INTRODUCTION

The information in this guide has been compiled in the hope that it will be of use and initial assistance to international students at CSUN. The information is by no means complete or comprehensive; it is intended to be used in conjunction with the University catalog and other University publications. We encourage you to read it, print a copy, familiarize yourself with its contents, and keep it where you can refer to it from time to time. It will answer many of your questions and save you much time and effort. Please visit our website regularly for updates.

Please do not depend upon this or any other publication as your sole source of information and guidance. We strongly recommend that you communicate regularly with your academic advisor, your professors and the foreign student advisors (FSA) in the International and Exchange Student Center (IESC) to obtain answers to your questions and to seek advice on specific problems and general matters.

FUNCTIONS

The IESC staff provides services to all international students after they have been formally admitted to the University and will assist international students in 1) complying with the laws and regulations of the U.S. Citizenship and Immigration Services (USCIS) 2) referring them to the appropriate department for academic advising in their major field of study and 3) dealing with personal concerns. The Office also coordinates cultural and social events so that international students can share their national heritage with the campus educational community. A special new student orientation program is provided at the beginning of each semester to assist international students in adjusting to the campus environment and American customs.

REQUIRED IMMIGRATION DOCUMENTS

Passport

Maintain a valid passport at all times. Make sure to renew your passport at least six months prior to the expiration date. Your passport can be renewed within the United States at your country’s consulate or embassy. Information on your country’s Consulate/Embassy is available at http://www.usembassy.gov/

U.S. Visa

A Visa is a stamp or sticker placed in your passport at a U.S. consulate or embassy outside the U.S. A visa is only a permit to enter the United States. Once you are in the U.S., your I-20/DS2019 becomes the relevant document that helps you to maintain legal immigration status.

You must make sure that your visa is valid for your entry or re-entry to the U.S. An expired visa must be renewed at a U.S. consulate/embassy outside the U.S. prior to re-entry. Information on visa applications, related fees, and U.S. embassies is available at http://www.travel.state.gov/

Continuing students who plan to travel outside the U.S. and need to renew their F-1 visa must do the following:

- Check with the US Embassy/Consulate in their home country for appointments, required documents and processing times.
- Request IESC for a travel signature on page 2 of their I-20.
- Important! IESC provides advice for F-1 and J-1 visas only. Students are responsible for making inquiries regarding entry documents and procedures for entering all other countries.
Students are responsible for paying all required fees that are associated with the visa renewal process.

**Automatic Form I-94 Arrival/Departure-Record**

Form I-94 is the Department of Homeland Security’s arrival and departure record. The immigration officer at the port of entry enters your arrival/departure information in their database.

Your arrival and departure information will be recorded electronically in the CBP’s database. If you are traveling by land, you will be issued a paper Form I-94. In addition, the Port of Entry Officer will place an admission stamp in your passport marked with the visa status (F1, J1, etc.) and the letters “D/S” to indicate you have properly entered the U.S. D/S stands for “Duration of Status.” It covers the period of time for the completion of your course of study plus any periods of authorized practical training, plus 60 days for your preparation to depart the United States. J-1 students will have only 30 days to depart from the U.S. upon completion of their study program.

International students may access their electronic Form I-94 at [https://i94.cbp.dhs.gov/I94/#/home](https://i94.cbp.dhs.gov/I94/#/home) within approximately 24 hours of their arrival to the U.S. All students should keep a printed Form I-94 with their passport in case they apply for future benefits such as work authorizations, social security numbers, or driver’s licenses.

**I-20/DS-2019**

Once a student is admitted to CSUN, a Form I-20 (for F1 students)/DS-2019 (for J1 students) is created in SEVIS, Student and Exchange Visitor Information System--an online database that allows United States Citizenship and Immigration Services (USCIS) and the Department of Homeland Security (DHS) to track all F-1 and J-1 students. The I-20/DS-2019 is the official admission document that students will need for their visa interview at the U.S. Embassy. Your I-20/DS-2019 form expires on the date you complete your studies. This cannot be extended once you have graduated. If you lose your I-20/DS2019, or it is stolen or damaged, you must inform IESC immediately and request a replacement. Students must submit a completed Request for New I-20/DS2019 form (available at [http://www.csun.edu/international/current-students-forms](http://www.csun.edu/international/current-students-forms)) to IESC.

**Grace Period**

F-1 students are permitted to remain in the U.S. for up to 60 days after completing their program of study. Students must make plans to either return to their home country, begin a new program of study, or apply for Optional Practical Training before their 60 day grace period ends. Students who apply for OPT will receive an Employment Authorization Document (EAD) which will show the dates of validity. The 60 day grace period for these students begins once their OPT period ends.

J-1 students can remain in the U.S. for up to 30 days after completing their program of study. They may be eligible to participate in academic training under certain circumstances. Consult with the Alternate Responsible Officer (ARO) in the IESC for eligibility requirements. The 30 days grace period for these students begins once their academic training period ends.

