** A graduate is defined as any student having already earned a bachelor’s degree.

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Please go to [www.csun.edu/stufin](http://www.csun.edu/stufin) for fee changes if and when they are approved by the Board of Trustees.

Approved fee changes will be posted to your student account.

Subject to change without notice or obligation. 03/17

Online Installment Payment Plan (IPP)

Depending on your registration date, you will be eligible for one of three IPPs. Please wait at least four hours after course registration to enroll in the IPP. Only after registering for classes can a student enroll in an IPP. Students must enroll in an IPP online prior to making any installment payments. Please do not wait until the deadline date to activate your IPP. The first installment payment (including the $40 non-refundable administrative fee) can be made online via the myNorthridge portal or in person at University Cash Services (UCS) located in the lobby of Bayramian Hall.

To obtain more information, contact University Cash Services at (818) 677-8000, option 3 or email at ucs@csun.edu.
