I understand that reduction in units may affect my Financial Aid, Campus Housing, and/or international student status. I will check with each office to learn the consequences, because once a change is processed the decision cannot be reversed. Withdrawals are not permitted during the final 3 weeks of instruction or thereafter except in cases such as an accident or serious illness where the cause of the withdrawal is clearly beyond the student’s control and the assignment of an Incomplete grade is not practical. Withdrawals will not be granted if the student has taken final exams.

Petitions requesting retroactive withdrawals beyond 1 year of the conclusion of the semester for which the withdrawal is requested will not be considered.

**Instructions:**

1. Attach a typed statement that describes the serious and compelling reason for your request and the consequences to you if your request is not granted.
2. Print out your class schedule and attach it.
3. Attach written documentation or evidence that supports the reason you have described in your statement. This might include a letter from an employer, medical information, court document (documents must be on letterhead), or information from relevant CSUN departments (e.g., Financial Aid, Admissions & Records print outs, emails, etc.). All must explain a direct connection between the requested action and the serious and compelling reason you cited in your statement. Requests for partial or complete medical withdrawals must also include a signed Student Consent and Health Care Provider Guidelines form at [www.csun.edu/sites/default/files/UGS_pmw_healthprovider.pdf](http://www.csun.edu/sites/default/files/UGS_pmw_healthprovider.pdf).
4. After obtaining the required instructor signatures, submit the forms and documents to the Office of Undergraduate Studies, University Hall, Room 215.

* Please contact Undergraduate Studies at 818-677-2969, if you wish to be excused from obtaining faculty signatures because of issues related to sexual assault.
Frequently Asked Questions

**Will my request be approved?**

Changes in academic schedules after the Late Registration/Schedule Adjustment deadline for the current academic term and session are rarely approved and will be considered only in cases where the student can provide written proof of extraordinary circumstances that have arisen from events beyond his or her control.

The situations listed in the paragraph below DO NOT meet the criteria of extraordinary circumstances. Furthermore, there must be no viable alternative to the requested change, such as repeating the course or enrolling in the course in the following semester. Completion of this form is the first step in the review process and does not imply that the request will be approved. Any request received after the last day of the semester will be considered retroactive and must be submitted on the form entitled *Last 20% of Instruction and Retroactive Change in Schedule for Undergraduate Students*.

The following situations ARE NOT considered extraordinary circumstances and WILL NOT be approved to justify a change in schedule after the Late Registration/Schedule Adjustment deadline for the current academic term/session:

- (a) failing the class or receiving less-than-desired grade;
- (b) failing to take the instructor to give a permission number;
- (c) failing to take action to add or drop a class prior to the end of the third week of instruction;
- (d) failing to make payment of registration and/or waiting for Financial Aid;
- (e) the need to work because of financial considerations or opportunities;
- (f) encountering a situation that should have been anticipated, such as the need to have transportation or child care, the need to pay for ordinary living expenses;
- (g) aspirations of either the student or his/her family in regard to GPA, the dean's list, graduate school, scholarships, etc.;
- (h) dissatisfaction with course material, instructor, instructional method, or class intensity;
- (i) lack of motivation, change in academic interests, or change of major;
- (j) participation in extracurricular activities; or
- (k) academic overload and inability to keep up in all classes.

The following situations are typically the only ones that WOULD meet the standard of extraordinary circumstances for which there is no viable alternative and would justify a change in schedule after the Late Registration/Schedule Adjustment deadline:

- (a) medical documentation that the academic schedule is detrimental to the student's physical or mental health (see the Change of Schedule Policy for Complete and Partial Medical Withdrawals at [www.csun.edu/admissions-records/late-add-drop-classes](http://www.csun.edu/admissions-records/late-add-drop-classes));
- (b) activation for compulsory military duty;
- (c) relocation out of the immediate area.

**Which form should I use?**

This *Last 20% of Instruction and Retroactive Change in Schedule* form is to be used by undergraduate students beginning weeks 13 to 17 and after the semester or term has ended (see [www.csun.edu/admissions-records/late-add-drop-classes](http://www.csun.edu/admissions-records/late-add-drop-classes) for specific dates) to request approval for the following late actions:

- Add classes late including late registration
- Drop classes late
- Change grading basis from Credit/No Credit to a letter grade (A-F) or vice versa
- Completely withdraw from the University
- Partial and complete medical withdrawals
- Retroactive requests

**How do I request a withdrawal during weeks 13+ and retroactive?**

Students who must withdraw for reasons beyond their control, and who can justify serious and compelling circumstances, may withdraw without academic penalty by securing the approval of the instructor and the appropriate campus officials. Under no circumstances does nonattendance nor the stopping of payment of a check constitute a withdrawal from the University.

**What documentation is required for medical withdrawal requests?**

Students seeking a complete or partial medical withdrawal must provide a signed *Student Consent and Health Care Provider Guidelines* form, found at [www.csun.edu/sites/default/files/UGS_pmw_healthprovider.pdf](http://www.csun.edu/sites/default/files/UGS_pmw_healthprovider.pdf), and relevant medical documentation from their health care provider. Letters from doctors must be on letterhead with license number. Partial medical withdrawals will be permitted when there is a clear link between the class and the medical condition. Requests solely seeking a reduced course load without specific and focused medical justification do not demonstrate the required link.

**How will I be notified of the decision and what should I do while waiting?**

The Associate Vice President of Undergraduate Studies will normally make the decision within one week of receiving the form and will inform students of the decision by e-mail to their CSUN email address. Students should continue to attend class while waiting for decisions.

**What will happen if my request is granted?**

The Office of Undergraduate Studies will transmit approved decisions directly to Admissions & Records. Any courses for which withdrawals are approved will result in a grade of W on student transcripts. Changes in the number of units might result in an increase in fees. You will need to check your portal for updated fee information. Visit [www.csun.edu/stufin](http://www.csun.edu/stufin) for additional information on fees and deadlines. **Open University students** may visit: [http://tsengcollege.csun.edu/programs/university-access](http://tsengcollege.csun.edu/programs/university-access).

**How is Financial Aid affected by changes in academic program?**

Please contact Financial Aid before completing this petition to ensure you understand the financial impact of this withdrawal. Your Financial Aid may be reduced or canceled and/or you may be asked to repay Financial Aid dollars to CSUN. For more information contact Financial Aid at (818) 677-4085. **Open University students** are not eligible for Financial Aid.