**Extension of Stay**

F1 students: If you are unable to complete your program of study by the expiration date noted in item #5 on your I-20, you must apply for a program extension at least 60 days prior to that expiration date.
J-1 students: Please check item #3 on the DS2019 for the expiration date.

F1/J1 students must submit a completed Extension of Stay Request form (available at [http://www.csun.edu/international/current-students-forms](http://www.csun.edu/international/current-students-forms)).

**Change of Major**

You must report any change of your major and degree level to the IESC no later than 10 days after the change has been made by the Office of Admissions and Records and is visible on your web portal. IESC is required to report these changes to USCIS. You will need to request a new I-20. Students must submit a completed Request for New I-20 form (available at [http://www.csun.edu/sites/default/files/req-new-is20-ds2019.pdf](http://www.csun.edu/sites/default/files/req-new-is20-ds2019.pdf)).

**Travel Signature**

Remember to obtain a travel signature on your I-20/DS2019 from the IESC when traveling outside the borders of the U.S. *Plan ahead of time!* The IESC currently takes 7-10 business days to process your travel signature request. Processing time may be longer during busy periods. All students requesting a travel signature are required to submit a completed and signed Travel Signature Request Form (available at [http://www.csun.edu/international/current-students-forms](http://www.csun.edu/international/current-students-forms)) prior to their departure from the U.S.

**Important!** IESC provides advice for F-1 and J-1 visas only. Students are responsible for making inquiries regarding entry documents and procedures for entering all other countries.

Travel signatures are granted to students who meet all eligibility requirements.
- Travel signatures for continuing students will be valid for one year provided the student continues to maintain legal immigration status.
- Students who need to travel during the semester will have to either make sure they don’t miss any classes or request permission from their instructors to miss class.
- Students who have applied for Optional Practical Training (OPT) must show a Notice of Action Receipt from USCIS to request a travel signature. Students who have received an Employment Authorization Document (EAD) or approval for OPT must submit a copy of the EAD in order to request a travel signature. Students with expired F-1 visas are responsible for renewing them. USCIS recommends that students on OPT show a letter from their employer at the Port of Entry when returning to the U.S. All students who have either applied for or are currently on OPT should communicate with the FSA for current information on appropriate documents and immigration regulations. Travel signatures for students on OPT are valid for six months only.

**Transfer of a SEVIS Record:**

**Transferring In-**
The Office of International Admissions will issue an I-20 to students transferring in to CSUN. Students will receive an email from International Admissions when their CSUN I-20 is ready for pickup.

**Transferring Out-**
All students planning to transfer to another school need to submit a completed Transfer Release Form (available at [http://www.csun.edu/international/current-students-forms](http://www.csun.edu/international/current-students-forms)), and an Acceptance Letter from the new school. The student can either come in person to the IESC or email the required
paperwork to the appropriate Foreign Student Advisor. The request must be made by the student directly.

Please abide by the timelines and deadlines according to your situation:

- **New students who entered the US on an “Initial” CSUN I-20 and want to transfer to another school:**
  - must request their SEVIS record to be transferred out no later than 30 days after their arrival into the US OR the add/drop deadline of the current semester (at CSUN) whichever is earlier. They will be required to submit copies of their passport, visa, I-94 and I-20 (with entry stamp) in addition to the other paperwork.

- **New Students who have entered on an “Initial” I-20 from another US School, who have transferred to CSUN and then desire to transfer to another school:**
  - must request their SEVIS record to be transferred out no later than 30 days after their arrival into the US.

- **Continuing students:**
  - must request their SEVIS record to be transferred out no earlier than the last day of the current semester or no later than the add/drop deadline of the next semester (at CSUN) in which they wish to transfer.

- **Students on a current valid OPT:**
  - must request their SEVIS record to be transferred before the start date of the semester at the school where they want to start the new program of study. Please Note: If students transfer their SEVIS record out prior to the expiration of their OPT, they will forfeit the remaining period of their OPT. The OPT start and expiration dates are noted on the Employment Authorization Document (EAD).

- **Students who have graduated and have not applied for OPT:**
  - must request to have their SEVIS record transferred no later than 60 days after the completion date of their course of studies. The actual program completion date is the official end date of the student’s final semester at CSUN. Students are recommended to check with the IESC if the date on their I-20 is different from the actual completion date.

- **Students with an expired OPT EAD:**
  - must request to have their SEVIS record transferred no later than 60 days after the expiration date on their Employment Authorization Document (EAD card).

***Please consult with a Foreign Student Advisor at IESC if you have questions.***

### Proof of Health Insurance

Healthcare and health insurance are important aspects of your life while attending CSUN and requires careful thought and planning. International Students are required to have adequate health insurance throughout the duration of their F1 student status as mandated by the California State University Chancellor's office.

