Request for a Grade of Incomplete

Important Information for Student and Instructor

In order to be considered for a grade of Incomplete, the student must:

1. Initiate the request for an Incomplete by filling out the reverse side of this form and submitting it to the instructor of the class for which the Incomplete is being requested. **The instructor cannot initiate the Incomplete request.**
2. Have a passing grade in the work completed.
3. Have completed a substantial portion of the work in course for which an “Incomplete” is being requested (e.g. only one or two assignments need completion).
4. Be able to complete the remaining work independently **within one year**, with minimal assistance from the instructor.

Directions to the Student

1. Complete the Student Information section and Part I on the opposite side of this form.
2. Submit the completed form in person to the course instructor **on or before the day of the Final Exam for this course**. If you fail to submit the Request by the deadline, you will receive the grade that you have earned for the entire course, including work completed and penalties for work not completed. No retroactive “Incomplete” grades are permitted.
3. Verify your Incomplete grade on the Portal after grades are posted.
4. If your request is granted, obtain a copy of the completed “Request for a Grade of Incomplete” form from the instructor or department office. Part II of the form, completed by the instructor, describes the assignments that must be completed in order to replace the Incomplete with a letter grade or CR/NC and specifies the date by which this work must be completed. Part II of this form serves as the official contract for completing the Incomplete.
5. If the work described by the Instructor is not completed by the designated date, the “Incomplete” will automatically be converted to an Incomplete Charged (IC), which is equivalent to an F. The instructor CANNOT allow more than one calendar year from the last official day of the semester in which the Incomplete is assigned.
6. DO NOT enroll in the same course before the time limit for completing the Incomplete has elapsed. If you do so, the “Incomplete” will automatically be converted to an F.

Directions to the Instructor and Department

1. Check all appropriate boxes in the “Instructor Information” section.
2. Fill out the information that describes the assignments to be completed AND the date by which they are due. The maximum amount of time that you can allow for completion is one year from the last official day of the semester in which the Incomplete is assigned, but you can specify a shorter time frame. If you do so, it is your responsibility to enforce the earlier deadline.
3. If you grant the request, assign a grade of “Incomplete” on the SOLAR grade roster. If you deny the request, give the student a grade based on the work completed and penalties for the work not completed.
4. Submit the completed form to your department office **no later than ten business days after the last day of the Final Examination Period.**
5. When the required work is completed, the instructor will fill out a “Correction of Grade or Removal of Incomplete” form and turn it in to the Department office. If the form is not submitted, the grade of Incomplete will automatically be changed to an Incomplete Charged (IC), which is equivalent to an F, after a period of one year from the original assignment of the Incomplete grade.
6. The department will obtain all additional requested signatures and submit the form to Admissions and Records. The Department must retain the “Request for a Grade of Incomplete” form or a digital copy AND a copy of the “Correction of Grade or Removal of Incomplete” form or a digital copy for a minimum of three years from the last day of the semester in which it was originally filed.
