To begin the setup process, please verify that Wi-Fi has been enabled.

1. From the Home menu, select Settings.
2. In the Settings window, select Wi-Fi from the list of available options.
3. Select Other.
4. Under Name, enter eduroam (lower-case).
6. Return to Other Networks and enter your CSUN email address and password.
7. Select the Join button to complete the process.

Note: If setup is successful, the network displays under Wi-Fi settings and a checkmark indicates that you are connected.