Due to the high cost of health care in the U.S., International students’ dependents are also strongly urged to have adequate medical insurance.
Provide proof of health insurance, including medical evacuation and repatriation coverage to IESC each semester/year. International Students email their proof of health insurance to insurance@csun.edu.

Students may purchase the pre-approved policy offered by Ascension Student Health Insurance at http://4studenthealth.ascensionins.com/csun. This policy meets the Health Insurance Requirements as mandated by the California State University Chancellor's office.

- Please note: if you are a government sponsored student, please scan and email your Financial Guarantee as proof of health insurance coverage to insurance@csun.edu. Your Financial Guarantee must be valid for the entire semester/s that you are planning to attend. Please include your first name, last name and CSUN ID number in the subject line of the email.

For more information regarding the Health Insurance requirement and the Foreign Registration Hold, please go to http://www.csun.edu/international/health-insurance-requirement/.

**Student ID Card**

The CSUN Photo ID card is the primary piece of identification which shows that you are a CSUN student. It gives you access to student discounts and permits you to use library services such as library loans, online databases, etc. You may obtain your Student ID card from Bayramian Hall Lobby (BH 100). The current cost of the ID is $5.00. Students are required to show photo ID for security purposes when visiting different departments or offices on campus.

**ACADEMIC REQUIREMENTS**

Be sure to meet with academic advisors and consult with FSAs as often as needed to make sure you are taking the right steps at the right time. Detailed information about academic requirements can be found in the University Catalog (http://www.csun.edu/catalog/).

**Required Course Loads**

As an international student, you are required to register in a full course load of classes each semester. The United States Citizenship and Immigration Services (USCIS) allows for certain exceptions to the full time enrollment requirement; however, all exceptions must be approved by the IESC.

Alternative Options for Full-Course Loads

Online classes
International students are permitted to take no more than the equivalent of one online class or three credits per semester to count towards their full-time enrollment.

Please Note: If you have only one class left to graduate, that class must be taken as an in-class, traditional course to be in compliance with legal guidelines governing your F-1 status.

Concurrent Enrollment
You may take a class or classes at another school while enrolled at CSUN provided:

- You are enrolled in minimum 6 units (undergraduate) or 4 units (graduate) at CSUN
- The combined units will add up to a full time course load each semester.
- You submit a completed Concurrent Enrollment Request form (available at http://www.csun.edu/international/current-students-forms). Students are responsible for clarifying course transfer requirements with academic departments.
- Students sponsored by third parties (home country government) must obtain permission for concurrent enrollment from the financial sponsor prior to requesting permission from IESC.
- Students submit proof of enrollment from the school where concurrent enrollment is permitted within one week of receiving the concurrent enrollment letter from IESC.
- Students are responsible for making sure that the classes they take at other institutions do not exceed the permitted number of transferrable units to CSUN and that the classes meet requirements towards their degree.
- Continuing Students may be permitted to take classes at other colleges and universities during intercessions (Winter and Summer) and are not required to be concurrently enrolled at CSUN.

Part-Time Status
International students always need to request pre-approval to be a part-time student as this information is reported in SEVIS. Students must meet with a Foreign Student Advisor to request a Part Time Request form. A completed form and supporting documents (if applicable) must be submitted to IESC no later than the Add/drop deadline of the semester in which the student will enroll in less than a full course of study. The student must resume a full course of study in the next available term, session, or semester, excluding summer and winter session, in order to maintain legal student status. Students may be permitted to enroll in a part-time course load under the following SEVIS approved categories only:

a) Academic Difficulty*
   - Initial difficulty with reading requirements;
   - Initial difficulty with the English language; OR
   - Improper course level placement
   *Important: Students must enroll in at least 6 units (undergraduates)/4 units (graduates) to be authorized for part-time status based on academic difficulty. A student previously authorized to drop below a full course of study due to academic difficulties is not eligible for a second authorization due to academic difficulties while pursuing a course of study at the same program level. A student authorized to drop below a full course of study for academic difficulties while pursuing a course of study at a particular program level may still be authorized for a reduced course load due to an illness/medical condition.

b) You are in your final semester and have only a few units remaining to graduate.
Undergraduate and Graduate students who have left to take one class to graduate, this class must be an in-class traditional course to be in compliance with legal guidelines governing your F-1 status.

Graduate students who have already enrolled in 698 (thesis/project) and were given a grade of “RP,” but still require ONE additional semester (Fall/Spring) to continue working on their thesis or graduate project may enroll in the Culminating Graduate Experience with department approval. Enrollment is through The Tseng College of Extended Learning (EXL). Enrollment is required in the semester/session the degree is awarded, including summer session.

c) You are ill or have a medical condition that requires a reduced course load. Written statement from a licensed medical doctor, doctor of osteopathy, or licensed clinical psychologist required.

