GRIEVANCE PROCEDURE AND CLAIMS APPEAL

If you have any questions about the services received from a Delta Dental Dentist, we recommend that you first discuss the matter with your Dentist. If you continue to have concerns, you may call or write us. We will provide notifications if any dental services or claims are denied, in whole or part, stating the specific reason or reasons for denial. Any questions of ineligibility should first be handled directly between you and your group. If you have any question or complaint regarding the denial of dental services or claims, the policies, procedures and operations of Delta Dental, or the quality of dental services performed by a Delta Dental Dentist, you may call us toll-free at 800-765-6003 or contact us on our web site at: www.deltadentalins.com or write us at P. O. Box 997330, Sacramento, CA 95899-7330, Attention: Customer Service Department.

If your claim has been denied or modified, you may file a request for review (a grievance) with us within 180 days after receipt of the denial or modification. If in writing, the correspondence must include your group name and number, the Primary Enrollee’s name and ID number, the inquirer’s telephone number and any additional information that would support the claim for benefits. Your correspondence should also include a copy of the treatment form, Notice of Payment and any other relevant information. Upon request and free of charge, we will provide the Enrollee with copies of any pertinent documents that are relevant to the claim, a copy of any internal rule, guideline, protocol, and/or explanation of the scientific or clinical judgment if relied upon in denying or modifying the claim.

Our review will take into account all information, regardless of whether such information was submitted or considered initially. Certain cases may be referred to one of our regional consultants, to a review committee of the dental society or to the state dental association for evaluation. Our review shall be conducted by a person who is neither the individual who made the original claim denial, nor the subordinate of such individual, and we will not give deference to the initial decision. If the review of a claim denial is based in whole or in part on a lack of medical necessity, experimental treatment, or a clinical judgment in applying the terms of the contract terms, we shall consult with a dentist who has appropriate training and experience. The identity of such dental consultant is available upon request.

We will provide the Enrollee a written acknowledgement within five calendar days of receipt of the request for review. We will make a written decision within 30 calendar days of receipt of the request for review. We will respond, within three calendar days of receipt, to complaints involving severe pain and imminent and serious threat to an Enrollee’s health. You may file a complaint with the Department of Managed Health Care after you have completed Delta Dental’s grievance procedure or after you have been involved in Delta Dental’s grievance procedure for 30 calendar days. You may file a complaint with the Department immediately in an emergency situation, which is one involving severe pain and/or imminent and serious threat to the Enrollee’s health.
The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against Delta Dental, your health plan, you should first telephone Delta Dental at 800-765-6003 and use Delta Dental’s grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 calendar days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (888-HMO-2219) and a TDD line (877-688-9891) for the hearing and speech impaired. The department's Internet Web site (http://www.lmohelp.ca.gov) has complaint forms, IMR application forms and instructions online.

IMR is generally not applicable to a dental plan, unless the dental plan covers services related to the practice of medicine or offered pursuant to a contract with a health plan providing medical, surgical or hospital services.

If the group health plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the Enrollee may contact the U.S. Department of Labor, Employee Benefits Security Administration (EBSA) for further review of the claim or if the Enrollee has questions about the rights under ERISA. The Enrollee may also bring a civil action under section 502(a) of ERISA. The address of the U.S. Department of Labor is: U.S. Department of Labor, Employee Benefits Security Administration (EBSA), 200 Constitution Avenue, N.W. Washington, D.C. 20210.

ORGAN AND TISSUE DONATION

Donating organ and tissue provides many societal benefits. Organ and tissue donation allows recipients of transplants to go on to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. If you are interested in organ donation, please speak to your physician. Organ donation begins at the hospital when a patient is pronounced brain dead and identified as a potential organ donor. An organ procurement organization will become involved to coordinate the activities.
