ERC's Charge

“This committee shall make general policy recommendations in order to guide the allocation of all University resources which impact educational programs. In carrying out its charge, the committee may review and advise on current and proposed allocation of faculty positions; the allocation and the projected needs for space; support equipment and operating expense budgets; the allocation of resources for technology; the assignment and projected needs of support staff; the recommendations of other faculty governance committees which have significant educational resource implications; additionally, at the request of an appropriate University committee or an Associate Dean, independently evaluate proposals for new programs with regard to their impact on the available educational resources of the University.” — *from ERC Bylaws*
