

BS Core & Recommended Course Sequence: Options II (Ecol/Evol) & V (Marine)

Arrows connect courses with required or recommended prerequisites. Dashed arrows indicate alternative pathways to meet math or organic chemistry requirements.

Because laboratories are particularly intensive and time consuming it is strongly recommended that during your first two years you take no more than two courses with a lab component in any semester.

* Enrollment in Math 102 requires a passing score on the ELM or completion of Math 093; Math 104 & 105 require a passing score on the MPT or a grade of C or better in Math 102. ** Enrollment in Chem. 101 requires a passing score on the CPT or completion of Chem. 100 (at CSUN) with a grade of C or better.
