The Library of Congress is the world’s largest library. It provides primary source-based, ready-to-use resources for teachers and facilitators and offers classroom materials and professional development to help teachers effectively use primary sources from the Library's vast digital collections in their teaching.

BUT…how can you find and use the Library effectively?? Spend a morning with our Library of Congress experienced Teacher Consultants and learn to:

• Use primary sources in ALL subject areas;
• Cite sources and manage copyright issues;
• Access Library of Congress lesson plans, teacher’s guides, and more that meet Common Core and state standards;
• Use the Library’s primary source analysis tool;
• And MUCH more!