- Letter should include:
  - Student’s Name
  - Semester(s) student can or cannot attend
  - Duration of part time or non-attendance
  - Explanation of medical circumstances (We do not need to know the details of the student’s medical condition. We just need to know HOW is this medical condition affecting the student’s ability to study at CSUN) FSA can approve up to 12 months of part-time based on medical/illness conditions.

**Leave of Absence**

A Leave of absence for one or two semesters requires approval from a Foreign Student Advisor (FSA). Students must meet with an FSA to discuss their situation and options. Students are required to submit a completed Request for Leave of Absence form along with supporting documents.

A leave of absence will be approved for one semester at a time. Students who need to return to their home country for personal or financial reasons may not remain in the U.S. in F-1 status. The I-20 form for a student who will remain outside the U.S. will be terminated. A new I-20 may be issued for the semester in which the student will resume studies. The student must communicate with the appropriate FSA to verify if a new Affidavit of Financial Support with matching bank statement (checking or savings accounts only) is needed. Students must contact the appropriate FSA at least 45 days prior to the start of the intended semester of return. Students approved for a partial or complete medical leave of absence may remain in the U.S. based on the written recommendation of a qualified medical practitioner. They may request a reduced course load or a complete leave of absence based on medical reasons for a maximum of 12 months during their academic program.

Students who do not resume studies after two semesters will need to reapply to the university. Please contact the International Admissions office for questions related to re-admission.

**ACADEMIC PROGRESS**

The university requires that students make normal academic progress while maintaining a minimum grade point average (GPA) throughout their academic program.

**Academic Probation**

Failing grades and Unauthorized Withdrawals will affect your GPA negatively, and as a result, may affect your academic standing. This could subsequently jeopardize your legal immigration status and your eligibility to continue in your academic program. Students who fall below the required GPA will be placed on academic probation. Please consult with an academic advisor in your major and a FSA on how this will impact your academic and immigration status at CSUN. Also read the CSUN catalog and schedule of classes to find out about the university policy on probation and disqualification.

**Academic Disqualification**

Students who are academically disqualified must contact their FSA immediately for advice regarding their legal immigration status.

- Undergraduate students will not be able to enroll at CSUN if they are disqualified. They may choose one of two options:
  - They may transfer their SEVIS record to another educational institution to improve their GPA. They may then reapply to CSUN through the Office of International Admissions. Readmission is based on current university policy, deadlines and eligibility. OR
  - They may return to their home country immediately. Students must notify their FSA of their return to the home country.
- Graduate students must contact their academic advisor as well as the office of Graduate Research and International Programs (GRIP) for readmission to their academic program. A copy of the Readmission/Reinstatement of Graduate/Credential Student Form (proof of readmission) must be submitted to IESC. The form must be signed by the Graduate Coordinator/Advisor, and SEVIS Coordinator or FSA at IESC.

*Important:* with the exception of Graduate Culminating Experience enrolled students, international students are not permitted to register through the Roland Tseng College of Extended Learning at any time. Students who become ineligible to enroll in regular university courses and wish to take courses elsewhere (including the Roland Tseng College of Extended) will have to arrange to transfer their SEVIS record to an educational institution that has admitted them.

**Placement Tests/Exam**

*(For Newly admitted Students only)*

All New International Students may be required to take the English Placement Test (EPT) and the Math Selection Assessment (MSA) to determine which level math and composition you are prepared to take in your first semester. These tests place you in the writing and mathematics classes that match your skill level.

Please note: Before your EPT or MSA scores are available, your academic advisor will pre-enroll you in Basic English writing and math classes. Once CSUN receives your scores, you may be moved into classes that better match your skill level.
(For ALL Students)
The Upper Division Writing Proficiency Exam (UDWPE) is a graduation requirement for all students. Transfer students who have completed 56.0 units should sign up now for the next exam; it may take you several attempts to pass it. A passing score may be a pre-requisite to many 400 level courses. Undergraduate students are now required to take the UDWPE no later than the semester in which the student completes 75 units. If the Undergraduate student does not take the exam by this deadline, the student will have a hold placed on future registration for classes. Graduate students are usually required to pass the UDWPE in order to achieve “Classified” status. Learn more at: www.csun.edu/udwpe.

TIPS FOR ACADEMIC SUCCESS

- Get to know other students in your classes. You may need their assistance in case you miss a class, or are part of a study group.
- Make sure you understand the course syllabi, dates and requirements of your assignments and exams. Be aware of important deadlines!
- Use campus learning resources such as the Learning Resource Center and the Testing Center.
- Talk to your professors when you have questions about course material or assignments. This can save you time and frustration.
- Understand the basics of expected student conduct and academic integrity as well as the consequences of academic dishonesty and plagiarism (University Catalog at http://catalog.csun.edu/).
- Ask questions. Do not assume anything.
- Obtain clear information on all issues so that you do not make any mistakes.

