INTRODUCTION

As of October 11, 2011, the SOLAR Student Administration system will be upgraded to include changes to pages used by faculty, staff and students.

Faculty and Staff who utilize the student inquiry/advisement Applicant option will notice the page displays slightly different in the upgraded system view. There are minor changes in field placement although functionality remains the same. This document will show you the new screen display.

SOLAR SA Student Inquiry/Advisement Applicant Option

Navigation to Student Inquiry and Advisement has not changed nor has the Student option pages within these menus. This document addresses the Applicant option. The Applicant screen display has changed. You will find that familiar fields have changed placement on the page however, functionality remains pretty much the same.

1. Navigate as you normally would and select Applicant option.

2. The APPLICANT PAGE displays.
   - The BioDemo Data section displays the student’s personal information.
   - The Applicant Data section contains pertinent information about the applicant, testing and transcripts received information.
