I Call to Order
II Approval of October 11th Meeting Minutes
III Announcements
IV Action Items
   1. Review of Regular Curriculum
      a. Michael D. Eisner College of Education – J.C. Lee and Mary-Pat Stein
         Secondary Education
         Course Modifications
         1. SED 554/S – Supervised Field Experience for the Single Subject Credential
            Change course description and requisites
         2. SED 555 – Supervised Practicum for the Single Subject Credential
            Change course description and requisites
         3. SED 593 – Field Experience for Single Subject Interns
            Change course description and requisites
         4. SED 593S – Field Experience for Single Subject Interns
            Change course description and requisites

         Special Education
         Course Modifications
         5. SPED 438CD – Student Teaching in Language, Speech and Hearing and Audiology
            Change course description, subject abbreviation number and requisites

      b. College of Engineering & Computer Science – Tom Cai and Mira Pak
         Engineering and Computer Science
         Course Modifications
         1. ATE 501 – Functional Biology and Design Innovation
            Change course title, course abbreviation and course description
         2. ATE 694 – Current and Emerging Topics in Assistive Technology
            Change course description and remove cross-listing with ATHS 694

         New Program and CSU New Degree Template
         3. Master of Science in Assistive Technology Engineering

         Electrical and Computer Engineering
         Course Modifications
         4. ECE 420 – Digital Systems Design with Programmable Logic
            Change course description
5. ECE 440/L – Electronics II and Lab  
   Change course description
6. ECE 442/L – Digital Electronics and Lab  
   Change course description
7. ECE 443/L – Pulse and Waveshaping Circuit Design  
   Change course description
8. ECE 520 – System on Chip Design  
   Change course description
9. ECE 520L – System on Chip Design Lab  
   Change course description
10. ECE 561 – Digital Communications Systems  
    Change course description and requisites
11. ECE 561L – Digital Communications Systems Lab  
    Change course description and requisites
12. ECE 622 – Digital Systems Structure  
    Change course description and requisites
13. ECE 671 – Microwave Engineering  
    Change course description and requisites
14. ECE 674 – Antenna Engineering  
    Change course description and requisites

Manufacturing Systems Engineering and Management  
Course Modification
15. MSE 415 – Product Design  
    Change course description and requisites

c. College of Humanities – Tom Cai and Mira Pak

Modern and Classical Languages and Literatures  
Informational Items
1. SPAN 508 – Literature of the Middle Ages  
   Change course level and subject abbreviation number
2. SPAN 509 – Literature of the Renaissance  
   Change course level and subject abbreviation number

Course Modifications
3. SPAN 512 – Golden Age Prose  
   Change requisites
4. SPAN 513 – Golden Age Poetry  
   Change requisites
5. SPAN 518 – Spanish Neoclassicism and Romanticism  
   Change requisites
6. SPAN 519 – Spanish Realism and Naturalism  
   Change requisites

d. College of Health & Human Development – Julia Heinen and Richard Moore

Environmental and Occupational Health  
Course Modifications
1. EOH 554 – Seminar: Environmental and Occupational Health Problems  
   Change course title, course abbreviation, course description and requisites
2. EOH 555 – Seminar: Environmental and Occupational Health Programs, Standards and Controls  
   Change course title, course abbreviation, course description and requisites
3. EOH 556 – Advanced Toxicology  
*Change course description and requisites*

