

## MATH 391 California State University, Northridge

### RECORD OF PARTICIPATION

For each day you go to your school, record the date, time in and out, and total time. Total time means the active observation/participation hours in the classroom. Conference periods and breaks do not count toward your hours. In the Comments column you can record in a couple of words if anything interesting or unusual happened.

	Date	Time in	Time out	Total time	Comments
