PROGRAMS OF EXCELLENCE

Business Honors Program

www.csun.edu/bhp

The Business Honors Program is designed to identify, educate, and mentor outstanding undergraduate business students who uphold high academic and personal standards. Business Honors students complete a unique and rigorous curriculum, which prepares them to develop into the business leaders of tomorrow.

Interested students should contact Dr. Monica (Her) Hussein (JH 4121) at 818-677-3100.

Program for Adult College Education (PACE)

www.csun.edu/~buspace

The PACE program addresses the needs and abilities of the mature, re-entry student. PACE is a cohort program designed with specialized classes, entry restrictions, and intensive instruction. Classes are compressed. Students enroll in four-3 unit (12 semester units) classes per semester. Each class meets for eight weeks, Tuesday evenings for 2 hours and every other Saturday for 4 hours.

Interested students should contact Wendy Rivera (JH 3109) at 818-677-2467.

Volunteer Income Tax Assistance Program (VITA)

www.csun.edu/vita

The VITA program places our students in the community to assist low-income tax payers with their annual tax return preparation. The program combines academic study and technical skills with service to the community while it helps students become independent, reflective, motivated, flexible, competent, disciplined, and confident.

Interested students should contact Professor Cathy Jeppson (JH 2119) at 818-677-4519.

Wells Fargo Center for Small Business and Entrepreneurship

www.csun.edu/wfcsbe

COBAE's Wells Fargo Center for Small Business and Entrepreneurship uses undergraduate student teams as consultants to small and medium size businesses in the San Fernando Valley. Students gain valuable practical experience and clients benefit from customized consulting reports designed to solve real problems and issues.

Interested students should contact Dr. Franck Vigneron (JH 4140) at 818-677-2018.