REGISTRATION INFORMATION

Registration Holds
You may have one or more registration hold/s for different reasons from specific departments on campus. Registration holds prevent students from enrolling in classes. Before your registration appointment, clear all holds.

To view holds: Log into myNorthridge and locate the "Incomplete Tasks" section of My Checklist. For help, view holds at http://www.csun.edu/admissions-records/view-holds.

Foreign Hold
A “Foreign” Registration hold is placed on each international student’s record each semester. You are responsible for ensuring that all your immigration documents such as passport, I-20, etc. are current and valid, that your health insurance policy has been renewed through the end of the semester in which you are enrolled or intend to enroll, and that your GPA meets the basic eligibility requirement. The “Foreign” hold may not be lifted if your health insurance policy expires at the end of the upcoming semester. Students must email proof of health insurance to IESC to insurance@csun.edu prior to their registration period. Please include your first name, last name, and CSUN ID number in the subject line of the email. You may purchase the pre-approved student health insurance at http://4studenthealth.ascensionins.com/csun.
Immunization Hold
Submit proof of Measles, Mumps, Rubella and Rubeola immunization at the Klotz Student Health Center (SHC). If you do not have a letter from your doctor in English stating the date on which you received the immunization, you will have to either take the immunization, take a blood test to prove immunity, or sign a waiver. Contact the SHC for more information.

Immunization for or immunity to Hepatitis B vaccine is required for all first-time freshmen 18 years or younger. Contact the SHC for information.

Missing Transcript Hold
If you submitted a partial or unofficial transcript for admission purposes, please be sure to submit a final, official transcript to Admissions & Records before you register for your second semester at CSUN.

Registration Guidelines
Follow registration instructions in the Schedule of Classes, http://www.csun.edu/admissions-records/registration-guide
Select classes via your CSUN Student Portal and be sure to pay registration as well as tuition fees in full by the deadline. Failure to pay by the deadline will result in your being dropped automatically from your classes! Fees must be paid to University Cash Services. Information on fee payment deadlines, methods of payment, the Installment Payment Plan (IPP) etc. can be found at http://www-admn.csun.edu/ucs/

Registration Deadlines
See Add/Drop deadlines in the Schedule of Classes. To learn how to ADD / DROP / SWAP / WAIT LIST course, please visit the Registration FAQ at http://www.csun.edu/admissions-records/registration-faqs.

Please be sure to enroll in full-time units by the Add/Drop deadline.

Email Alerts
Alerts about registration appointments, payment deadlines and other important information will be emailed to your CSUN email account. Be sure to check it regularly or forward all emails from this address to an email address you use regularly.

Registration/Tuition Fees and Deadlines
International students pay registration fees each semester in addition to non-resident tuition which is calculated according to the number of units they are enrolled in. Please refer to University Cash Services http://www-admn.csun.edu/ucs/ for more information on current costs.

IESC does not require ANY fees for the services it provides to international students. No fees, under any circumstances, shall be submitted or mailed to IESC.

- Payment deadlines depend on a student’s registration date. Registration alerts are posted on the web portal.
- Students who receive loans from their home country or from other organizations must abide by the fee payment deadlines. Please plan ahead to obtain the required documents from CSUN or from your financial sponsor and submit them to the appropriate offices at CSUN to prevent registration delays.
If you are being **sponsored** by your **home country government**, please note that your letter from your sponsor may have an expiration date. Such letters must be updated each year and submitted to IESC as well as to the office of Student Accounting in a timely manner. Failure to do so can result in registration delays.

Students wishing to utilize the Installment Payment Plan (IPP) may do so by signing a contract with University Cash Services in Bayramian Hall. To apply for IPP or to obtain more information, contact University Cash Services at (818) 677-8000 option 3. Please do not wait until the due date to apply. International students may use IPP ONLY for the nonresident portion of their registration fees. All other fees must be paid no later than the Fee Payment Schedule due date.

Please note: If students open a new bank account in the United States there may be a grace period where funds may not be accessible for at least 10 business days. Please contact the participating financial institution for further information.

International Payment information can be found under Student Payment Information – **International Payments**.

**Financial Aid and Scholarships**

If students need to obtain financial aid or an international scholarship, the best place is to look in your home country. Student loans and scholarships may be available from your government, local businesses, organizations and foundations.

Other resources may be international humanitarian organizations that want to promote international education and cultural exchange with the US. Included in these organizations are the United Nations, the World Health Organization, the League of Red Cross Societies and the World Council of Churches. Financial aid and scholarships from these organizations are very competitive, so start the search early. Please exercise caution in your search as CSUN will not be held liable for the contents of the below websites and does not endorse scholarship search engines for which there is a fee.

