Pursuant to California Code of Regulations, Title 5, Article 4, Nondiscrimination Student Organizations and Section 41500 (Withholding of Recognitions), and the California State University Office of the Chancellor Student Activities – Executive Order 1068, no campus shall recognize any fraternity, sorority, living group, honor society, or other student organization that discriminates on the basis of race, religion, national origin, ethnicity, color, age, gender, marital status, citizenship, sexual orientation, or disability. The prohibition on membership policies that discriminate on the basis of gender does not apply to social fraternities or sororities or other university living groups. Student organizations shall deliver to the vice president for student affairs or his/her designee a statement signed by the president or similar officer of the local student organization attesting that the organization has no rules or policies that discriminate on the basis of race, religion, national origin, ethnicity, color, age, gender, marital status, citizenship, sexual orientation, or disability. This statement shall be renewed annually.

No campus shall recognize any fraternity, sorority, living group, honor society, or other student organization unless its membership and leadership are open to all currently enrolled students at that campus, except that a social fraternity or sorority or other university living group may impose a gender limitation as permitted by Title 5, California Code of Regulations, Section 41500. Student organizations may require applicants for leadership positions to have been members for a specified period of time, and may require officers to compete for those positions in elections of the membership.

In recognizing student organizations, campuses are encouraged to consider such factors as the mix of students who reside on campus, students who commute, part-time and full-time students, students who are working while attending college, and other factors that will provide opportunities that meet the diverse needs of students seeking to affiliate with student organizations.

Withholding and Withdrawing Official Recognition: Official recognition of student organizations that fail to abide by the open membership policy or that discriminate on the basis of race, religion, national origin, ethnicity, color, age, gender, marital status, citizenship, sexual orientation, or disability shall be withdrawn.

In addition, official recognition of a student organization may be withdrawn for hazing or conspiracy to haze as defined in the California Code of Regulations, Title 5, Standards for Student Conduct, Section 41301(b)(8). Individual students may be disciplined for hazing under Section 41301(b)(8).

As president (or similar officer) of the organizations listed above I hereby understand and agree to the above Clubs and Organizations Open Membership and Constitutional Requirements
