Job Description:

Citadel Environmental Services, Inc., an employee-owned, Environmental Health, Safety, and Sustainability consulting firm with offices throughout Southern California is soliciting for the position of Senior Industrial Hygiene to service our existing high-profile client base. Citadel offers a wide range of services including environmental geology, industrial hygiene services (IH assessments, indoor air quality assessments and microbial growth investigations), asbestos and lead surveys and monitoring, safety/training, IR thermography, environmental compliance, air emissions, sustainable practices, staff outsourcing, and litigation support. Citadel provides services to large institutional clients including the largest companies in the world. Candidate shall have a minimum of five years industrial hygiene related experience or any equivalent combination of experience and/or education from which comparable knowledge, skills and abilities have been achieved and experience supervising staff. Advanced knowledge and understanding of industrial processes and occupational exposure assessment strategies is preferred.

REQUIREMENTS:

1. Degree in industrial hygiene, occupational safety, public health and safety, physical or life sciences, or similar
2. Minimum 5 years of related experience required
3. Knowledge of industrial processes preferred
4. Understanding of sampling strategies and fundamental industrial hygiene methodologies for a variety of occupational contaminants (particulates, vapors, noise, ionizing and non-ionizing radiation, cold, and heat stressors, ergonomics, and biological agents) required
5. Ability to manage staff, budgets, and project deliverables is required.
6. Self-starter and responsiveness is a must
7. Knowledge of MS Office, Word, and Excel and excellent verbal communication skills are required
8. Should possess good organizational skills and time management practices
9. Occasional travel (one-two day duration) is required

Citadel Environmental Services, Inc. is an equal opportunity employer in business since 1993. Citadel has been regularly recognized by the Los Angeles Business Journal as one of the Best Businesses to work for in Los Angeles County and by

and the recipient of Cal/EPA's Climate Leader Award. We offer an excellent salary and benefit package with long-term growth potential.