Below are some links for websites that may provide some additional information:

- **InternationalScholarships.com** is an online financial aid resource for international students wishing to study in a foreign country.
- **InternationalStudentLoan.com** provides access to loans for non-U.S. students wishing to study in the USA, U.S. citizens studying abroad, and Canadian citizens studying abroad.
- The International Education Financial Aid Page- [www.iefa.org](http://www.iefa.org) features a searchable list of grants, scholarships and loan programs for international students.
- **FundingUSStudy.org** is a database of scholarships, fellowships and grants organized and maintained by the Institute of International Education (IIE).
- The Fulbright Program- [www.iie.org/en/Fulbright](http://www.iie.org/en/Fulbright) provides funds for students, scholars and professionals to undertake graduate study, advanced research, university teaching, and teaching in elementary and secondary schools. Established in 1946, Fulbright aims to increase mutual understanding between the peoples of the United States and other countries, through the exchange of persons, knowledge and skills.

**EMPLOYMENT**

All references to employment in this document refer to paid employment.

**On-Campus Employment**

International students are permitted to work on-campus. Students may work part-time (up to 20 hours) during the semester and full-time (20+ hours) during summer and winter vacations. Detailed information which also includes the procedure is available at [http://www.csun.edu/international/campus-employment](http://www.csun.edu/international/campus-employment).

**Off-Campus Employment (For Economic Hardship ONLY)**

An eligible F-1 student may request off-campus employment based on severe economic hardship caused by unforeseen circumstances beyond their control. F-1 students must have been in student status for one academic year and must be able to clearly document the circumstances causing the economic need. Approval is subject to USCIS adjudication. Detailed information which also includes the procedure is available at [http://www.csun.edu/international/campus-employment-economic-hardship](http://www.csun.edu/international/campus-employment-economic-hardship).

**Practical Training**

F-1 students must have been in legal immigration status for a minimum of one academic year (two semesters) lawfully enrolled on a full time basis prior to applying for practical training. Always consult with a FSA before starting any practical training. It is extremely important to keep in mind that it is your responsibility to engage only in employment authorized as permissible for F-1 students.

**Curricular Practical Training (CPT)**

Curricular Practical Training refers to any type of salaried employment, paid internship, or practicum which is related to an F-1 student’s field of study. IESC processes student requests for CPT authorization on a semester basis if the internship is required for a degree program or is recommended by the academic department. CPT is authorized by a Foreign Student Advisor from the International and Exchange Student Center (IESC).

Detailed information which also includes the procedure is available at [http://www.csun.edu/international/curricular-practical-training-cpt](http://www.csun.edu/international/curricular-practical-training-cpt). The deadline to obtain CPT approval is the Add/Drop deadline for each semester if you are required to enroll in the internship program.
course. Students must have the CPT authorization in order to begin the internship. Contact your FSA for any questions.

J-1 students may be eligible to participate in academic training under certain circumstances. Consult with the ARO in the IESC for eligibility requirements.

**Optional Practical Training (OPT)**

Optional Practical Training for F-1 students is intended to provide hands-on practical work experience complementary to the academic program. An F-1 student is eligible for a maximum of 12 months of OPT. However, if a student begins a new academic program at a higher level (e.g. master’s after bachelor’s degree, or Ph.D. after master’s), the student is eligible for another 12 months of OPT.

**NOTE:** You may use your OPT time before the completion of your program of study if you meet the eligibility requirements for Pre-OPT. Also, certain science, technology, engineering, and mathematics (STEM) degree holders may be eligible for additional months of OPT in addition to the regular 12-month OPT also known as STEM OPT.

Students will be advised on the application process as well as other important information to maintain legal immigration status. Detailed information for OPT is available at [http://www.csun.edu/international/optional-practical-training-opt](http://www.csun.edu/international/optional-practical-training-opt). Students should always discuss employment authorization requirements with a FSA before starting.

J-1 students at CSUN may be eligible to participate in academic training before and after completion of studies. Please consult with your J-1 ARO regarding eligibility requirements.

**Social Security Number (SSN)**

Social Security Numbers are issued for employment purposes only. Students can apply for a Social Security Number at any Social Security Administration Office. New Students (entering the U.S. on an “Initial” I-20) must wait for a minimum of ten (10) days after their arrival in the United States before applying for a Social Security Number (SSN). This gives USCIS & DHS sufficient time to record your arrival and confirm your immigration status in their databases.

In order to apply for a Social Security Number, students must submit the following documents:

**On-Campus Employment**

- Completed Letter Request form (available at [http://www.csun.edu/international/current-students-forms](http://www.csun.edu/international/current-students-forms)) supporting your application for a SSN;
- Copy of letter from on-campus Employer (Must mention Employer Identification Number);
- Valid Passport;
- I-20 form;
- Form I-94- available at [https://i94.cbp.dhs.gov/I94/#/home](https://i94.cbp.dhs.gov/I94/#/home)

**CPT**

- Form I-20 with CPT authorization on page 2;
- Valid Passport; and
- Form I-94- available at [https://i94.cbp.dhs.gov/I94/#/home](https://i94.cbp.dhs.gov/I94/#/home)
OPT
- Form I-20 with OPT authorization on page 2;
- Employment Authorization Document (EAD) for OPT;
- Valid Passport; and
- Form I-94 - available at https://i94.cbp.dhs.gov/I94/#/home

Change/Update of Personal Information
Students must notify IESC of any changes or updates to their personal information within 10 days so that their SEVIS records can be updated accordingly. To do so, please log in to your CSUN Student Portal account and update your information accordingly.

