CSUN Associated Students Introduces Zipcar

(NORTHRIDGE, Calif., January 2014) Associated Students introduces Zipcar, a program for Cal State Northridge students, faculty and staff to rent vehicles. Individuals can rent the cars for as long as they need them, from hours up to days at a time. Renters must be at least 18 years old with a valid driver’s license.

Cars used for the Zipcar program are all fuel-efficient vehicles and are all under three years old. Gas, insurance, maintenance and roadside assistance are all included in the hourly rate. Individuals must sign up for a Zipcar account online at www.zipcar.com/csun. Reservations for cars can be made over the phone or online. Members will receive a card, called a Zipcard, that will allow them entry into the vehicle designated to them.

The rental station will be located on Lindley Ave, near student housing and adjacent to the shuttle stop.

Associated Students is the official seat of student governance for the campus, as well as a service provider for the entire campus consisting of: AS Sports Clubs, AS Outdoor Adventures, AS Children's Center, AS Ticket Office, AS Campus Recycling and AS Productions. More information can be found on the Associated Students website at www.csunas.org.
