Thank you for contacting the CSUN Language, Speech and Hearing Center. Here are our current rates for Speech and Language Services:

- **Evaluation** $275.00
  - *Evaluations are usually 1½-2 hours in length.*
  - *A case history, evaluation, diagnosis, behavioral goals, and a treatment plan are required before therapy can begin.*
  - *As a consumer, you should always be aware of these above-mentioned elements, and be in agreement with the goals and plan prior to beginning the next phase: therapy.*

- **Therapy** $600.00 per semester
  - *Our semester is generally 12 weeks in length, and includes approximately*
    - 11 to 12 1-hour appointments, or
    - 22 to 24-½ hour appointments.
  - *There is some variability in the number of appointments due to school holidays, and the start and stop points on the University calendar.*
  - *If you have to start therapy more than 3 weeks into the treatment semester because of your evaluation appointment, your therapy fee will be pro-rated.*

- Our fees are due at the beginning of the semester. If you are unable to pay the complete fee at the beginning, we do have payment plans. All payment plans must be paid up by the 1st day of the last month of the semester.

- Please be sure that you can attend therapy before beginning: attendance in therapy, and follow through with home practice, is crucial to the success of any great therapy program, and a positive outcome for our clients.

Please let us know if we can help you with an evaluation or therapy.