Change of Address
Update your address by logging in to your CSUN Student Portal account. Once you have updated the personal information section, IESC will update your new address in SEVIS.

Name Change/Correction
As a general rule, the name on the I-20 must match a student’s passport. Students who change their name (i.e. get married) must update their passport immediately. Once this is done, students can request a new I-20 based on that name change and obtain a new visa when needed. Please make copies of all documents for your records and to submit to IESC.

Change in Financial Sponsor
If there is a change in financial sponsorship during a student’s academic program, s/he must submit updated financial documents (International Student Financial Affidavit and bank statement) to IESC so that his/her SEVIS record can be updated accordingly.

Document Pick-Up/ Third Party Consent
It is best for students to contact the IESC themselves. Students who are unable to contact the IESC themselves to pick-up/drop-off documents or discuss their immigration/academic status may authorize friends or family members to contact us on their behalf. Students must give permission in writing to IESC. Students should complete the Third Party Consent Form and send to the appropriate Foreign Student Advisor. The friend or family member will have to show a picture ID and sign for the document.

Important Phone Numbers and Websites
In the event of an emergency, natural disaster, etc., foreign students will be advised to contact their foreign student advisor and check the website at http://www.ice.gov/sevis for information and guidance. They can email SEVP@dhs.gov to report their location and contact information. Student should also contact their local embassy or consulate office for country specific updates.

### Frequently Asked Questions

#### Academic Progress

1. **What is a unit?**
   
   - College progress is measured in UNITS. A semester unit in a lecture class can be described as one hour per week per semester. For example: If you enroll in a 3-unit class, you are enrolling in a class that meets for three hours a week.

2. **What is a full-time course load for international students?**
   
   - Undergraduate students/2nd bachelors must enroll in a minimum of 12 units each semester.
   - Graduate students must enroll in a minimum of 8.0 units each semester.

3. **What is the unofficial transcript?**
   
   - The unofficial transcript is an informal record of all the classes a student has taken at CSUN as well as his/her grades and GPA. Students can print their unofficial transcript by logging on to the web portal [http://www.csun.edu/mynorthridge/portalview_home.htm](http://www.csun.edu/mynorthridge/portalview_home.htm)

4. **What is a DPR?**
   
   - DPR stands for Degree Progress Report. It can be obtained at the web portal. It is a summary of the units an undergraduate student has completed, the remaining units as well as other requirements for the completion of his/her degree.
Maintaining Student Status

5. When is it OK to be a part-time student?
   - You always need to request pre-approval to be a part-time student. You may be permitted to enroll in a part-time course load under one of the following SEVIS approved categories:
     - Initial difficulty with reading requirements
     - Initial difficulty with the English language
     - Improper course level placement
     - You are in your final semester and have only a few units remaining to graduate.
     - You are ill or have a medical condition that requires a reduced course load. Written statement from a qualified medical practitioner required.

6. What is Classified Status?
   - Incoming graduate students are generally admitted conditionally and held to meeting certain eligibility criteria such as, the UDWPE, pre-requisite classes, and/or Graduate Record Exam (GRE) scores, etc. Until they do so, they are considered to be “conditionally classified.” Refer to your academic advisor for more information.

7. How do I achieve Classified Status?
   - Graduate Students are required to meet the requirements of their academic department before they can achieve classified status.

8. What is a “Reinstatement of F1 status”?
   - Students who fall out of legal immigration status may request a reinstatement to legal student status either by travelling out of the U.S. and re-entering on an “Initial” I-20, or by submitting an application to USCIS. Students must meet with a FSA for information regarding options, and procedures. A detailed Reinstatement information handout is available at http://www.csun.edu/international/immigration-information

Registration/Classes

9. When do classes begin?
   - Verify start dates for each semester in the relevant Schedule of Classes.

10. How do I register for classes?
    - Log into the Web Portal at www.csun.edu
    - Click on Student Center SOLAR and follow the instructions for enrollment.

11. When should I register for classes?
    - The best time to register/enroll in classes is on your assigned enrollment appointment. This is your first available opportunity to register for classes and will give you the best selection of classes.

12. What do I do if all my classes are full?
• If all classes are full, it is the student's responsibility to look for all possible options. If no options are available before classes begin, then students must "crash" classes.

