Civic and Community Engagement

Did you know that CSUN offers a minor in Civic and Community Engagement?

Requirements

CCE 200  Introduction to Civic and Community Engagement (3 units)

CCE 490  Capstone Seminar in Civic and Community Engagement (3 units)

The CCE Minor consists of 18 units. In addition to the two core courses, you are required to complete 12 units focused on a particular theme or discipline, including 3 units classified as community service or fieldwork.

Apply courses in a General Education Path toward a CCE Minor, or create your own theme or discipline in consultation with the CCE Program Director.

Minor in CCE!

The Civic and Community Engagement Minor is designed for students who wish to apply what they learn at CSUN toward making positive changes in their communities and the world. The Minor provides skills for students to successfully integrate their academic and professional interests with their desire to create healthy, humane, successful, and sustainable communities. Students will combine their CSUN coursework and collaborations with community partners to become informed and active members and leaders in society.
