Process

1. Select an approved designation at www.theinstitutes.org. (Preferred designations include ARM, AINS, CPCU, or AU.)

2. Email Dr. David Russell (david.russell@csun.edu) to seek approval for the designation to be pursued.

3. CSUN will buy and then lend the books needed for the course of study, if not already on reserve at Oviatt Library.

4. Register at the full-time student rate at www.theinstitutes.org.

5. When students receive evidence that they have passed an exam, they will submit that evidence to Dr. Russell for reimbursement. Allow six weeks for reimbursement.