13. What does “crash” a class mean and how do I “crash” a class?

• Students will attend more than one section of each class beginning the first day of classes and participate in the class as though they are registered.
• Students can also request a “Unit Requirement Letter” from the IESC which states that international students are required by USCIS to enroll full time. This letter simply clarifies your requirements for full time enrollment to faculty. It is not a guarantee that you will get classes.
• You can either request the professor in person to add you to the class or you may e-mail the professor.
• If there is a seat available, the professor will give you a permission number, which you will use to add the class via the portal during the Add/drop period or at Admissions and Records during the late registration period.

14. What is the difference between a ticket number and a permission number?

• A ticket number can be found online or in the schedule of classes. Use this number to register for the class before classes begin.
• A permission number is used if a student is enrolling in the class after classes have already started.
• Be aware that a permission number expires by a certain date. If the permission number expires, request the professor to give you a new one.

15. What happens if I do not register full-time by the Add/Drop deadline?

• Students who fail to register full time by the Add/Drop deadline for each semester and do not have approved part time status, will be considered “out of status.” This means that they have not maintained their legal immigration status. Their SEVIS record will be terminated, and they will have to file for reinstatement with USCIS.

16. Can I take online classes at CSUN if I am an international student?

• International students are permitted to take no more that the equivalent of one online class or three credits per semester to count towards their full-time enrollment.

17. I have only one class left to take in my final semester, could it be an online class?

• If you have left to take one class to graduate, this class must be an in-class traditional course to be in compliance with legal guidelines governing your F-1 status.

Payments/fees

18. How do I pay for my classes and when is the deadline?

• Go to http://www-admn.csun.edu/ucs/ for updated information on fee payment methods and deadlines for each semester. Students who wish to utilize the Installment Payment Plan (IPP) must contact University Cash Services in Bayramian Hall and sign a contract. Students
who receive loans, scholarships, etc. from their home countries are responsible for making sure that the university receives all paperwork and payments on time.

- IESC does not require ANY fees for the services it provides to international students. No fees, under any circumstances, shall be submitted to IESC.

19. Where can I get detailed information on fees and payment methods?

- Information on fee amounts and payment methods is available at: [http://www.csun.edu/stufin/](http://www.csun.edu/stufin/)

20. Does the university accept demand drafts to pay for tuition and fees?

- Payments made by demand drafts brought from foreign countries are acceptable if the bank has a branch in the United States.
- It is advisable to bring one demand draft for your first semester fees and if necessary, a separate demand draft for the second semester. Please make sure you understand the university refund policy if submitting a larger amount of money than required for your first semester.

21. Does the university accept wire transfers to pay for tuition and fees?

- The university does not currently accept wire transfers for payments. Please see [http://www.csun.edu/stufin/](http://www.csun.edu/stufin/) for acceptable payment options.

22. Can I send my fees to IESC?

- IESC does not require ANY fees for the services it provides to international students. No fees, under any circumstances, shall be submitted or mailed to IESC.

**Advisement**

23. What is academic advisement and how do I contact an academic advisor?

- Students need to communicate with an advisor in their academic department. This person will assist you with selecting classes for each semester.
- **Important:** You must consult with a FSA to make sure your academic plans fit in with immigration regulations.
- Visit [http://www.csun.edu/undergraduate-studies/academic-advisement](http://www.csun.edu/undergraduate-studies/academic-advisement) for information on college-based Advisement Centers.

**Employment**

24. How do I find a job on campus?

- You may visit the following links to find jobs on campus:
  - [http://usu.csun.edu/jobs/index.php](http://usu.csun.edu/jobs/index.php)
- [http://www.csun.edu/career](http://www.csun.edu/career)
- [http://www.csun.edu/tuc/employment](http://www.csun.edu/tuc/employment)

- Visit various campus departments and ask for job openings for student assistants.
- Graduate students may communicate with their graduate advisor about teaching assistantships or graduate assistantships.

**Purchases**

25. How do I buy books?

- Students can go to the web portal and look up their classes to see which books are needed. Students can purchase them online from this website and either have them delivered to them, or held at the bookstore for pickup.
- Alternatively, students can purchase them directly from the campus bookstore or any other bookstore.

26. How do I purchase a parking permit?

27. Where can I obtain a CSUN ID card?

- A CSUN Photo ID card can be purchased at the Bayramian Hall, Room 100 for $5.00. Students will be required to show a photo ID such as a Driver’s License or Passport.

**Immunizations**

28. Where do I show proof of immunization to Measles, Mumps, Rubella and Rubeola (MMR)?

- Show proof of Measles, Mumps Rubella and Rubeola immunizations at the Klotz Student Health Center. If students do not have a letter from their doctor in English stating the date on which they received the immunization, they will have to either take the immunization, or a blood test to prove immunity, or sign a waiver.
- Contact the Klotz Student Health Center for more information on costs and availability.
