**STEPS:**
1. Print and cut out pennants.
2. Tape a string to the back of each pennant and line them up together (see Figure 1).
3. Hang and enjoy!

**TIP:**
To make your bunting, paste the back of the printouts to a piece of cardboard, e.g., a cereal box, before cutting them out. You may also use a hole punch instead of tape. Punch a hole in the top corners of each pennant before stringing them together.
