.
- The photo will be posted at <http://www.csun.edu/center-for-risk-insurance/photos> along with your testimonials. After our trip, please email Dr. Chang at mchang@csun.edu about your experience of this tour by October 14.

Go Matadors and let CSUN shine,

Dr. Shane Chang
