International MOU/Initiative Approval Signature Cover Sheet

CSU policy now requires that the president sign all MOUs but for the president to have clear evidence that a given MOU has been reviewed and approved in keeping with CSUN internal practices this approval coversheet must be attached to the MOU going forward for presidential signature

The attached draft agreement/MOU between CSUN and the following international college/university:

has been reviewed and approved by the following administrators:

1. The signature from the Tseng College confirms that the proposed MOU has been reviewed for its preliminary compliance with current CSU and CSUN policies for international MOUs of its type and for fiscal viability if the MOU entails a commitment of CSUN resources.

Associate Dean, Tseng College (John Binkley) Date: _____

2. The signature of the chair(s) from the department(s) from which the proposed MOU is being put forward confirms that this is an international initiative of importance to the department(s) in question and that, in that light, the department(s) are prepared to actively support the international relationships/initiative outlined in the MOU.