4. EOH 560 – EOH Epidemiology  
*Change course description and requisites*

5. EOH 565 – Seminar: Industrial Safety  
*Delete course*

6. EOH 570 – Occupational Ergonomics  
*Change course title, course abbreviation, course description and requisites*

7. EOH 693A – Supervised Field Training  
*Change course description and requisites*

8. EOH 696A – Research Design  
*Change unit value, course description and requisites*

**New Courses**

10. EOH 501B – Environmental and Occupational Health Concepts-II

11. EOH 554MPH – Environmental and Occupational Health Problems

12. EOH 580 – Environmental and Occupational Health Sustainability

13. EOH 581 – Occupational Health Problems

14. EOH 582 – Environmental and Occupational Health Policy Analysis

**Program Modification**

15. Master of Science in Environmental and Occupational Health

**Kinesiology**

**Course Modifications**

16. KIN 479 – Perception and Movement  
*Change course description*

17. KIN 511 – Perceptual-Motor Development of Students with Disabilities  
*Change course description and requisites*

18. KIN 512 – Curriculum Development and Instruction in Adapted Physical Education  
*Change course description and requisites*

19. KIN 513/L – Adapted Therapeutic Exercise: Assessment and Design and Lab  
*Change course description and requisites*

20. KIN 514 – Physical Education and Sports for Students with Physical Disabilities  
*Change course description and requisites*

21. KIN 520 – Seminar in Coaching the Modern Athlete  
*Change course description and requisites*

22. KIN 526/L – Teaching Effectiveness in Kinesiology and Lab  
*Change course description and requisites*

23. KIN 560 – Clinical EKG and Exercise Stress Testing  
*Change course description and requisites*

24. KIN 575/L – Biomechanical Analysis Techniques and Lab  
*Change course description and requisites*

25. KIN 579 – Advanced Studies in Human Motor Behavior  
*Change course description and requisites*

26. KIN 605 – Research Methods and Design  
*Change course title, course description and requisites*

27. KIN 606 – Seminar in Social Psychology of Sport  
*Change course description and requisites*

28. KIN 608 – Seminar in Adapted Physical Education  
*Change requisites*

29. KIN 610 – Quantitative Analysis of Research in Kinesiology  
*Change course description and requisites*
30. KIN 612 – Qualitative Research Design
   Change course title, course description and requisites
31. KIN 645 – Seminar in Biomechanics
   Change course description and requisites
32. KIN 646 – Seminar in Exercise Physiology
   Change course description and requisites
33. KIN 652 – Seminar in Exercise Physiology of Skeletal Muscle
   Change course description and requisites
34. KIN 679 – Seminar in Motor Behavior
   Change course description and requisites

New Courses
35. KIN 601 – Advanced Evidence-Based Practice in Kinesiology
36. KIN 602 – Seminar in Current Issues in Kinesiology
37. KIN 607 – Seminar in Sport and Performance History
38. KIN 617 – Advanced Strength and Conditioning
39. KIN 626 – Seminar in Philosophy of Sport and Performance

New Program
40. Master of Science in Kinesiology: Option in Adapted Physical Activity, Sport and Performance Studies and Option in Exercise Science

e. College of Social & Behavioral Sciences – Joannie Busillo-Aguayo and Casey terHorst

Anthropology
New Courses
1. ANTH 500 – Foundations of Anthropological Theory and Method
2. ANTH 519 – Seminar in Archaeological Theory and Method
3. ANTH 527 – Advanced North American Archaeology
4. ANTH 549 – Advanced Historical Archaeology
5. ANTH 574 – Advanced Quantitative Methods in Anthropology
6. ANTH 575 – Advanced Ethnographic Research Methods
7. ANTH 590A – Research Seminar in Anthropology: Archaeology
8. ANTH 590B – Research Seminar in Anthropology: Biological Anthropology
9. ANTH 590C – Research Seminar in Anthropology: Cultural Anthropology
10. ANTH 590E – Research Seminar in Anthropology: Applied Anthropology
11. ANTH 698C – Thesis or Graduate Project

New Programs
12. Master of Arts in Public Archaeology
13. Post-Baccalaureate Certificate in Foundations of Anthropological Knowledge
14. Post-Baccalaureate Certificate in the Foundations of Archaeological Knowledge

Program Modification
15. Master of Arts in Anthropology

Public Administration
Program Modification

V Discussion Items
VI Adjournment
